

THE FULFILLMENT OF TIMES

Greetings, to all our friends, those who fear the Lord MelquisedecLisbet and that is why we have taught you our covenant and alliance. (**Psalms 25:14**). And for fearing your God and trusting in our inexhaustible love, We take care of you. (**Psalms 33:18**). Our holy people will always have everything they need. (**Psalms 34:9**). Because Christ Lisbet, the angel of the Lord is the guardian that surrounds and defends all those who fear us with reverence. (**Psalms 34:7**). Amen, Hallelujah!

You can all say with certainty that you are living the fulfillment of times, because you are not only living in the time where everything that God the Father promised Me is becoming a reality, but also everything that comes out of my mouth is being fulfilled before your eyes. That is the proof that you are in the presence of the living God, the spiritual Parents, MelquisedecLisbet, who are fulfilling Their promises as We said We would. And that should make you very happy, just as We are very happy to be here with you, our loyal children of the Light. Because this means that you are not dumb as were the ancestors who hardened their hearts even after seeing the proof of God before their eyes. How sad for all those people who died forever because they didn't appreciate my presence among them. They let themselves be influenced by the many thoughts of the earthly mind. They did not want to reign over the totality in their minds and now they are only remembered as foolish men who were disobedient and dishonorable to the spiritual Parents. It's a good thing that you are not like them. Amen, Hallelujah!

In today's topic "**THE FULFILLMENT OF TIMES**", I'm going to show you what that really means, and that it has nothing to do with what is happening around the world because everything that is happening has always happened since human beings have existed. That is why I am not surprised to see all these things happening, nor does it make me believe that we are at the end of time, but instead confirms that this is happening because there is still a lot of evil in the minds of men and they do not want to change their evil ways. We have always tried to save men, asking them to please comply with our commandments and they refuse. They do not take my warnings seriously, but as a game, because for them death is normal. But boy do they suffer a lot when one of their loved ones dies, and even then they don't do what God tells them, so they could conquer death. They are masochists.

Let's look at the following verses, so you can see that God is always the same and today we are saying and doing the same as before, begging men who have listened to our Wisdom, to choose life and not die.

2 Kings 17:13

13 That is why the Lord gave this warning to Israel and Judah through all the prophets and seers: Turn from your wicked ways! Keep my commandments and decrees, and obey all the laws that I commanded your ancestors, and that I made known to you through my servants the prophets.

Isaiah 55:7

7 Let the wicked change their ways and turn away from even the slightest thought of doing evil. May they turn to the Lord, so that They may have mercy on you. Yes, turn to our God, because They will forgive with generosity.

Joel 2:12

12 Return to me now, while there is time; give me your heart.

Zechariah 1:2-5

2 I, the Lord, was very angry with your ancestors.

3 Therefore, tell the people: The Lord of Heaven's Armies says: 'Return to me and I will turn to you,' says the Lord of Heaven's Armies'.

4 Do not be like your ancestors who did not want to listen or pay attention when the ancient prophets told them, 'The Lord of Heaven's Armies says, 'Get away from your evil ways and abandon all your evil practices.'

5 Where are your ancestors now? They and the prophets died a long time ago.

Malachi 3:7-9

7 Since the time of your ancestors you all have departed from my precepts and have not kept them. Return to me, and I will turn to you, says the Lord Almighty. But you ask: "How can we go back, when we never left?"

8 Does man rob God? You are stealing from me! And you still ask: "What do we steal from you?" In the tithes and in the offerings.

9 You, the whole nation, are under a great curse, because it is me you are stealing from.

Today the same thing is happening, God is here for the last time, warning all the hard headed people to not do the same as their ancestors, and to not see the ancestors as if they are heroes of the faith of Christ, because they are not. I just showed you some of the many times that God has been trying to save men and they simply don't want to be saved. And they have the audacity to ask Us: "How can we go back, when we never left?" That is how all the foolish virgins and all others feel, they believe that we are the ones who left, and that is why those who have observed us think that we are all divided. But that is not true, we are talking about God in your midst, this has nothing to do with the antichrist or his ministry of deceit and death. *It is from Me, Christ Lisbet, the heavenly Jerusalem that God said they should not apart from. Today what Christ Mary said while eating with those of her era is being fulfilled, when She commanded them: Do not leave Jerusalem until God the Father sends you the gift that He promised, as I have said before. (Acts 1:4).*

For a long time, I have been telling you to approach with confidence and to not turn away from me. It is the foolish ones who left, leaving Jerusalem, the Mother of them all. And everyone who is still *under that nation that fights against his brother, when God said that the elder was going to be subjected to the younger (Genesis 25:23), "is under a great curse, because it is me they are stealing from."* In their minds they have said: 'Although the Lord lives there in Christ Lisbet, those two nations will be mine, and I will be their owner'. (Ezekiel 35:10). These two nations belong to Me because I am the one who makes a great and strong nation of them both. It is in Me that God fulfills Their Word when We say: "On this earth, in the mountains of Israel, I will make them one nation. All will be under a single reign,

(with the King and Queen of Justice and Peace) and will no longer be two nations nor be divided into two kingdoms. (Ezekiel 37:22) Therefore, as true as I am alive, I have fulfilled that today in my faithful children who love the truth and holiness of God. Amen!

People believe that all the catastrophes that are happening around the world are because we are at the end times. Atheists think that the world is coming to an end, the so-called Christians think that it is God's judgment on earth and that Christ will soon come in the clouds to take them away; the practicing Jews think that a Jewish man will arise and come to take them to live in a better place. All of them are living a deception, and it is obvious that they do not know God because if that is what they expect from God, they are far from the truth and from reality.

All these catastrophes have happened since man exists, it is nothing new. And it is the result of what man has always sown, in his mind, with his words and actions against himself and against others and against nature itself. That is why MelquisedecLisbet is so persistent in asking you to fulfill God's law so that you can live and not die, because for many years the carnal mind has destroyed men. **This is the last sacrifice that God is making to save men, which is the grace of God, sending His Christ to save you, it will not happen again. So if you really want to live pleasing God, living only in the Light, as kings and priests of the Living God.** Kings who rule and reign on earth, over the totality in their mind with justice and peace. Priests who only offer God living and holy sacrifices, which is a clean mind living satisfying the delights of the Holy Spirit, because that is the true way of worshiping God MelquisedecLisbet; and if you do not want to die as all mortal men do because they are empty without the Spirit of God in them, **then you must enter through the narrow door today, before it is no longer available for you to enter.**

The fulfillment of times is when God is present fulfilling Their promise and making one great and strong nation, of the nations that were divided. What does the world think, that God will forever allow there to be hundreds of different beliefs like there is out there today? Making God seem as if We were divided and not in perfect order and unity between God the Father and His Christ. When God have only one way of being and thinking and We never change, We are always the same. God the Father and His Christ are not in all the religions of the world. Nor are there other gods like God the Father and Christ. It is men who change the things that God writes in their minds, and they themselves invent their own gods. That's why we do not need a scribe today, because they're all liars.

I am God the Father and God the Mother and today we are writing our laws in the minds of men, today we are fulfilling what we have promised. This is the new covenant we are making with our people on the day of the fulfillment of times, I the Lord MelquisedecLisbet said: I will put my laws in their hearts and write them in their minds, and today that is fulfilled. (Hebrews 10:16).

You have seen how God the Father did that in Me, and now I am doing it in you. *"I, the Scripture, am fulfilling today what I said about destroying the wisdom of those who think themselves wise and rejecting the intelligence of those who think they are intelligent. So where does that leave the scribe and the wise man and the disputer of today? After seeing and*

hearing what Christ is doing in this new century. (**1 Corinthians 1:19-20**). They know nothing about God, *they open their mouths as big as a grave and like death they are never satisfied.* (**Habakkuk 2:5**). None of them can stand before Me, MelquisedecLisbet to argue about God and the bible, and because of their haughtiness and arrogance they will all be left ashamed and humiliated.

Don't look up to the sky or start fasting and making special prayers looking for your god to help you against Me, because your gods have no ears to hear you, nor have a mouth to answer you. God the Father and Mother have been dealing with the earthly minds of men for a long time and it is you who do not want to listen to Us, that is why so much destruction is seen in the world of mortal men.

Today, God MelquisedecLisbet tell the carnal mind that has done so much damage for so many years, evil and wicked men who do not want to be saved nor let others be saved: ⁸ *because you plundered many nations for many years, now all the survivors will plunder you. You committed murders throughout the land and filled the villages with violence.* (**Habakkuk 2:8**) ⁶*Now you will get what you deserve! You became rich through extortion, but how long can this last?* ⁷*Suddenly your debtors will take measures. They will turn against you and take away everything you have, while you will remain trembling, helpless and naked.* (**Habakkuk 2:6-7**).

Do you not think that the word of God would one day come true? Or do you think that We will always live watching how evil destroys the earth and everything that lives in it? Not anymore. I am here to stop it, and God does it in Their perfect time. Even though death advances at an accelerated rate, the eternity of God is a slow but sure event, which is first established in our holy angels and then in the rest of the world that desires it. Because as God, We take our time to do things perfectly and permanently, not quickly and temporarily as the world does things. Surely, we will cleanse the earth and all evil will cease to exist, because all those who do not want the sanctification of God are already destroyed. Even if it seems to you that God has taken a long time, it is because you have not known God and you do not have the patience of the saints to understand that a thousand years are a day for God. And what seems to have been delayed 3 thousand years for God is only 3 days. ³ *For the vision will be accomplished at the appointed time; it is marching towards its fulfillment, and it will not fail to be fulfilled. Although it seems to take long, wait for it; because without fail it will come.* (**Habakkuk 2:3**).

¹ *Isn't wisdom calling you now? Isn't intelligence raising her voice?* ² *Wisdom took her place at the crossroads, at the top of the hill, next to the road.* ³ *Next to the entrance doors of the city, on the entrance road, She shouts with force:*

⁴ *To you men, I am calling you; I direct my voice to all humanity.* ⁵ *You inexperienced ones, acquire prudence! You fools, get discernment!* ⁶ *Listen to me, I'm talking important things; my lips speak the right thing.* ⁷ *My mouth expresses the truth, for my lips detest lying.* ⁸ *The words of my mouth are all just; there is no malice or duplicity in them.* ⁹ *They are clear and irrefragable to the wise.* ¹⁰ *Choose my instruction instead of silver, and knowledge before*

pure gold. ¹¹ For wisdom is better than precious stones; and everything that can be desired, is not to be compared with me.

¹² I, Wisdom, live with good judgment. I know where to find knowledge and discernment because I am sitting at the right hand of God the Father Melquisedec. ¹³ Everyone who fears the Lord hates evil. That's why I hate pride and arrogance, corruption and perverse language. ¹⁴ Counsel and good judgment are mine; Mine are the understanding and the power. ¹⁵ Because of Me, kings reign and rulers make just laws. ¹⁶ The princes and all the nobles who rule the land govern because of Me. ¹⁷ To those who love me, I am responsive; to those who seek me, I make myself known. ¹⁸ With me are the riches and honor, prosperity and lasting goods. ¹⁹ My fruit is better than fine gold; my harvest surpasses refined silver. ²⁰ I am the way and the path of righteousness, ²¹ enriching those who love me and increasing their treasures.

²² Jehovah Melquisedec already had possession of me in the beginning, and gave me life as a firstfruit of His works, long before He began to create everything. ²³ Eternally I had the principality, from the beginning, before the earth. ²⁴ I was born before the oceans were created, before water gushed from the springs. ²⁵ Before the mountains formed, before the hills, I was born, ²⁶ before the Lord made the earth and the fields and the first handfuls of earth. ²⁷ I was present when He established the heavens, when He traced the horizon over the oceans. ²⁸ I was there when He placed the clouds above, when He established the springs deep in the earth. ²⁹ I was there when He put limits to the seas, so that they did not extend beyond their margins. And also when He demarcated the foundations of the earth, ³⁰ I am the Architect at His side. I am His constant delight, and I am always happy in His presence. ³¹ The world created by God fills me with joy; the humanity created by God fills me with happiness!

*³² Now therefore, children, hear me, and blessed are those who keep my ways. ³³ Listen to counsel, and be wise, and do not despise me. ³⁴ Blessed is the man that heareth me, watching at my gates everyday, waiting at the posts of my doors. ³⁵ For whoever finds me will find life, and will obtain the favor of Jehovah Melquisedec. ³⁶ But he who sins against Me defrauds his soul; all who hate me love death. (**Proverbs 8:1-36**).*

*So I tell everyone who does not want to die. Surrender! Acknowledge that I am God! I am above the nations! I am above all the earth! (**Psalms 46:10**). You who are listening to me: you are living the fulfillment of time and the Lord Melquisedec Lisbet is in Their holy temple; all the earth keep silent in My presence! (**Habakkuk 2:20**). All preachers shut your mouths and listen because God is speaking today and it is done that if you do not do what God is asking you to do through His Christ Lisbet, you will end up like your ancestors who died as disobedient to God and never came back! Amen, Hallelujah!
We love you forever and see you soon.*
