

### **CREATED IN THE IMAGE AND LIKENESS OF MELQUISEDECLISBET**

Beloved Parents, on this precious day of joy, peace, and love, we greet You with much gratitude and love.

Beloved Parents, it is with reverent fear that I send You this writing that You have put in my mind, and I do it with much love and respect for the righteous and holy people of MelquisedecLisbet.

### **CREATED IN THE IMAGE AND LIKENESS OF MELQUISEDECLISBET**

What a powerful phrase, "in the image and likeness". It contains a great meaning that we must apply to all areas of our life.

Let's start by seeing how God MelquisedecLisbet are according to what we have seen and heard from our Mother Lisbet. They are faithful, sincere, pure, true, honest, correct and fair in everything They do. They are respectful, loving and very patient.

Now let's see what it says in:

#### **Genesis 1:26**

***<sup>26</sup> Then God said: Let us make man in our image, according to our likeness; and have dominion over the fish of the sea, in the birds of the heavens, in the beasts, in all the earth, and in every animal that creeps on the earth.***

As the Angel of the book, Christ Lisbet has explained to us that all this happens in our mind. That is where we rule over all things that want to rise up against the knowledge or the character of God in us.

Christ Lisbet teaches us to rule over all things in the mind, and once this happens, it changes our way of being. And for having changed our way of thinking, we begin to see life from the standpoint of God MelquisedecLisbet. Once our way of thinking has changed, we change the way we act and by changing the way we act, everything we didn't tolerate before, no longer affects us, we no longer give it importance, it is as if we lived in a different world and life.

Our life takes a huge turn and we learn to live in peace and at rest, having patience and love with ourselves and with others. We become more and more respectful, honest, pure, sincere, correct, faithful and just. Just as MelquisedecLisbet are.

We were created through the eternal love between MelquisedecLisbet and Love is the most beautiful feeling that exists and it has no end.

Let's see how it is, to be in the image and likeness of MelquisedecLisbet from the point of view of head and body. MelquisedecLisbet are two in one, head and body, one being. Where there is no division between the two, only mutual agreement all the time.

But what does this mean for us, your children, how can we become two in one with our partner?

### **1 Peter 2:9**

***<sup>9</sup> But you are a chosen generation, a royal priesthood, a holy nation, a people purchased by God, that you may announce the VIRTUES OF THEM WHO called you out of darkness into Their marvelous light.***

How beautiful it is to know that we are of the lineage of God, a holy nation and that we were acquired by God. They want us to announce Their virtues and one of those virtues is to be two in one, Head and Body.

To be Head and Body according to the image and likeness of MelquisedecLisbet is to be patient, submissive, respectful, loving, and trustworthy with one another. It is being best friends and being perfectly spiritually united, as our Parents are.

Christ Lisbet as our example to follow, completely trusts in our Father Melquisedec, in everything. With so much patience She always waits for His instructions, She is submitted to Him in everything because He respects her, cares for Her and loves Her so much, that She would never do anything that makes Him feel bad. They are best friends and they share everything. He made all this beautiful world for His beloved Wife, He created everything because of Her and for Her.

Their love is eternal, They love each other from eternity to eternity. The reason for that pure love is because He knows how faithful She is to Him, He knows how much She loves Him, that She prefers to sacrifice Herself in order to do His will, and only She, as His Wife, knows what His will is.

The unity between the two is such that each one is occupied with making the other feel loved and respected at all times. They always give each other glory. Christ Lisbet testifies that Melquisedec lives and She follows all of His instructions. Melquisedec bears witness to the power of Christ Lisbet in granting our petitions when we ask in Her name. They both think, act and speak the same way. Therefore, to see Christ Lisbet is to see the Father Melquisedec, They are one and the same being.

Our Mother has told us how She does not allow anyone to disrespect Her beloved Husband. Melquisedec as Her protective giant defends Her at all times. Just as two people who are best friends do and they love each other so much that there is nothing and no one who can stand between that pure and true love.

The question is, do we do the same? Are we able to live that way, trusting each other fully, knowing that the other would not say or do something without it being the best for both,

always taking into account the welfare of the other? Because when you love how our Parents love each other and love us, one always seeks to do well every day so that the other person is always content. This is how there will never be fights between the two. Because they always take care of doing everything that pleases the other person. Whoever does that is like God MelquisedecLisbet and takes their time to scrutinize their neighbor well, so they may know them well in detail and that way always please them. Amen.

MelquisedecLisbet submit to one another, Lisbet is always humble, faithful, patient and follows the instructions of Her beloved Husband. The delight of Melquisedec is to please His Wife for being a virtuous Woman. They do not control each other, in the aspect of always telling one another what to do as a mandate. They do not disrespect each other, but They take care of each other and protect each other, They show Their love in every word They say and in everything They do. They always try to please each other in everything because They know each other so well, that They know what each one likes.

Being Head and Body is not simply referring to you as HeadBody (each one using their respective name). **It is not to just say we are two in one like MelquisedecLisbet. It is really to BE PERFECT LIKE MelquisedecLisbet, living the perfect order as our spiritual Parents do.**

The head and the body cannot be constantly in disagreement or talking loudly and disrespecting each other. We cannot make excuses saying that we are waiting and trusting that the other person will change. No, you have to make the change. If you are a Head, give the example as head of the home that you are and if you are a Body, give the example of a suitable helpmate and a virtuous woman that you are. Do not expect the other person to do it or think it is up to him or her to change or correct themselves. Each one of us must try to reach the stature of the perfect man, Christ Lisbet. And for a woman in love as our Mother is with our Father, it pleases Her to live subjected to Her Head, because He is excellent in His treatment and care towards Her, and vice versa.

When our Parents tell us to not speak ill of anyone, that includes your partner. Do not put them in bad vibe with anyone, or complain about them, but instead help them on the road with patience and love as Christ Lisbet teaches us.

In this Kingdom there is nothing mystical, or do you think that MelquisedecLisbet will move a magic wand to fix everything for you? Our Mother has given each of us the same weapons that She has used to overcome the carnal mind, so we can be cleansed of all contamination. So it is up to us to pay attention to the details and to use the armor of Christ Lisbet in the right way to overcome like She does.

What do I mean by this? That everything takes time, no one changes overnight, we have to adapt to this new way of life, leaving behind the bad habits (customs) of the past way of living and start living in excellence and perfection. Thinking before we speak or act, so we can make sure we are thinking of our partner rather than ourselves. Because that is the only way we can live as MelquisedecLisbet do. It is not just about thinking or saying that we

want to live a union like They do but striving to overcome whatever prevents us from living in that perfection and unity.

MelquisedecLisbet say that we are Their firstfruits and open letters and that we must give testimony of how we have been cleansed by the living God. Then allow Christ Lisbet to form Her perfection in you, in your mind, so that Her purity is reflected in your way of being. **Yes, we can become perfect!**

It is achieved by the word of Christ Lisbet as it says in:

**Psalms 19:7-8**

***The law of God MelquisedecLisbet is perfect, and gives us new life. Their mandates are trustworthy, They give wisdom to young people. The standards of God MelquisedecLisbet are upright and gladden the heart. Their commandments are pure and give us wisdom.***

**Proverbs 2:21**

***For the upright will inhabit the earth, and the PERFECT ones will remain in it.***

If you already have your head or your body, take care of them, respect them and show them your love with good actions that are worthy to imitate. Try to follow the example of our Mother so that you can do well in everything. It does not matter if they do not congregate in the King of Salem or if they have not yet believed in Christ Lisbet. Your good proceeding, acting, and speaking in the order will give them the testimony of the cleanliness that Christ Lisbet has brought to your life. Be patient and wait, because the work that God begins, They will complete. Remember that it **is by the Faith that works for Love and that when you are Patient, Wonders happen.**

If you do not have your head or your body, then do not think it will be like a fairy tale when that person comes into your life, because there is always a time to adapt. However, that unity can be reached more easily if both are considerate of one another before their own selves and if we put on the armaments of God so that everything can become easy and light.

It is not good to treat this as a game, thinking today yes and tomorrow no. In other words, today I believe that you are my head or my body, but not tomorrow. Our Parents teach us to do everything patiently and calmly, to make good and wise decisions, without rushing. It is best to wait patiently and make a good decision than to hurry and then regret the decision we've made. Always keep in mind that They know what is best for us and They place the will and the way in each of Their children, but at the precise moment. As Christ Lisbet has told us: "If you want something, ask the Father in my name, and if there is justice in your request, it shall be done".

They grant all our good wishes, in Their time, not in ours, because it is necessary to learn to exercise ourselves with patience so that Christ can be formed in us. But do not worry because MelquisedecLisbet want all of Their children to be happy for an eternity.

All of Their children have been formed to the IMAGE and LIKENESS of MelquisedecLisbet, we have all been given WISDOM. **Therefore, we all have what it takes to be able to become two in one, head and body according to the perfect Order of MelquisedecLisbet.** In perfect unity, loving each other, respecting each other so that we may be submitted to each other.

It is so beautiful to listen to the testimonies of Their open letters, our brothers who are head and body and express themselves with so much love and affection towards one another. How they take care of each other with love, respect, and helping one another to walk like two in one.

Beloved brother, it can be achieved. In this aspect, we can also be the Image and Likeness of MelquisedecLisbet.

When our spiritual Parents say that we are Their open letters, it is in every respect. The family is of the utmost importance, it is what makes up the society. It is important that wherever we may be, we are that living testimony of the miracles that Christ Lisbet does in the lives of Her children. She teaches and educates us with so much love and patience so that we can be light in this world of darkness. The family unity is very important; respect and love between the couple first and then it extends to the children so that they have a good example to follow.

Let's reflect that example of perfection with our partner and with our children so that our environment can change. When our friends, family, colleagues or neighbors see that beautiful Order in our relationship and family, they will want the same. That is where we can tell everyone how we've achieved it and who gave us the example to follow.

Our Parents tell us:

**Proverbs 3:21-24**

***My son, do not lose sight of these things; keep the law and the counsel, so they will be life to your soul, and grace to your neck. Then you will walk your way confidently, and your foot will not stumble. When you lie down, you will not be afraid, you will lie down and your sleep will be pleasant.***

All honor and all glory forever to you, MelquisedecLisbet who put all our paths in order and lead us to live every day in a more excellent glory!

AMEN, HALLELUJAH!
