

## **THE FLESH PROFITS NOTHING**

Greetings to all the *blessed ones who today are called children of the living God MelquisedecLisbet*, and it is because we have promised that those who are peacemakers would be called our children. (**Matthew 5:9**). And a peacemaker is one who always establishes peace, first in their mind and consequently in every conversation or situation of their daily life, with all the people with whom they have contact. A peacemaker who is a child of ours, knows that they should never use carnal weapons to overcome, such as anger, machination, being strongly annoyed, screaming, making unjust accusations, sadness, lying, being inconsiderate, not wanting to put themselves in the place of others to be able to sympathize with them, because those weapons are useless against the flesh and will only cause you more problems, instead of victory. One who is a peacemaker is not arrogant, haughty, nor proud, they are noble to ask for forgiveness and therefore able to fix any situation, always resolving things in peace. Showing that they <sup>14</sup> stand firm with their loins girded with the truth and are clothed with the shield of righteousness, <sup>15</sup> always prepared, wearing the shoes of the gospel of peace. (**Ephesians 6:14-15**). Amen, Hallelujah!

In today's topic titled, "**THE FLESH PROFITS NOTHING**", I will show you once again that what is written in the Bible could never have happened literally and it is precisely because the flesh profits nothing. For that simple reason, God would never ask men to use their carnal efforts to conquer anything. And the journey through the desert was in the minds of men and not something that happened literally. People really believe that thousands of people walked through the desert with their children, their animals and their belongings, sleeping in tents, and that quail and bread fell from the sky for them to eat, and that men fought in cold blood as in a battle, against other peoples to conquer their lands; and that is absurd.

We were one of those people who used to think that way, and it's funny and silly to think that their clothes and shoes did not wear out and grew with them as the years passed.

Let's see those verses so we can explain what those figures really mean, in:

### **Deuteronomy 29:3-5**

**<sup>3</sup> *With their own eyes, they saw those great demonstrations, signs, and wonders.***

We have already explained in other topics that those things that they saw were not mystical because if those men had seen such things, they would've never rebelled against God.

**<sup>4</sup> *But to this day the Lord has not given them a mind to understand, nor eyes to see, nor ears to hear.***

Now you see why it has nothing to do with seeing supernatural things, because we just read that "*With their own eyes, they saw those great demonstrations, signs, and wonders*", and now this verse says, "*But to this day the Lord has not given them a mind to understand, nor eyes to see, nor ears to hear.*" This simply means that today we still see how many people believe in those things that are written as if they really happened and that is why they have not been able to understand, see nor hear God, who is speaking today and who has always

been present revealing Their mysteries through a Woman, the Christ. And for believing in supernatural things that did not really happen that way, these mortal men expect God to send a man with supernatural powers doing things like that to be able to believe, since they think that Moses had supernatural powers, and that is a big lie. He was disobedient to God and therefore could not enjoy the promised land and died like any other empty mortal.

***<sup>5</sup> During the forty years that I led you through the desert, your clothes and your shoes did not wear out.***

It is important that you understand that it was Moses and not God who said that for “*forty years he made them walk through the desert*”. It does not say that the Rock, which is Christ, led them through the desert, but that She followed them, trying to help them, as I am doing today with all my messages, trying to save all those who are wandering in their minds. Oh and that desert is not one of sand, **walking through the desert means that they were wandering in the carnal mind because of their disobedience to God** and that is why Moses and his followers never got to enjoy the benefits of the promised land. The same thing has happened to many foolish ones today.

**The meaning of their clothes and shoes not wearing out is that they continued in their stubbornness and did not obey God so that their vile and dirty garments would be changed.** In other words, they did not want *the outer man to wear out, so that the inner man could be renewed each day.* (**2 Corinthians 4:16**) And as I explained to you in the topic: “STRIVE TO ENTER THROUGH THE NARROW DOOR”, “**That outer man which is wearing away is the earthly man, and only if you live according to the spiritual man will that carnal mind wear away, and will not torment you anymore.**” This is the only way you will please God, because it means that you have defeated your enemies in the mind, as God has taught you and not by your own account with human judgment, because it serves no purpose in overcoming and it does not please God. *That is why we cannot sow for the flesh because whoever sows for the flesh reaps corruption. If you follow your evil desires, you will die forever; but if you obey the Holy Spirit who speaks today, you will have eternal life.* (**Galatians 6:8**). Because what pleases God the Father *is that you let Christ Lisbet dress you of incorruption and immortality* (**1 Corinthians 15:53-54**), so that you may be a true worshiper of God. How beautiful, Hallelujah!

When Moses went up to the mountain of God and was before the burning bush, he was told to take off his shoes because the place where he was, is holy ground, which is to be in the presence of Christ herself. Like today, you are all in the presence of Christ, who is the burning bush, the high mountain of God. It is not a physical place, that holy land is the mind of Christ, because it is She who knows how to live a holy life and leads you to live the holiness of God in order to reach God the Father, who can only be seen if you are holy and without blemish. Now, when Joshua, who is a figure of the Christ, was told to take off his shoes because the place where he stood was holy ground, he was obedient and did it (**Exodus 3:5; Joshua 5:15**), and that is why he was able to enter the promised land, but Moses did not enter because he was not obedient and remained with the same dirty clothes.

It says in **Joshua 5:6**, that *the children of Israel walked through the desert forty years, until all the men of war that came out of Egypt were consumed, because they did not obey the LORD'S VOICE; and Jehovah swore to not let them see the land that God had sworn to their fathers, the land where milk and honey flow.* These men of war were bullies and fools who took justice into their own hands and did not conquer because they did not obey God the Father, who had sent His Christ to them, the Rock that followed them in the desert or the wilderness of their minds, when She is the only one who could teach them to defeat the enemies that rose against them, in their minds. That is why they could never enjoy this land, the virtuous Woman and helpmate, the Christ from whose mouth flow honey and milk, which is the wisdom of God that man needs to overcome death.

If it were true that God sent them to fight in a physical battle to be able to conquer their enemies, why, after centuries of fighting for Israel, would Jehovah allow the enemy nations to conquer them? The twelve tribes were defeated by the Assyrians and by the Babylonians, because of their disobedience and sin against Jehovah. But those were the enemies in their mind. And if they died having God on their side fighting for them, it is because they simply did not understand the importance of obeying Jehovah in detail and allowed themselves to be defeated by the enemy. It says that *God fought for the Israelites, and even then they were conquered by the enemy.* It's obvious that something here does not sound right. (**Joshua 10:14**). And this cannot be taken as a physical battle; they were defeated for not fighting the good fight of faith; in order to obtain the eternal life to which they had been called, doing everything possible to be good disciples of Jesus Christ, and receive the reward of eternal life. God MelquisedecLisbet called you and We have promised you that life, as long as your trust is in Us. (**1 Timothy 6:12**). God never changes, and back then we tried to save men in the same way as we are doing today.

Those battles mentioned in the bible are spiritual and not physical, that's why there are so many wars and so much violence going on today, because people really think that it is God who approves and sends men to fight, when that is totally false and it's obvious that they truly don't know God, because *we do not fight against enemies of flesh and blood, but against evil governors and authorities of the invisible world, against powerful forces of this dark world and against evil spirits of the heavenly places.* (**Ephesians 6:12**). All these are the evil and perverse thoughts that arise in your mind to destroy you, be it anger, depression, fear, machinations, pride, etc...etc...etc... because there are many forces of the earthly mind. And only I can teach you to overcome them with the principle of Wisdom, which is to fear God. If you truly respect the living God who have proven to be alive and very powerful, then you would not dare trust, nor pay attention to those evil thoughts, because your reverence is towards God and you know how zealous we are in taking care of you.

*If our weapons are the weapons that God have given us, then they are not carnal.* <sup>3</sup> *We are human, but we do not fight as humans do.* <sup>4</sup> *We do not use weapons of the world, we use Gods powerful weapons to tear down the strongholds of human reasoning and to destroy false arguments.* <sup>5</sup> *We destroy every obstacle of arrogance that prevents people from knowing God.* *We capture rebellious thoughts and teach people to obey Christ;* <sup>6</sup> *and once you become fully*

*obedient, we will punish everyone who remains in disobedience. (2 Corinthians 10:3-6).* It is against all the rebellious thoughts that we fight and with the weapons that God MelquisedecLisbet have given us.

After Moses died, Joshua's vile clothes are removed from him, since it was Satan who was at his right side, and he was told, "Take off your vile clothes" and when you overcome you will reach the promised land and that is why they reached it. But first, he was dressed in new clothing. This is overwhelming proof that the clothes that were worn during the 40 years with Moses, were dirty clothes in the eyes of God.

It says in **Zechariah**, chapter **three**, that *Joshua, the high priest, had Satan at his right hand as an accuser. And "the angel of the Lord said to Satan: May the Lord who has chosen Jerusalem, subdue you! Is this not a bunt rescued from the fire?" (Zechariah 3:1-10).* This means that Joshua had the commandments of Moses in his mind, and those vile and dirty clothes had to be removed so that Satan could no longer accuse him. The same thing happened with all those who came from the dispensation of the antichrist, so that Satan would stop accusing us because of our many bad thoughts and behaviors of the past, since we did not know how to discern between good and bad and gave in to every thought.

That is when God asks us to accept the clean slate and new account and be dressed in clean and whitened clothes, and I was the first one clothed in order to subdue Satan. I am the one who has rebuked Satan and all his false teachings that caused the Heavenly Jerusalem to put on vile clothes in the last dispensation. And a bunt is a stick or piece of wood half burned. I am a bunt, the burning bush that is not consumed by the Lords fire. I am the first mortal who has conquered death with the Wisdom of God and now I am immortal. That is what I do with all those who believe in me and do not want to die, but want to live eternally being true witnesses of Gods power and fulfilled promises.

Joshua was in dirty clothes when standing before God, as I was dressed in dirty clothes, standing before God the Father Melquisedec and He took off my dirty/vile clothes! And said to me: As you can see, I've overlooked your guilt, and now I'm going to dress you in splendid clothes. Remember *that the one who knew no sin, because I have always believed that God the Father is Melquisedec and that I am His Christ, for your sake, was made sin, counted among sinners so that all who remained attached to Me would be made righteousness of God. (2 Corinthians 5:21; Isaia 53:12).*

*I did it to be able to have mercy on all of you and that is because you do not have a high priestess unable to sympathize with your weaknesses, but one who has been tempted in everything, in the same way as you, but without sin. (Hebrews 4:15).* And that is why I am the firstfruit of salvation, I am the head of the body, which is the church. *I am the beginning of a new life, the firstborn of the resurrection, because it has to be fulfilled that Christ is the first in the entire spiritual world. (Colossians 1:18) Amen.*

Like Joshua, I was dressed in new clothes and a clean tiara was placed on my head. A tiara is an ornamental band adorned with jewelry that is worn on the front of a woman's hair. This means that *everyone who belongs to Christ Lisbet has become a new person. The old life has passed and a new life has begun! Because all things are made new. (2 Corinthians 5:17). Through the power of the Holy Spirit, Christ Lisbet, you are saved, purified of all your sins and given a new life. It's as if you were born again! (Titus 3:5)* That's so beautiful!

Joshua was cautioned, "If you walk in My ways and serve Me as a priest, then you will rule my temple, my house, and you will take control of my atriums. This is a figure of God the Father promising His Christ that She will be high priestess forever in His order, once She has fulfilled this in Herself and in Her descendants. Listen, Joshua, high priest, and let your companions who sit in your presence hear this, those who are a good omen (which means they will be a good sign in My manifestation): I am about to bring forth the new Branch. "I am the NEW BRANCH: and that means an action and result of renewing oneself and others. And only I can *teach you to renew your mind by clothing your corruptible and mortal mind of incorruption and immortality. (1 Corinthians 15:53)* With my wisdom I <sup>24</sup> *dress you with the new nature created in the image and likeness of God MelquisedecLisbet which is distinguished by a pure and righteous life, based on the truth of God. (Ephesians 4:24)*

That's why it says in:

**Zechariah 6:12-13**

***12 And you shall say to Joshua from the Lord Almighty, "This is She whose name is New Branch, for She will bring forth new sprouts from Her roots and will rebuild the temple of the Lord.***

***13 She will rebuild the temple of the Lord, She will be dressed in majesty and will sit down to rule on Her throne. Also a priest will sit on His own throne, and there will be harmony between Them."***

*These two high priests are MelquisedecLisbet, the only two in one who live forever and bring justice and peace to mankind. (Psalms 110:4, Hebrews 5: 6,10, 6:20, 7: 11,17,21).*

Joshua is also told, "Look at the Rock that I have set before you. There are seven eyes in her, those seven eyes are always closely observing *the seven things that my soul abhors, (Proverbs 6: 16-19)* so that they will never take a position in the mind. And in Her I will put an inscription. 'In a single day I will erase the sin of this land!' says the Lord Almighty. That is the clean slate and new account that no one else has brought until now when the Rock of the Lord, Christ Lisbet is present. It says that on the day that this is fulfilled, each of you will invite your neighbor to sit under Gods vine, the True Vine and Their fig tree, says the Lord Almighty." God the Father would receive much fruit that His True Vine Christ Lisbet would produce and Christ would be able to eat from the fig tree because it would no longer be dry. Hallelujah! Everything is fulfilled in My Kingdom and no one can say that it is not so. Amen!

If it says in **John 6:63**, *that the flesh profits nothing and that it could never attain eternal life, then there must be a way of living that pleases God*, because otherwise, no human being could please God and believing in God would be in vain. That is why Christ Lisbet is the one who teaches you to live in the way that pleases God. And when you listen to my Word and you receive it in your life, you will understand that I am the Lord, your God MelquisedecLisbet, who frees you from the bondage of your carnal mind. Amen, Hallelujah!

We love you forever and as always, see you soon.
