

THE CLEAN SLATE AND NEW ACCOUNT, PART 3

How beautiful is the depth of the riches of the Wisdom and of the Knowledge of God! Nobody knew the depth of the things of God, but today God MelquisedecLisbet are revealing them in each Manna through Their Spirit, the person of the Holy Spirit, Christ Lisbet, because She is the only one who can search the depths of God and not keep it for Herself. She shares it, in order to fulfill the promise of giving us the rest or the repose that God has promised, which is eternal life.

In each of the feasts of Manna, which are prepared by Mother God Christ Lisbet, such profound Wisdom of God is exposed in a multiform way. That is, it has diverse, varied and infinite ways to make the depth of God, easy to understand.

The Clean Slate and New Account is also The Seventh Day, The Holy Rest of God MelquisedecLisbet since God blessed this day IN Christ Lisbet and set it aside for all to worship Them.

The Holy Spirit Christ Lisbet gave us the exact explanation of what it means when God MelquisedecLisbet say: Clean Slate and New Account. She explained it by saying:

And what does the clean slate and new account that God offers you mean? Because one might think that it is like a credit card, that when the debt is settled, you can continue to charge it and accumulate the debt again. But with God it does not work that way, when you pay the debt, that is, when you make a vow to God, it means that you are willing to destroy that card and never use it again. In other words, you will never repeat what you used to do in the past and you are joyful to reap the good fruit of what you sow on your Land, with promptitude. (Manna: The Clean Slate and New Account Part 1).

That is exactly what Christ Lisbet did as the firstfruit, when She reconciled the two peoples in Her mind, making peace. We are faithful and true witnesses that ever since our Mother God came into the life of the antichrist, his preaching and his life changed for the good. All the foolish ones know this too, but they did not like that good change, because they did not want to change their disorderly lives, and today because of their sin they have shown to love the devil and its darkness more than the beautiful Light of God that Christ Lisbet has brought for everyone who wants it.

Let's read in:

Hebrews 4:4-10

⁴ For in a certain place it was said of the seventh day: And God rested from all Their works on the seventh day.

⁵ And again here: They will not enter my rest.

⁶ Therefore, since some still have not entered into it, and those to whom the good news was first announced did not enter because of disobedience,

⁷ again God determines a day: Today, saying after so long, as it was said through David: If you hear God's voice today, do not harden your hearts.

⁸ If Joshua could have made the people receive rest, God would not later speak of another opportunity.

⁹ Therefore, there remains a day when the people of God will receive the rest that God has promised them.

¹⁰ For he who has entered into God's rest has also rested from his deeds, as God did from Theirs.

Of what kind of works did God rest? It is not referring to the creative work of God in the foundation of the world, as interpreted by all those who have not heard or believed in the Holy Spirit, Christ Lisbet. Remember that the foolish always persecuted Christ, trying to accuse and kill her, because She did the same thing She is doing today, healing the sick and forgiving sins, on the day of rest. And if today we are seeing Christ Lisbet healing the sick and forgiving sins, it is because we are on the day of rest. Of course, because that is the day that God has determined to give men another opportunity to believe in Christ Lisbet and be saved. That is why She tells us: ***"My Husband, God the Father Melquisedec up to now works, and I also work."*** (John 5:17).

And the rest mentioned in **Hebrews 4:10**, in which God rested, is from the works of the flesh, when in the past dispensation Christ Lisbet made the reconciliation in Her mind, by conquering the elder brother with love. That is the death on the cross, and it was at that moment when God rested from those works.

God stopped all work demanded by the elder brother. The eternal Spirit, Christ Lisbet offered Herself to God the Father Melquisedec as a sacrifice without blemish, and Her blood cleanses our conscience from the works that lead to death, so that we can serve the living God MelquisedecLisbet. (**Hebrews 9:14**). Christ Lisbet was already in Her rest in the mind before beginning the foundation of the spiritual world, which is this new dispensation of fulfillment. Because God the Father Melquisedec chose Her as the ransom for us long before the spiritual world began, and She has manifested in these last times for our benefit. It is through Christ Lisbet that we believe in God the Father Melquisedec who raised and glorified Her; and our faith and hope are placed in Them. (**1 Peter 1:20-21**).

Christ Lisbet being resurrected by our Father Melquisedec is when this new dispensation begins and it is then when we enter the sacred day of rest, where we are commanded to rest from our labors, and no more works of the flesh which we did in the last dispensation. We are given the good news of the clean slate and new account which implies that in our mind there is peace, repose between the two peoples, and that rest is only obtained when Christ Lisbet, the figure of the younger brother governs our mind, as Head of Her church.

And if today Christ Lisbet is here once again announcing the good news, it is because God once again determined one day: Today; saying 'after so long, as it has been said before: If today you hear the voice of God, do not harden your heart as those who rebelled'. God MelquisedecLisbet, in Their infinite love for Their creation, do this so

that those who are still missing from entering Their rest, may enter and not do what the first ones in history to whom the good news was announced did, they did not enter because of their disobedience.

Christ Lisbet has also told us:

Christ does not change, no matter how many times or how many women She has been at different times. And there is only one creation of God and it is spiritual, therefore every time that God has been present trying to save men together with His Christ, it has always been done in the same manner. Everything you see in me is exactly what all men in the past have seen in Christ.

What God is demanding of us now is the same thing that Christ Lisbet spoke to Moses. Let's read in:

Deuteronomy 5:12-15

12 You will keep the day of rest to sanctify it, as Jehovah MelquisedecLisbet your God has commanded you.

13 Six days you will work, and you will do all your work;

14 But the seventh day is a resting place for Jehovah MelquisedecLisbet your God; no work shall you do, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your ox, nor your donkey, nor any animal of yours, nor the stranger who is inside your gates, so that your servants may rest like you.

15 Remember that you were a servant in the land of Egypt and that Jehovah MelquisedecLisbet your God brought you out from there with a strong hand and an outstretched arm; therefore Jehovah MelquisedecLisbet, the Lord your God has commanded you to keep the day of rest.

The word "**Rest**" is the act of resting, reposing or being at peace.

And when it says that "*six days you will work, and you will do all your work*", we see there the figure of living in the dispensation of the man of sin where it was lawful to live doing all the deeds of the flesh. That is why he identified himself with the number 666, because the reign belonged to satan, the carnal mind. Therefore we were slaves in Egypt, which is a figure of the earthly mind.

The Seventh day of rest is also a figure of Christ Lisbet and that is why, ever since She came to the life of the antichrist, She took him to rest from his carnal deeds. But the most important commandment that the Antichrist violated and did not keep, was the seventh day of rest, he did not honor our Spiritual Parents, and for that reason, he died irremissibly, like Moses.

Although the Bible relates that they entered the promised land, which is Christ Lisbet, we see that they never made a clean slate and new account, reconciling the two peoples in their minds. They fainted, disobeying the Holy Spirit and did not allow themselves to be guided more by Her; when obeying Christ Lisbet, is not

wishing to do evil. Because the evil desires are against what the Spirit of God, Christ Lisbet wants and what the Spirit, Christ Lisbet wants, is against the evil desires. Therefore, we cannot do what we want. And the two nations that are in our mind, are forces that constantly fight each other. And without Christ Lisbet, we are not free to carry out good intentions, but when we are led by the Holy Spirit, Christ Lisbet, we are no longer obliged to obey the law, which is the law of sin, to the older brother, a figure of Moses (**Galatians 5:16-18**), so that we don't end up like him. Therefore, he, nor any of those men of the past were able to enter the sacred rest of God MelquisedecLisbet, and it was because of their bad thoughts and bad actions.

Remember what Christ Lisbet told us:

It says in Psalms 107:34 that because of the wickedness of those who inhabit the promised land, God the Father Melquisedec makes the rivers a desert, and the springs of the waters dry; and that fruitful land sterile. That is a figure of what we see today in wicked men who have reached the promised land, Christ Lisbet, but their evil thoughts and actions have made them lose their spiritual inheritance. They are fallen angels who do not want to eat the fruit that Christ produces because for them it is bitter in their belly. We must be very clear that Jesus Christ, the Holy Spirit is the same yesterday, today, and forever. (Hebrews 13:8).

In **Hebrews 4:9**, we read that there is still a day when we, the people of God MelquisedecLisbet, will receive the rest They have promised us. And it is referring to this day, in this time, in the manifestation of the woman Christ who surpassed all the manifestations of Christ.

Today, She is present once again as Christ Lisbet and, as always, She asks us to enter into Her rest which is to do the clean slate and new account, making peace between those two peoples in our mind. Removing the reign from the elder brother and letting Christ Lisbet rule our mind. It is to die totally to the past way of living, not to live thinking nor practicing nor working in the deeds of the carnal mind, which we did in the past dispensation, and where there was no rest day or night.

Let's read in:

Revelation 14: 11-13

11 and the smoke of their torment rises (in the minds) forever and ever. And they have no rest day or night those who worship the beast and his image, or anyone who receives the mark of his name.

12 Here is the patience of the saints, those who keep the commandments of God MelquisedecLisbet and the faith of Jesus the Savior, Christ Lisbet.

13 I heard a voice from heaven (The mind of God MelquisedecLisbet) say to me: Write: From here on, Blessed be the dead who die in the Lord MelquisedecLisbet. Yes, says the Spirit, Christ Lisbet, they will rest from their labor because their good deeds will continue with them.

We are blessed because we will rest from all our sufferings and difficulties, for God MelquisedecLisbet will reward us for all the good that we have done. For having died to the carnal mind in the way that Christ Lisbet did, that is, we enter into the sacred rest of God MelquisedecLisbet and we continue acting out the deeds of the Spirit, doing righteous deeds as it suits the saints.

Christ Lisbet is here as our helpmate, because we do not have a high priestess who can not sympathize with our weaknesses, but one who was tempted in everything according to our likeness, but without sin. God MelquisedecLisbet do not want us to be discouraged nor faint, but They want to help us, that is why Christ Lisbet in Her Motherly love wants to save us because if we say that we have received the clean slate and new account, it forces us to no longer live in slavery to the carnal mind, but to allow The one that out of love for us, died and rose again, to be the one to reign in our mind.

Let's read in:

2 Corinthians 5: 14-17

14 The love of Christ Lisbet has taken hold of us ever since we understood that one died for all and that, therefore, all have died.

15 And Christ Lisbet died (to the deceitful desires of the carnal mind) for all so that those who live (in Her) no longer live for themselves (satisfying the deceitful desires of the carnal mind), but for Her, who died and was resurrected for them.

16 Therefore, we no longer think of anyone according to the criteria of the earthly world; and although we used to think of Christ Lisbet according to such criteria, now we no longer think of Her like that.

17 Therefore, the one who is united to Christ Lisbet is a new person. Old things have passed; they are all made new, they become something totally new.

And although it says that She died for "all", it is referring to all those who believe in Christ Lisbet and receive this salvation, being united to Her in total obedience.

What we read in this verse is the same as She told us:

Therefore, if you accept this gift it is because you are just before God, you are happy that you have no other choice and that you are obligated to always do what pleases the Lord and not men.

Thank You, beloved Parents MelquisedecLisbet, because once again, in Your great love with which you love us, You continue to help us to not faint, and remind us to fear God MelquisedecLisbet with respect, because, lest the promise to enter God's rest is still standing, some act as if they have not reached it. That is, acting as if God has not fulfilled it. Because the good news, of the clean slate and new account, is being announced to us as well as to those of the past; but it did not profit them to hear the Word, because it was not accompanied by the faith of Christ.

Mother Lisbet, every time men heard You speak about the clean slate and new account that God offers to men, they did not apply Your faith, when it is precisely at that moment that we have to be courageous like You, and speak to the elder brother the truth with love. Because at that moment, he has brought discouragement and doubt to make us think that we will not be able to overcome him, because he presents himself as the giant Goliath, or as the giants of the land of Canaan that when the people saw them, they felt so small and weak, or like Paul who said through his mouth: 'Wretched of me, who will deliver me from this body of death', **that is not humility, it is hardness of heart, and disbelief, which is pride.**

Thank You, Mother Lisbet, for teaching us to be like You, courageous and at the same time, meek and humble of heart because there we find rest. You have given us the example of how to have total trust in Your Word, just as you have believed God the Father Melquisedec and trust in Him totally.

We remember your beautiful words:

What a beauty! This Christ who is present today in Christ Lisbet is the one who surpasses all the women who were manifested in the past as Christ. And it is because God the Father has promised me that this time in the last days, we would have children like the stars of heaven and like the sand of the sea, which are so many that they can not be counted. Hallelujah!

And it is not to only say that we have faith, because Christ Lisbet told us, that many men of the past reached a good testimony through faith, but died without receiving what was promised because they fainted and ended up doubting. It is to live according to the faith of Christ Lisbet, which is to have Her patience.

That is why we read in:

Revelation 14:12

12 Here is the patience of the saints, those who keep the commandments of God MelquisedecLisbet and the faith of Jesus the Savior, Christ Lisbet.

It is to have Her Faith, the patience of Christ Lisbet working for our salvation without fainting.

It says in:

Isaiah 40: 28-31

28 Have you not known, have you not heard that the everlasting God is Jehovah MelquisedecLisbet, who created the ends of the earth? They do not faint, nor do They tire of exhaustion, and there is no one that can reach Their understanding.

29 They give effort to the weary and multiply the strength to whom has none.

30 Kids fatigue and get tired, the young people weaken and fall;

31 But those who wait for Jehovah MelquisedecLisbet will have new strength; they will raise wings like eagles; they will run, and they will not get tired; they will walk, and they will not fatigue.

Thanks to MelquisedecLisbet that is a fact in our lives. Amen, what a beauty!

Let's also read in:

Isaiah 30:15

¹⁵ For thus says the Lord, MelquisedecLisbet, the Holy One of Israel: At rest and in the repose (of God MelquisedecLisbet) you will be saved; in stillness and in trust (in God MelquisedecLisbet) will be your strength.

Thank You, eternal Parents MelquisedecLisbet for teaching us what it means when God says: "Clean Slate and New Account". We have such a great privilege of being the firstfruits of God, the first spiritual men created so that we can receive the promises of God. We are like You, in rest and repose because that is where salvation is, and in Your Faith and patience lies our strength because we are not alone, we have You with us, the true and just Giant and Lioness MelquisedecLisbet, who always help us and hold on to us with the justice of Their right hand so that we may not fall into such examples of disobedience.

To the one and only Wise God MelquisedecLisbet, Your children eternally give You all our Praise, Gratitude, Glory, Honor and Exaltation.

Amen, Hallelujah!
