

THE RESURRECTION

Most loving and Sovereign Parents MelquisedecLisbet, we greet you with holy zeal, fear, and reverence. We are infinitely grateful to You for giving us the great honor of seeing You, listening to You and love You with the purity that we are reaching in this beautiful day of perfection that You give us, so we can live immortality.

Amen, Hallelujah to You, for dwelling in us to give us eternity. It is a privilege for us to be used in this beautiful new day with honor and glory, living the resurrection and reaching the immortal life.

We send You this beautiful writing that You put in our heart so that if it is Your goodwill and according to Your good purpose, it is shared with all Your holy angels in order for us to continue receiving more of Your Wisdom, which is the strength of Your power to continue being formed as Your holy angels, children of the resurrection. Amen, Hallelujah!

This writing is titled: **THE RESURRECTION.**

Today our beloved Parents explain a little more to us about the mystery of the resurrection of the dead, because it is necessary that we understand all the teaching well in order to better obey Their instructions and be resurrected as GOD the Father raised our Queen Christ Lisbet, to be Lady of the dead and of those who live. (**Romans 14:9**). For that, Christ Lisbet had to die, being God the Mother, She undressed Herself, that is, She shed Her Godliness, which is the beauty of Their Holiness, taking the form of a servant, made similar to men; and being in the condition of an earthly man, She humbled Herself, becoming obedient till death and death on a cross. (**Philippians 2:5-11**). She, as the first fruit as far as God is concerned, is the first to die a death on the cross, which is to overcome the carnal mind.

That is why it says in **Ephesians 4:17-32**, that we do not walk as the foolish walk, in the vanity of the carnal mind, having their understanding darkened, alienated from the life of God MelquisedecLisbet because of the ignorance that is in them, and because of the hardness of their heart; who, after having lost all sensibility to the Voice of God, gave themselves up to lasciviousness to commit with avidity all kinds of impurity. And neither they nor we have learned this way from Christ Lisbet, if in truth we have heard Her, and we have been taught by Her, according to the truth that is in Jesus, who is our Savior. Where She teaches us that in regard to the past way of living, we must get rid of the old man, who is contaminated according to deceitful desires, and be renewed in the spirit of our mind, and clothe ourselves with the new man, created according to God MelquisedecLisbet, in the justice and holiness of the truth.

She is the first to do it, and then She is resurrected according to the spiritual birth and today we enjoy all Her Power with Her, (**Romans 8:34**) because She is the Way, the Truth, and the Life, (**John 14:6**). That is why with Her wise words She takes us on the path of

immortality. She instructs us only with truth and gives us immortal life so that we may enjoy giving praise every second for eternity. For which it is absolutely necessary and obligatory that we all **RECEIVE AND ACCEPT THE CLEAN SLATE AND NEW ACCOUNT** that God gave us as a sign of love and mercy, (**Ephesians 4:32**). For They took us in as Their children, when we were mere mortals, full of iniquity and sin, to teach us to live a wonderful order, full of peace and love, truth and justice and thus take away the condition of death to give us a position of immortality.

Our spiritual Parents speak to us in multiple ways, with so much patience and so much love and today They remind us again of what They command of us in the letter to the Romans 6:13 where They tell us:

Romans 6:13

¹³ Do not let any part of your body become an instrument of evil to serve sin. Instead, surrender completely to God, because before you were dead but now have a new life. So use your entire body as an instrument to do what is right for the glory of God.

The holy commandment is **NOT TO LET ANY PART OF YOUR BODY BECOME AN INSTRUMENT OF EVIL**, this means that satan will look for the way to use all the members of the body to tempt us and make us fall in a death loop, to avoid our resurrection from happening. But we are well warned by Christ Lisbet and we know how to stop the arrows of the evil one, that is, we know how to take captive every thought to the obedience of Christ Lisbet and thus, teach satan who reigns in our mind forever.

Our Parents not only warn us but also instruct us with the commandment, They tell us: **GIVE YOURSELF COMPLETELY TO GOD**, that is, our whole being must be consecrated to God, spirit, soul, and body and They clearly show us the valuable reason why we must obey: **BECAUSE BEFORE WE WERE DEAD BUT NOW WE HAVE A NEW LIFE.**

When we receive and accept God's word of life, an indestructible and incorruptible power enters us that changes the human condition in celestial beings. (**Psalms 145:3, Romans 1:20**). But we must consider this change to be the greatest of all gifts, the greatest reward, that is why we appreciate God's word so much and obey by doing our best to defeat satan and prove to the enemy that we have the greatest Power in our minds and we use it in the correct way, so as not to obey sin anymore, (**Galatians 6:9**). For this, our Parents give us a wonderful training of love where we learn to use the Power well and see Their glory reflected in us. Thus we prove to ourselves and to the rest of the world what the glory of God MelquisedecLisbet is. (**John 1:14**).

Our Parents speak to us very clearly and in great detail so that we can learn excellence and They teach us to use **EVERY MEMBER OF OUR BODY AS AN INSTRUMENT TO DO WHAT IS CORRECT FOR THE GLORY OF GOD.**

OUR Parents have told us that one is a slave to whatever dominates him, if we obey the devil we are slaves of death, but if we obey God then we are no longer slaves, but sons and daughters of the Most High God.

Our Parents tell us in the letter to Romans 6:16:

Romans 6:16

16 Don't you realize that you become a slave to everything you choose to obey? ONE CAN BE A SLAVE OF SIN, WHICH LEADS TO DEATH or can decide to OBEY GOD, WHICH LEADS TO AN HONORABLE LIFE.

So then, we decide if we want to die or want to live, depending on how much we appreciate life, for the life that God MelquisedecLisbet offers us is a life full of Peace, Prosperity, Health, Wellness and eternal Joy. It cannot be compared with the life of mortals that is full of the afflictions of death and our Parents have taken us out of that world of darkness to grant us a better life in abundance. **(John 10:10).**

EACH ONE OF US DECIDES IF HE SHALL USE HIS BODY TO PLEASE GOD OR GIVE IT TO SATAN AND LOSE THE REWARD.

The simple mortals are full of gods of evil, which are of the devil's kind and every creature that obeys his evil desires and deceptive proposals, becomes an enemy of God. **(James 4:4).**
THERE ARE MANY GODS OR AFFLICTIONS OF DEATH.

With reverent fear we are going to enumerate some so we may identify them well, in order to destroy them immediately and that way, we who love the truth, shall be resurrected; for as long as these gods are in the mind, there is no resurrection; the idea is that we make a reflection on a personal basis, without looking or belittling anyone. **(Romans 14:13).**

Beloved brothers, if we analyze well we may find out that we are being very comfortable with some of them, so comfortable, that we do not even realize that they are in our mind making havoc and embarrassing us.

LET'S IDENTIFY THE HOSTILITY TOWARDS GOD MELQUISEDECLIBET:

Anger or bad temper, laziness, sadness, fear of anything, disease, pain, lasciviousness, concupiscence; jealousy, fights, strife, gluttony, adultery, fornication, witchcraft, religious beliefs of men, arguments; arrogance, pride, eagerness, acting impolite, like not saying hello and goodbye or please and thank you, being late, leaving a meeting without notifying or saying goodbye knowing that you can do it, acting with imprudence, contempt, being ungrateful, superiority or inferiority complexes, having a buddy to criticize or mistreat, bad conversations, bad words, scolding, frightening, making decisions without first consulting with our Parents, abusing the goodwill or affection of other people, complaining, shouting, trickery, mockery, being vain, conceited, lucid, love of money, being shy, vulgarity, speaking with double meanings, making jokes in bad taste, seeing or looking at things as dishonest or impure, pampering, act as if you can only be maintained, not working if you can, being disorganized, being dirty or smelly, acting disattentive, wishing badly upon others, speaking ill of others, imposing your will on others, pretending to correct with offenses, revenge or desire to take revenge, dishonesty, wanting to take advantage of others, envy, homicides, drunkenness, smoking, drug addiction, orgies, being stingy, acting impolite, greed, looking with impure eyes, stealing, outrage, questioning or answering with a loud

voice, humiliating others, resentment, not forgiving, threatening, occupying the time to congregate in the King of Salem with other matters, NOT giving the full tithe or tithing whenever you want and not as you should, and all the bad habits that arise or are being practiced; **FOR THOSE WHO PRACTICE SUCH THINGS WILL NOT INHERIT THE KINGDOM OF GOD.**

It is also important to note that even if we do not do these things but if we long for them or wish upon them, consenting or caressing them in the mind, is an unclean action. Because Christ Lisbet tells us that anyone who looks at a woman to lust for her has already committed adultery with her in his heart (**Matthew 5:28**), referring to the carnal mind with its deceitful desires. Because the behavior of the adulterous woman, who conducts herself according to the carnal mind, is like so: Eats, and cleans her mouth and says: I have not done any wrong. (**Proverbs 30:20**). And this is a serious thing because we do not want to be wrapped up in the deception of the harlot, that strange woman, who is against the Holiness of God.

The idea of enumerating other gods is to help us identify everything we must destroy because the order is not to continue living according to our past way of life (**Ephesians 4:22**), but accepting the clean slate and new account and begin a new life according to the order of God MelquisedecLisbet. Because we who are spiritual live thinking in the things of the Spirit and we are occupied in constantly and firmly growing in the work of the Lord, Christ Lisbet and we greatly enjoy obeying Her good teaching. (**Colossians 3:13, Romans 8:5, 1 Corinthians 15:58, Psalms 40:8**).

Today **Galatians 6:14** is fulfilled in us:

¹⁴ far be it from me to boast, but on the cross of our Lord Jesus Christ, through whom the world is crucified to me, and I to the world. Amen, Hallelujah.

Our Parents guide us with great love and mercy so that we may achieve immortality. MelquisedecLisbet have promised us and with certainty, we say what it says in:

Psalms 48:14

¹⁴ This is our God! Our God is an eternal God who will always guide our life!

Our Parents' promise is very great and beautiful, it is to make us Their holy angels through Their Holy Word, Christ Lisbet, so that we can destroy other gods and reach the resurrection of the spirit, and thus have eternal life.

In **Luke 20:36** our Parents tell us:

³⁶ for they can not die anymore, because they are like angels, and are children of God, being sons of the resurrection.

Today we have the honor of walking in obedience because **our great desire is to let ourselves be taught by Christ Lisbet so we may count our days in such a way that we bring Wisdom to the heart. (Psalms 90:12).**

We are not going to allow to dirty the sacred clothing of our Mother, lending a member of our body to satan, because we are not ministers of satan and for no reason we lend neither the mind, nor the eyes, nor the mouth, nor the ears, nor the hands, or feet, or anything of us; our mind and body are sacred, we are Christ Lisbet's ministers of fire and we only do Her beautiful will. (**Psalms 103:21**)

AMEN, HALLELUJAH!
