THE PROMISED LAND, GOD'S GREAT LOVE
PART 2

Greetings on this beautiful eternal day of the Living and True God MelquisedecLisbet, the only God who walks and dwells among their people, fulfilling everything they have promised. And these are not just words, they are facts, you are our faithful witnesses, you are the living proof of the power that is in the name of God MelquisedecLisbet. Our holy angels have confirmed that God is faithful to everyone who comes to us because they want to live in this perfect order and become part of the people of God. There will come a point where people will have no other choice but to submit to me if they want to live forever in health and prosperity, where they will never lack the food from God. There is no other way towards eternal life, and I will not get tired of saying, come to me confidently, I am the throne of the Grace of God, and in me, you will find help in time of need. *Behold! I'm at the door and I am knocking. If you hear my voice and open the door, I will come in and have dinner with you as friends. And when God says we will have dinner together, I with you, and you with me, it's like saying, "Come, I have the answers to all your questions and concerns about the truth of God." Let's talk as friends ***(Revelation 3:20)***. When you come to me and listen to me you will see that I do not seek my own glory, and it is because I do not speak on my own account, I seek the glory of God the Father Melquisedec, the one who sent me, that is why I am truthful and there is no injustice in me. After hearing what I offer mankind, whoever wants to know God and wants to do our will with a pure heart, will know if this doctrine comes from God, or if I speak on my own account ***(John 7:17-18)***. Today history is repeated because God wants it to be repeated. They insult me saying that I have demons for speaking these things. But *I do not have demons, I only want to honor God the Father, and this is the reason why they dishonor me. I am the spiritual Mother and you should honor me so you won't die. I tell you the truth, I do not seek my own glory; God the Father is the one who wants it that way, and he is the one who truly weighs the hearts of men to see if they are honoring me. Because he glorifies me through you. He makes you honor me. I tell you the truth, he who keeps my word will never see death ***(John 8:49-51)***. * Honoring your spiritual Father and spiritual Mother is where eternal life dwells because that is the first commandment accompanied by a promise. Obeying everything your spiritual parents command you, is how your life is prolonged and it is not referring to 70, 80 or even 120 years. No, God is promising you that if you keep this commandment, we will give you eternal life. And how does God give you eternal life when you keep the commandment that has a promise? They make you equal to them, they give you all their wisdom. That is what it means when it says, "that it may go well for you, and that you enjoy a long life on earth" ***(Ephesians 6:2-3)***. *If you obey me, you are honoring me and you are also honoring God the Father because it pleased him that you also honor me just as you honor him ***(John 5:22-23)***. That is God's eternal love.

How beautiful! Hallelujah! In today's topic we will continue with the second part of "THE PROMISED LAND, GOD'S GREAT LOVE". It is very important that you listen to this topic because it helps you understand that God has not come to destroy, kill, sicken, or impoverish anyone. We have come to do the exact opposite, to restore, to give life, to heal, to enrich everyone who wants to know how to acquire the riches that God has promised men. Something that nobody has achieved until now. And it is not because God has not given it to them, but because humans do not know how to trust in God and have total assurance that the living God will take care of you, if you honor only us and you have no other god in your mind. There are many gods, some are fear, sadness, uncertainty and poverty that leads you to greed, those gods are foreign to the true God, and if any of these gods take a hold of you, *then you become a slave, because you are a slave to what controls you, or what has dominated you ***(2 Peter 2:19)***. That is why it is true when I tell you that *the Spirit of the Sovereign Lord is upon me, because the Lord has anointed me to bring good news to the poor. He has sent me to comfort the broken-hearted, damaged minds, and to proclaim liberty to the captives, and to release the prisoners from the prison ***(Isaiah 61:1)***. And *the people of God who are taken captive, those who perish from hunger and are dry from thirst, is in the minds of those who listen me and reject me, and for not wanting to receive the true knowledge of God they will all die ***(Isaiah 5:13)***. Of course, because if I'm giving you a knowledge that you have never heard but has the power to do in you everything I have said, then how are you going to refuse it? The only explanation would be that you have no interest in living, and that your life, the life of your family and your friends means nothing to you. You want to die and you want for each one of them to die as well. If you truly cared about yourself and your family, *you would take all this wisdom and knowledge of God that I am giving you and you would hold on to it with all your strength, and you would never abandon this love and this truth; you would wear them as a necklace and you would engrave them in your mind. If you do this, you will have God's favor, and you will be admired by God and men, that is, if you trust in the Lord MelquisedecLisbet with all our heart, and not your own intelligence. ***(Proverbs 3:3-5)***. Because your own intelligence cannot lead you to truly know God. If you obey me you will have the opportunity to truly serve God with a clean and whitened mind, not like the world thinks it should be. Because the way the world thinks about God does not please God. If you use my wisdom like I show you, I assure you that you will not see death and if you share this with your family and your friends, and they do the same as you do, they will neither see death. God the Father has given me the authority to share this promise. But if you do not want God's wisdom, and instead you prefer to continue thinking you are intelligent and that, it is enough for you to know God in your own way, fine, continue being an idiot, and for being so stubborn, so foolish and so arrogant, you will end up dying. For you to be able to serve the true God you need to understand that God is just and we always warn our people beforehand of what's to come. And we help you by giving you the weapons you need, to defeat every wicked thought that enters your

mind, and so that you may also judge everything you see and hear wisely, and in that manner you are able to discern what is not good nourishment for your Spiritual growth. I help you destroy all those gods that don't allow you to reign over everything in your mind. Always keep in mind that *we are a zealous God and if you don't dispose of those other gods that are in your mind, the temple of God, you can cause God's wrath to ignite against you and erase you from the face of the earth ***(Deuteronomy 6:15)***. Because when a tree bears no fruit for God, it is cut down. We have many enemies out there, and those enemies are all who keep you from giving us all your attention, your praise and your offering. Anything that dominates you outside of us is our enemy, and a false god. Because anything that controls you, outside of the eternal gospel of life, is a lie, a curtain of smoke and you will never be completely satisfied. It will destroy you forever. I have come to teach you how to destroy those enemies in your mind. But you have to want to be helped by your helpmate, you cannot refuse me as many stubborn people have done in the past and also today. What I do is what a friend does, I tell you the truth and I warn you so you won't fall and end up betraying God. I help you to find the promised land, and therefore acquire all the same benefits I have. I make you joint heirs together with me, that is the eternal love of God MelquisedecLisbet. That love does not leave you in the darkness of your mind, it holds you by the hand and guides you to the place where God lives forever. If I were you, I would not turn away from MelquisedecChristLisbet for anything, or anyone. Look at all the men in the Bible, who according to religion were such powerful and faithful men. Where are they now? They are all dead, because they rejected me and they lost hope. They did not stand firm, they did not have my faith. At one point they did, and they saw MelquisedecLisbet, like the foolish virgins, who after realizing what it takes to be made a child of God, chose death instead, they did not want the bread from heaven and preferred to be in darkness without the wisdom of God. Look how it says in:

Malachi 1:12

12 Instead, you offend me, since you think that my altar, which is my table, can be despised, and that the food in it is despicable.
13 And you also said, Oh, what a nuisance this is! And you despise me, says Jehovah of heaven's armies MelquisedecLisbet,...

In another version it says: "*It is too difficult to serve the Lord" and they consider my commandments an annoyance*". Do not be stubborn like your ancestors, Moses and all the foolish virgins of this time, who were so close to the promised land but they went back to the desert to suffer very much and are not able to enjoy what God has promised. *They will die in the torment of their minds, not accepting to be freed, and all because they think that it is better to die and then resurrect to a better life after you die, when that doesn't even exist ***(Hebrews 11:35)***. They do not want the promised land that God presents to them and they prefer to die rather than to live

orderly lives, and they really think that after they die they will rise again so that they can live a life in pleasures forever, *without having to present themselves as a living, holy and pleasing offering to God, which is the true way to worship God ***(Romans 12:1)**. The way the religious world outside of King of Salem presents God's eternity, is not the promised land that God had foreseen for all. They obviously do not know God if they think that God will let them live eternally without previously knowing the only mediator between God and men, so that they can be born again of the spirit. I am the one who makes peace between the two nations in your mind so that you can be loved by God and be able to remain at home forever. With God's eternal love, I take away the reign from the older brother, that is the nation that would prophetically serve the younger brother. *It says that God told Rebekah, two nations are in your womb, (in your spiritual womb); two peoples are divided from your womb. One will be stronger than the other, and the older will serve the younger. And in this land, the promised land Christ Lisbet, in the mountains of Israel, the minds of the children of the free, Christ Lisbet, I will make them a single nation. They will all be under one king MelquisedecLisbet, and they will never again be two nations nor be divided into two kingdoms ***(Genesis 25:23; Ezekiel 37:22)**. And, when was that prophecy going to be fulfilled? If it is not now in the end times, the latter days when Christ has already returned a second time and has fulfilled that prophecy in herself. *I am the one who has published the decree that God the Father Melquisedec has told me: You are my Wife; I have engendered you today ***(Psalms 2:7)**. Those two who were engendered in my womb, *have been reconciled by me in my own body ***(Ephesians 2:14)** so that you no longer have to die, and are able to replace that destructible kingdom with a * kingdom that will remain forever, which is a life that no one can destroy, it is an indestructible kingdom in the mind ***(Hebrews 7:16)**. The prophet Daniel also spoke about that kingdom, let us look at what it says in:

Daniel 2:44

44 However, in those days the God of heaven will send a king who will reign forever, establishing a kingdom that will never be destroyed or dominated by any other nation, instead it will crush and will end every other kingdom, and it will last forever.

This is so that you can understand once and for all that my kingdom will last forever and nothing can defeat me, and it is because *I have died to all the deceitful desires of the carnal mind, I have stripped off that sinful body, that is the circumcision of Christ Lisbet not made by human hands ***(Romans 7:24, Colossians 2:11)**, something that no man on earth has been able to accomplish. So stop wishing evil upon me, because God the Father Melquisedec is the one who gave me this authority and he is with me forever, our kingdom will never be destroyed. What I can recommend to you is for you to believe in me so that you can live a life of peace and not a life with so much resentment and hatred, always fighting as if you were in a

war with the armed forces. Do you have the courage to give me the opportunity to help you, so you can find rest and stop growing old and start rejuvenating? I hope so, because if you let this life pass you by, you will never be seen again. The King Melquisedec and I will not rest until everything that I have said is fulfilled before everyone who has heard me, that is if they do not die. Because some of them have already died, so if the ones that still remain don't come back to me they are going to get sick and die. Remember that this is not what God wants. God MelquisedecLisbet and all their holy angels live in the promised land, along with all the japhethites who are now our adopted children. Do not deprive yourself of the wonderful things we live in our kingdom, we want to share them with you. But you have to forget about the great ones of the bible, because if the Great Abraham saw Melquisedec, and was blessed by God, which means that he knew Christ, because it is only through Christ that one comes to the Father Melquisedec, and also becomes blessed, because *it is only in Christ that one can be blessed ***(Ephesians 1:3)***. He had the honor of understanding what sowing and reaping was and he sowed the tithes of everything, so how is it possible that after all that, he would die? Well, because he became a foolish virgin, just as many have become today. The *prophet Nehemiah says that God helped the ancestors conquer kingdoms and nations and made their descendants as numerous as the stars of heaven and took them to the land that was promised to them. It says that they entered and took possession of the land. God subdued entire nations before them. Even the Canaanites, who inhabited that land, felt helpless! They conquered fortified cities and fertile lands. They seized houses full of good things, with wells that had already been dug and vineyards and olive groves, as well as fruit trees in abundance. So they ate until they were satisfied and were fattened and enjoyed all the blessings ***(Nehemiah 9:22-25)***. But the question is, if they inherited the promised land and possessed it, then why did they die? That is why Nehemiah continues saying in:

Nehemiah 9:26-31

26 But despite all this, they were disobedient and rebelled against you. They turned their backs on your Law, they killed your prophets who warned them to return to you, and they committed terrible blasphemies.

27 So you handed them over to their enemies, who made them suffer. But in their time of anguish they cried to you, and you heard them from heaven. In your great mercy, you sent them liberators who rescued them from their enemies.

28 But as soon as they were at peace, they would return to committing evil before your eyes, and once more you let their enemies conquer them. Yet whenever your people turned and cried to you again for help, you listened once more from heaven. In your wonderful mercy, you rescued them many times!

29 You warned them to return to your Law, but they became proud and obstinate and disobeyed your commands. They did not follow your regulations which gives life to those who obey. They stubbornly turned their backs on you and refused to listen.

30 In your love, you were patient with them for many years. You sent your Spirit, who warned them through the prophets. But even then, they wouldn't listen! So once again you allowed the peoples of the land to conquer them.
31 But in your great mercy, you did not destroy them completely or abandon them forever. What a gracious and merciful God you are!

This is the same thing that is happening today. Through you, our holy angels, those prophets and liberators, God is speaking to our people, including the disobedient ones, and also the foreigners so that they can experience our great power, and eternal love. We will not give up and in our eternal love and mercy we have the patience to wait for all the foolish virgins to return home, and also for all foreigners to let God dwell in them forever. None of the heroes of faith were able to remain in the promised land, which means that they did not remain in me. Even if you are born from my spiritual womb, if you do not remain attached to me and abandon me, you will suffer the consequences of your stumble. Because when it *says that it is "a dreadful thing to fall in the hands of the living God" ***(Hebrews 10:31)**, it is because *a horrible expectation of judgment comes to you ***(Hebrews 10:27)**. And if you are found guilty in my judgment, because the wicked will not go unpunished, then until you die, you will experience much suffering and all your fruit will be bad and you will die in a horrible way. And it is not that God wants that for them, but it's that when they hear my Word they do not want to accept it. They think I have no authority to speak, and that I am not a theologian to teach them anything about God. But who are they to argue with God?, if God does as He pleases. That is why it says in:

1 Corinthians 1:21-22
21 For since God, in their wise plan, arranged so that the world would not know them through human wisdom, God was pleased to save those who believe, through the foolishness of what was preached.

Christ Lisbet is the power and the wisdom of God. And what I speak about God may seem silly or somewhat weak to some people, but I assure you that it is much wiser than all the human intelligence; and stronger than all human strength ***(1 Corinthians 1:21-22)***. And this is the truth. *Although the people of this world think that you are foolish and unimportant because you believe Christ is woman, God chose you, so that those who think they are wise, understand that they know nothing. From the human point of view, or for the world outside of our beautiful family of faith, you seem weak, despicable and unimportant, but they do not know that my holy angels were chosen to understand God and that through you, those who think of themselves as very important may realize that they are not. This is how, God is showing, that in reality, those people are not worth anything, so that in the presence of God MelquisedecLisbet no one can boast. Because it is God the Father who has united you with me, Christ Lisbet, and He has also made me your

wisdom, your righteousness, your sanctification and your liberation ***(1 Corinthians 1:27-30)***. It is because of the stubbornness of men, *that the heart, the mind of these people has hardened, they are stiff-necked. Their ears are hard of hearing, they have closed their eyes, and though they are seeing God, they don't see me, and hearing God they don't hear me, nor do they understand me ***(Matthew 13:13-15)***. As if I were speaking in parables and that is not so, I speak words that are very easy to understand. Men are the ones who complicate the word of God, thinking that they are smarter or wiser than God. And when we say "these people" we mean the people who oppose in your mind, the older brother. Do not think it's a group of people, no, that people are in each one of you. And when Christ says these things is to warn you, so that you do not fail God. The topic **"Do not harden your hearts,"** was a warning for you to not do it, because you were hearing the Voice of God. Christ did not come to destroy you but to save you. And to be able to obtain eternal life in this lifetime, it is imperative that you have the knowledge that leads you to not perish, *for it is clear that the people that have known God have perished because they have lacked all the knowledge that comes from God ***(Isaiah 5:13)***, and that is why it is so important that you get to know the hidden wisdom of God. To know how God thinks, and what they expect from you in order to please them and therefore not die but instead obtain eternal life. Even though they were in the promised land, they saw it from afar, and when it says that they did not enter, it means that they could not enjoy the promises of God, because they lacked knowledge, and it was not because God had not given it to them, no, it was because they did not have complete trust in MelquisedecLisbet. And therefore they all died for their disbelief. And when I say "all", I am referring to Abraham, Isaac, Jacob, Moses, David, Solomon, and all the "quote unquote" great men of the bible, *the heroes of the faith, who having attained good testimony through faith, which was only for a certain time, because they did not receive the promise ***(Hebrews 11:39-40)***. While they remained united with Christ, they did well and through their faith, they experienced the power of God, but if they would have truly had the faith of Christ, they would have never died. If they would have listened carefully to the details and would have meditated in my law day and night, having Christ visible or not, I tell you the truth, their bodies would be alive right now. If they hadn't forgotten the words of Christ, and if they had loved as God loves, they would have never ceased to exist. But they all died for loving the darkness more than the Light and the Truth of God. *They all sinned and sin is not believing in me, the Christ sent by God ***(John 16:8-9)***. They all knew this very well. The pharaoh himself, who was in the mind of Moses, after saying that he did not know God MelquisedecLisbet and therefore did not have to obey them, later on, he admitted that he had sinned against Me and asked forgiveness for his sin. From whom did he learn what sin was and that he had committed sin, if the Bible doesn't say that Moses taught him that not believing in Christ was a sin? When the term "in the beginning" is mentioned, it is referring to the beginning of every time that God has tried to form or establish the spiritual world, their creation, in mortal men, but

those men have always been unfaithful and have failed us. But we know that this time, you are not going to fail us, and you will conquer over death just as I have conquered because you have the love, the power, and self-control to overcome death. If supposedly the heroes of the faith truly had faith, you cannot tell me that they did not reach the promised land. That would imply that God is a liar when God is truthful and does not lie. If you have the faith of the Christ that is present today, you will conquer, and that is a fact. How can God not fulfill what We have promised? God does fulfill their promises, but it is men who lose hope, they lose encouragement like Moses did, because he wanted to see revenge and supernatural things to be able to overcome his brother and enslave him. Instead of loving him as Christ teaches you to do. They all died for not believing in me, because it is written, that he who believes in me will not see death. They all died because they stopped believing in me, they only believed for a short time, but then they lost their patience and did not understand the eternity of God. Those are impatient men, implacable, they do not allow themselves to be tamed or girded, and that is why they all died. None of the nations in them were good. Both nations in them strayed from the path and therefore were destroyed. All of this is so that you may understand everything that happens in the minds of men who have heard God speak through His Wife, the Christ. This is not to condemn you, or to make you mad at me, but so that you may recognize that I am your spiritual Mother, and if you want to confirm if God exists, then do everything I say, and in this life, not after you die, but here, with your eyes you will see the promised land, God's great love and our holy angels face to face. Because we are in the nations, before you, speaking to you right now. Amen, Hallelujah! A big hug and see you soon.
