

HOW TO ASK OUR FATHER GOD IN THE CORRECT WAY

Parents MelquisedecLisbet, our God who is Sovereign, Merciful, Holy and Righteous, it is an honor to greet You and to thank You for all Your majesty in giving us to eat the bread of life. For giving us the opportunity to receive and accept the much-desired transformation. It is the greatest and most valuable gift we can receive, it is so perfect that to reach it, is an achievement of love that only You and God the Father can give us. Amen, Hallelujah to You, for dwelling in us forever, because today we have the privilege of being in the womb of our Mother Goddess, Christ Lisbet learning to die to the desires of the carnal mind, because to be born again it is necessary to die first and we are dying in the right way, now we are one with you. What a great privilege. Amen, Hallelujah!

Beloved Parents, we are in the time of fulfillment, therefore, everything comes true, and this is so that there is no doubt that Christ Lisbet does speak the truth with absolute certainty.

It is written as a revealing prophecy that God MelquisedecLisbet would give Their thoughts to righteous scribes to perfect the course of Their obedient children and they would rejoice with Your teaching and would praise the great name of God, but also, at the same time, some rebellious children would be upset for this fact and would dishonor God.

Let's read the evidence in:

Matthew 21:15-16

¹⁵ But the chief priests and the false scribes, SEEING THE WONDERS THAT CHRIST LISBET DID, AND THE HOLY ANGELS CHEERING IN THE TEMPLE AND SAYING: HOSANNA TO THE SON OF DAVID! They were offended,

¹⁶and said to Her: Don't you hear what they are saying? AND CHRIST LISBET says to them: Yes; have you not read, that God perfected the praise from the mouths of children and those who breastfeed?

Remember that the chief priests and the lying scribes are figures of all the foolish ones who try to change the truth they have seen today, and these people were offended because the holy angels of Christ Lisbet encourage everyone saying: **"HOSANNA TO THE WIFE OF GOD!"** and not to the son of David, that is another lie that Christ Lisbet clarifies today.

This is written today to help some unbelievers, so that by the mercy of God, MelquisedecLisbet, they may repent of their evil ways.

The word 'children' in the spiritual concept, does not refer to children as such, **the word 'children' means that they are sons and daughters who are walking in purity, in obedience and given in, to love,** and when it says: **'of those who breastfeed', it means that these sons and daughters are attached to the True Vine and do not take their eyes off of their beautiful Mother** because the Kingdom of God is of those who are like these children. (**Matthew 19:14**). It is a great honor for us to be Your children and be used with excellence to help establish the spiritual strength in our minds so that we can all

overcome the enemy and make him our friend. (**Psalm 8: 2, Matthew 11:25, Psalm 37:21, Proverbs 15:28**).

Loving Parents MelquisedecLisbet, thank you infinitely for sprouting in us Your justice with Your beautiful judgment because we are aware of the spiritual need. (**Matthew 5:3**)

With love and respect, we send You this writing that is full of Your beautiful wisdom so that with good determination we continue to grow in the unity of the Spirit until we reach all Your beauty and be born as the dawn of each day is born, full of Light. This document is titled: **HOW TO ASK OUR FATHER GOD IN THE CORRECT WAY**

Our Parents promised us in:

John 14:13

¹³And whatever you ask of the Father in my name, this I will do, so that the Father may be glorified in the Mother.

And in:

John 14:14

¹⁴If you ask me anything in my name, I, Christ Lisbet, will do it.

Today we testify with all truth that this promise is completely fulfilled in us and we are so joyful to have the privilege of knowing how to ask, because we know the thoughts of our Parents and do according to Their holy will.

In **1 John 5:14** our Parents instruct us:

¹⁴And this is the confidence we have before God, that if we ask anything according to Their will, They hear us.

Our Parents grant us what we ask, to prove to us that They are THE ONLY God that must dwell in our mind and once we have verified this beautiful truth, They demand fidelity so that everything we continue to ask for will surely be granted to us.

That is why in **John 15:7** they reaffirm saying:

⁷If you abide in me and my words remain in you, ask whatever you want and it will be done to you.

To be faithful is to receive and accept the clean slate that our Parents have given us; it is to begin thinking, speaking and acting according to the order we are learning, being totally faithful in what we are understanding (**Luke 19:17, Luke 16:10**), and to be perfected as we understand our Parents' teachings better. If in our mind we only give place to the divine wisdom so that we may be able to undertake all the projects, studies and all the activities of our day to day, we will have all the certainty and all the confidence that we will act as it is correct, in all honesty, respect, transparency, sincerity and in a good mood to serve and show that our temple is a temple of holiness and with this confidence we invoke the sacred and powerful name of our spiritual Parents, to have Their full support and thus our Parents MelquisedecLisbet are glorified in us, because we sanctify Their holy name. This is very

important that we, as Their holy angels, always keep this in mind because we exist and we move in God, MelquisedecLisbet and not in any other way. Everything we do is to Their liking, Their honor, and Their praise.

They tell us in:

1 Corinthians 1:2

²to the church of God that is in Corinth, TO THOSE WHO HAVE BEEN SANCTIFIED IN CHRIST LISBET, called to be saints, with all those who at all times invoke the name of our Christ Lisbet, their {Mother} and ours.

It is very clear that invoking the name of our spiritual Parents, it is done with spiritual responsibility because we must obey the commandments that make us holy. But he who invokes Their holy name and does not understand or does not want to understand that God is God of the just and not of simple hearers who hear the message and even say "how tremendous!" but they continue to live a dissolute, dirty, disorderly life, continue in confrontations, doing bad business, drunkenness, speaking ill of one another, in spiritual laziness, thinking with wickedness, taking advantage of the innocence of others, speaking as the men of the world speak; complaining and ungrateful, doing things that dirty the name of our Parents. They don't even have shame to mention the name of our Holy Parents, knowing that their actions are improper, with their bad attitude they show that they are not worthy to pronounce the sacred and powerful name of our Parents.

It says in:

Matthew 7:22-23

²²Many will say to me in that day, 'Lord, Lord, MelquisedecLisbet, did we not prophesy and cast out demons and do many miracles in your name?'

²³And then I will declare to you: 'I never knew you; DEPART FROM ME, THOSE WHO PRACTICE INIQUITY.

After a time in which our spiritual Parents have endured with such mercy and patience, these people ask, but they are NOT granted the request and when they speak they are put to shame before other people. It is better that they remain silent and not mention the name of our spiritual Parents, because after acting this way is not correct to invoke Their holy name; but our Parents are so merciful that they give you the opportunity to correct yourself, now that you are still in time, check your inner-self in depth and humble yourself and ask our Parents to give you another chance, to grant you to know where your mistake is, because until now you have not conquered. Ask them to show you how to correct everything that is deficient. **ASK!** Because our parents love true repentance and soon you will see how everything will begin to improve.

Unless you don't want to ask because you are not interested in permanently changing your wrong way of walking?

Our Parents tell us in:

Isaiah 30:18

18Therefore the Lord waits for you, to have mercy on you; that's why She gets up to show them compassion. Because the Lord is a God of justice. Blessed are all those who wait for Her! (Since it is in Christ that they wait).

Our Parents are waiting patiently for you to review your behavior and ask for forgiveness with the desire to not fail again, to help you find the much desired and long awaited Salvation.

We all have this beautiful opportunity with our Parents, and They tell us in:

Ezekiel 18:21

21But if the wicked turns away from all his sins that he did, and keeps all my statutes and does according to right and justice, he shall surely live; and will not die.

When we put our part to live in an orderly way, making sure to always give a clean offering to our Parents, we have God's support and we see how our behavior and our environment improves.

Beloved brother, do not be deceived by lying thoughts that tell you: "**ONLY SPEAKING TO THE ELDER BROTHER IS ENOUGH**". It is totally true that the Word of life has power, but let us not forget the detail that the manna does not come alone, we must also take the spiritual water, we must take actions that accompany what we speak. **YOU HAVE TO MAKE AN EFFORT**, because the battle is not playing, it is giving the good fight, it is not letting yourself be dominated by bad character or ill will, it is in the action that we dominate with the most powerful armor, **WHICH IS THE LOVE, THE KNOWLEDGE OF GOD MELQUISEDECLISBET, IT IS SAYING AND DOING** and with this, you win, because the victory is prophesied. Just as the body without the spirit is dead, so also the faith without works is dead (**James 20:26**).

Let's look at:

1 Peter 3:12

12BECAUSE THE EYES OF THE LORD ARE ON THE RIGHTEOUS, AND THEIR EARS ARE ATTENTIVE TO THEIR PRAYERS; BUT THE FACE OF THE LORD IS AGAINST THOSE WHO DO THE EVIL.

It is not only to recognize that you are acting badly, it is to **WANT TO CHANGE AND DO IT**, our God is powerful and great in strength, **capable of changing you totally and making you a new person. And if you see that you need to correct something, stop and correct it promptly, do not keep thinking that later you will have the opportunity to correct it,** make an effort and show that you love and fear your God with reverence. If you begin to live in reverent fear of your Lord, everything will go well for you and you will turn away from the path that leads to death, which is to not do the pleasant and perfect will of MelquisedecLisbet.

When we understand this beautiful principle, we understand that reverent fear is an act of courage that gives us purity, because **A BRAVE SOLDIER OF THE LIVING GOD DOES NOT EVEN RELEASE THE ARMOR TO DRINK WATER.**

We have the armor on, we know it is very powerful and we use it courageously:

We have **the helmet of salvation** to always think about what is true, what is honest, what is just, what is pure, what is kind, what is of good name; if there is any virtue, if there is something worthy of praise, in this we think. Our helmet protects us and gives us the guarantee to take captive every thought to the obedience to Christ Lisbet.

We also have **the breastplate of Justice**, that is, we have the wisdom in action, we behave according to the commandments, and this breastplate subdues the older brother in love, which is the truth and the light, our Mother Christ Lisbet. The promise given for the righteous is great and true.

We have **the shield of faith**, every Sunday we receive the manna and at home every day we listen carefully, **NOT ALLOWING ANYTHING TO DISTRACT US**, in this way we learn how to think, how to speak and how to act in an orderly manner and thus we identify the lying darts and we rebuke them and take every thought captive to the obedience of Christ.

We also have **the tight belt of Truth**, because with certainty we hear the word that comes from our Queen, Christ Lisbet and we know that it is pure love and the more we listen, the more we fill our treasure box with the riches of Heaven and we become wise to act according to the truth.

We also have **the sword** that is the Word of God MelquisedecLisbet that comes out of the mouth of our Mother Christ Lisbet and She teaches us to pronounce it, because Her word does not return empty, but penetrates to the depths of our fellow servant and burns all the straw, the hay, and the litter and fills it with purity. That's why every morning and before we go to bed we say the words that please our Parents, remember that our Queen taught us to give thanks for everything in prayer (**Ephesians 5:20**), because it is a wonderful praise for our Parents and it fills us with power to make us submissive in love. Every time we have the opportunity to use the sword, we use it with confidence and every day we are more skilled in speaking the Wisdom that comes from Heaven because our mind is widened so that rivers of living water shall flow from our mouth.

We also have **the boots with the readiness of the Gospel to carry with us everywhere we go, which is the peace that our God has given us, who are Kings of Justice and eternal Peace**. We never tire of listening and obeying the teachings of our Mother Christ Lisbet, because Her knowledge teaches us to walk in justice and with this excellence, we establish peace everywhere and with pride, we can say who our Spiritual Parents are because we represent them with excellence and **THEY SUPPORT US IN EVERYTHING**. We wash our feet every day because we make sure to be detailed on our reflection of how our behavior was during the day and we exhort ourselves to continue on the road, so we always have our boots clean and we wear them well. This is so beautiful! We are honored to live by the Almighty God, our beloved Parents, who out of love for us, have given Themselves completely. Hallelujah!

THEREFORE ALL WHO LISTEN TO CHRIST LISBET WITH THE DESIRE TO OBEY HER, HAVE THE HONOR OF KNOWING GOD. If our actions are clean, look what happens:

Ephesians 3:20-21

²⁰And to Him who is able to do all things much more abundantly than we ask or understand, according to the power that acts in us,

²¹to Him be glory in the church in Christ Lisbet for all ages, forever and ever. Amen.

We always make sure to obey our Parents and they reward us abundantly; only a grateful child obeys his parents, but ungrateful children do not obey, and in this it is known **who is a true son and who is not**, and the Parents reward their true children, and with joy they supply everything they need, they know all their desires and they are generously satisfied.

Our Parents give us more than we can ask or even think and they surprise us by showing us Their immense love and Their mercy, that's why we take care to always give praise in all Their atriums and bless Their Holy Name in total obedience.

If we want to show our Parents how much we love Them and how grateful we are for such a great salvation and for receiving all kinds of gifts, then we must diligently teach our enemy rest, every time he tries to manifest himself with thoughts, desires, and deceptive fantasies, that want to anguish us, despair us, bother us, worry us, etc; because he tries to produce in us something very far from peace. We should not pay attention to anything; however, the task is to recognize or identify the enemy through these symptoms, because if we are not feeling peace, surely it is the soul manifesting, calling our attention to teach it love, and this requires **PATIENCE**; the soul is confident that we will give it patience and mercy; do not treat our neighbor, the one who lives confidently with us, badly. (**Proverbs 3:29**) This is the only way to find the peace that remains forever, and remember that our Parents give us everything that They are, which is: love, peace, prosperity, health, well-being and eternal joy. For this is Their character, and they are so generous that they give us more than we ask for, what a beauty.

We have to achieve peace **in every aspect of our life**, let's start by exhorting ourselves with love and let's start acting with love towards ourselves and towards others. Let's start looking at what we are about to say before answering a brother, our couple, our children or whoever we have to deal with. Let's apply the clean slate now because delaying displeases our Parents.

Our Queen has ordered us to: **STOP NOW WHAT YOU ARE DOING THAT WILL PREVENT YOU AND YOUR LOVED ONES TO LIVE A LIFE OF PEACE.**

Well if we obey Her, we will benefit, but if not, then you will have to suffer a lot more than you can imagine, and if you have not yet had to experience the consequences of your disobedience, we say to you with love: **WE DO NOT RECOMMEND IT**, it is not pleasant.

Remember that our Parents are merciful and patient, but also our Father gets angry and when he gets angry he does not allow you to understand Wisdom and it is written that due

to lack of knowledge God's people perish. Nobody wants to die, so let's press forward to obey voluntarily so that **Psalms 110: 3** will be fulfilled in all of us, where our King promises our Queen: **Your people will be offered voluntarily in the day of Your power.** It is a Divine promise that has fulfillment, that is why we are more and more submitted to our Queen, Christ Lisbet.

Obedience is the only way to find peace. Do not continue living as in the past dispensation, thinking that we are once saved always saved and not doing anything good to win the reward, because if it is a reward, you have to win it with merit and with honor, running legitimately, the word itself says it **REWARD:** An Honorary Award, which is granted to someone on his merits. And if death is devoured by victory, it means that because we have won, we have the victory over that death, and thanks to Christ Lisbet we are now immortal and an immortal does not act as if death still prevails in him.

SO THEN THE TASK IS: to receive and accept the clean slate and new account, always sowing good and never evil; **for he who lives the teaching of the Most High dwells under the protection of the Almighty. Amen. (Psalm 91:1).**

Thank you Beloved Parents for exhorting us with so much excellence in each manna, thank you for giving us Your counsel to teach us to walk; Thank you for guarding our dreams in Your holiness, thank you for waking us each morning with the most beautiful thought, Christ Lisbet, to guide us with Your holiness, thank You for teaching us the patience to fulfill Your commandments, because if we learn how to be patient we are spiritual, thank you for all the instruction that fills us with Your beautiful light, thank you for correcting us in our daily path, because Your faithfulness constrains us in love to be holy and teaches us to walk without lameness and without stumbling. Thank You for making us righteous, thank You for teaching us to eat manna.

In **Proverbs 13:25** You tell us:

²⁵The righteous eats to satiate his soul, but the womb of the wicked suffers famine.

Thank you for teaching us every day to satisfy the soul with Your holiness, so that we can bear good fruit. **THANK YOU FOR TEACHING US TO BEAUTIFY YOUR HOLY NAME, MELQUISEDECLISBET. AMEN, HALLELUJAH!**
