

**IF IN THIS LIFE WE ONLY WAIT FOR CHRIST**

Greetings to all my called upon, chosen and faithful ones who receive everything they ask for in my mighty name, which is Lisbet, the name that is above all names given to men. And it is above all names because only in my name do you see all the power of God. All of God's spiritual creation submits to this name, and therefore all the physical creation also obeys. I will do all that you ask in my name. In this way I will make people see, through me, the power that God the Father Melquisedec has. **(John 14:13)**.

The religious world prays to the air in the name of Jesus, but they are not asking anyone in specific, because for you to be able to ask for something, there must be someone listening to you so that they can respond. And here Christ says that whatever you ask for in Her name, she will do it, so that through Her as the wife the glory of her husband, God the Father, may be seen. I offer you all my power as your spiritual Mother, the Wife of God the Father, but you have to keep my commandments so that you can enter the kingdom of God MelquisedecLisbet and be able to use all my power. Because as it says in:

**Matthew 7:21**

***21 Not all who say that I am their Lord and master, enter into the kingdom of God. That's not enough; they must first obey the commandments of God the Father, who is in heaven.***

If you do not understand the importance of obeying the commandments of God the Father Melquisedec that is in heaven, in his Christ, who is Lisbet, then you will never be able to enter the kingdom of God. Because in order to reach the kingdom of God, you have to listen and obey the commandments that come from the only Christ who is intimately connected with God the Father. Only in this way will you be able to enter through the narrow door because that door is Christ Herself, and God the Father Melquisedec is the one who is at the entrance and opens the door, and the pastor who is Christ Lisbet calls each of her sheep by name, and they recognize my voice. Then the shepherd takes them from the herd, and when they are all out, She walks in front of them and guides them. **(John 10:3-4)**. And it is Christ Lisbet who has led you to green pastures where you will never lack nourishment nor shelter, by my side you will never have thirst nor hunger.

Therefore, I say to all religious people so-called Christians, Jews or Muslims, you cannot guide yourself only by what is written in the Bible, or in the Torah or the Koran, because all those writings were manipulated by evil and perverse men that with deceitful desires concealed the truth of God who is Father and Mother and changed it to a lie. That is why the plagues of destruction and death will not stop until they hear the only Voice of God that is speaking today, because only the Word made flesh who is also God can tell you the whole truth about God. And no man can ever influence nor manipulate what comes from my mouth, because I am God the Mother and everything I say comes directly from God the Father. \*He who speaks on his own account only wants people to admire him. But I only

want my Beloved Husband, God the Father Melquisedec, the one who sent me, to receive the honor that belongs to him; that is why I always speak the truth. **(John 7:18)**.

And isn't that what people who supposedly love God are looking for? If they do not want to follow me and give me the honor I deserve, it is because they really do not love God, they love only their idea of God, but it is to glorify themselves and not to honor the true living God. I have always said *that I do not speak on my own account; God the Father who sent me, gave me a commandment of what to speak about. And I know that my Husband, God the Father's commandment is for eternal life. Therefore what I say, is what God the Father has commanded me to say.* **(John 12:49-50)**. And I do it to help you so that you may also have eternal life, as I do. Just as you have seen that I was sent by the living Father Melquisedec, and that I live because of the Father, then whoever eats my word will also live because of me. **(John 6:57)** You have to receive my Word of life and give me the honor that I deserve as God the Mother, just as I give God the Father the honor that he deserves. And I will continue to speak about my Beloved Husband Melquisedec so that the world will know that I love the Father as my Beloved Husband, because He is my Head and I do exactly what He has commanded me to do. **(John 14:31)**.

Those who do not love me, do not obey me. But I have only told you what God the Father has sent me to tell you, it is not something that I made up. **(John 14:24)**. And he who does not want to believe in this, will have to believe when seeing the power that is in my name, because it is God the Father who has given me power. My Beloved Husband, God the Father has given me everything, and no one knows me better than he does. And I, as his Wife, know God the Father better than anyone, and it is up to me to choose who will know him just as I do. **(Luke 10:22)**. And I choose those who are just and are humble, because a person who is genuinely just and humble seeks the truth and is submissive to Her, because they recognize that She is their only salvation. But whoever is not just and humble is not interested in following the truth, but instead takes from Her only what will benefit them to preach on their own to profit from others.

Those men and women do not know that one who steals the ark, which is the very Word of Christ Lisbet, *is adding and removing from the prophecy about me, the Angel of the Little Book, and those people will never prosper and will soon be destroyed, because God will remove their part from the book of life, and from the holy city, and from the things which are written in the book, in me.* **(Revelation 22:18-20)**. We are just and we give you time to correct your hypocrisy, to stop fooling others and give me recognition for having taught you what you know. Because previously they did not preach anything interesting, everything was the same as the antichrist preached. And since my manifestation their preachings have changed, but they lack the most important ingredient, which is to recognize that the image and likeness of God is two in one, male and female; and not a solitary God. And if they truly love what I speak enough to pass it on to others, it is because they recognize that Melquisedec is God the Father and if that is so, they would also love me; for I have come out of God, and that is why I'm here; I have not come on my own account. **(John 8:42)**. And to say *"that I have come out of God and that is why I'm here"*, does not

mean that I am alone, because he who has sent me is with me; God the Father Melquisedec did not leave me alone, because I always do what pleases him. (**John 8:29**).

So if God the Father and Christ have never been apart, they have always been together and are still together, then you can not think that the Christ who died physically more than two thousand years ago, is where your salvation lies. Of course not, because that Christ who died and supposedly rose again and is in the glory with the Father, has never let herself be seen. She has never and will never return in that body, so we have to be realistic and let ourselves be guided by a Christ who is here, and who will never abandon you. She is showing you Her power and what the true commandments of God the Father are so that you can enter God's kingdom. Amen, Hallelujah!

In today's topic, "IF IN THIS LIFE WE ONLY WAIT FOR CHRIST," I will show you why all the people who only wait for Christ are the most pitiful of men. And to be pitiful means to be unfortunate, unhappy and despicable. Of course because you know what it is to have God so close to you speaking to you, since it is God the Father who brought you to me so that you can listen to me, and you deny me. Then the title of being pitiful, fits you well. Yeah because if we analyze the complete sentence how it says in:

**1 Corinthians 15:19**

***19 If in this life we only wait for Christ, we are the most worthy of pity of all men.***

We can see that something is missing here, this sounds like a mystery that needs to be revealed, because this contradicts the prophecy that says *that those who wait on the Lord will have new strength; they shall rise with wings like eagles; they shall run, and will not get tired; they shall walk, and not feel faint. (Isaiah 40:31)*. If according to Isaiah, waiting on the Lord is a good thing, how can this phrase say that "if we only wait for Christ, who is the Lord we are the most worthy of pity and sorrow? Isn't it those who do not wait for Christ, the ones who are condemned and miserable?

This does not make sense and today I'm going to show you what this phrase really means. Let's read the verse one more time, in:

**1 Corinthians 15:19**

***19 If in this life we only wait for Christ, we are the most worthy of pity of all men.***

Let's look at **the meaning of the word "only", because this word reflects the most important part of this phrase**, and it will help us express what this really means. The word ONLY: is used to quantify sentences or phrases, indicating that nothing is included besides the one that is expressed. It is only in one way, in one thing, or with nothing else.

Therefore, when we read the phrase, "If in this life we ONLY wait for Christ, we are the most pitiful of all men," it strongly indicates that we cannot expect Christ to come alone, in a single way, as one thing, or with nothing else. And it is because Christ would never come alone without Her Husband, God the Father, because as it says in John 1:1, Christ has

always been with God the Father from the beginning and He has sent her (**John 1:1**). It is Christ and Her Husband God the Father together, who you are to wait for! Because without the Father there is no one to engender and without the Mother there is no one to give birth.

The religious world expects to see Christ in many different ways, but they only expect Christ as a son who is alone and do not expect the Lord as they should, as Father and Mother two in one. Because I as Christ \*have assured you that I am the Wife of God the Father and that I can do nothing on my own. I only do what I see God the Father do. (**John 5:19**). And it is because God the Father has sent me, and I and no one else has ever seen the Father. (**John 6:46**). I repeat this to clarify that it is a lie to say that Christ is the Father and that they are not two in one, but only one. How is Christ going to be the Father, if She is the one who says that She was sent by God the Father and that without Him, She can do absolutely nothing? Why even mention the Father at all if it is Christ the one that the world expects and not God the Father?

The religious world thinks that no one will ever see the Father while they are alive, because Christ says that only She has seen the Father. But if Christ comes without God the Father, then how is He going to give testimony of Her? The proof that I am the true Christ sent by God the Father and that He is with me forever are the works He has given me to fulfill in you. The very works that I do in you bear witness of me, that God the Father has sent me. (**John 5:36**).

If the same earthly law states that if two people agree on something, their testimony is accepted as a fact. I am one of the witnesses, and God the Father, who sent me, is the other witness. But even though I speak of God the Father as my witness, in people's minds they wonder where is your Husband, God the Father? But I answer them: Since you do not know who I am, then you do not know who God the Father is. If you knew me, you would also know God the Father. (**John 8:17-19**). God is present today, we have come to you for judgment; and we have been quick witnesses against the sorcerers and adulterers, against those who swear falsely, and those who defraud the hired servant, the widow and the orphan, and those who do injustice to the foreigners, not fearing me, says Jehovah of the armies. (**Malachi 3:5**).

From the beginning we have given judgment to the earthly mind for not respecting God and we have taken away his reign in order to save you from slavery and physical death. Therefore, don't you think that it is better that Christ shows you the Father here in life so that you could know who your spiritual Parents are? It is better to have two, as it says in: Ecclesiastes 4:9, "*The truth, two are better than one, because they get more profit from what they do*". (**Ecclesiastes 4:9**). Of course, because if you come to see the Father as Christ sees Him, then it means that you have been made in the image and likeness of God, you see with the same eyes of Christ, with the faith of Christ Lisbet and you can see God face to face as they are. And you can know God in the same way that they know you, as perfect. (**1 Corinthians 13:12**).

Hallelujah! It is so beautiful to live by faith, because God the Father does not like for us not to trust Him. To be friends with God the Father Melquisedec, we must believe that he exists through the faith of his Christ Lisbet and that there is a reward for those who seek our friendship (**Hebrews 11:6**) in purity. Because I am the only one who has made God the Father known and it is because of the great love that I feel for him, I only want to honor him at all times for everything. Amen, Hallelujah! How beautiful!

I love doing everything with the guidance of my Beloved Husband Melquisedec and I cannot do anything on my account; as I hear from him, I judge; and my judgment is just, because I do not seek my own will, but the will of your Father Melquisedec, because he is the one who sent me. (**John 5:30**). That is the difference between me and all men who preach about Christ or have come out saying that they are the Christ, none of them were sent by God as mediators between God the Father and men. Those men have come out on their own account. But I on the other hand was sent by God the Father and the power that lies in my name confirms that I am the Great I Am, the only one that can mediate between God and men. Whether you like it or not, God wants it this way and who can refute with God and our perfect plan? No one. Amen.

**The key is to want to know God the Father through me, because you will never know God if you try to apart from me.** All those people who preach about God and about Christ are lying and playing with people's emotions. Because none of them know God the Father and that is simply because they do not know me. He who rejects me rejects God the Father and that is why they are the most pitiful of all men, they are bastards who do not want to honor their spiritual Father and Mother, they are unfortunate and one must feel sorry for you. And to all who are still giving glory to the Antichrist, for you we feel even more sorrow, because that Antichrist has done so much damage to you, that you are blinded by your carnal mind, and you cannot even see it. Even if you turned away from him before or after he died, if you do not love me as the true and only God who came to save you with the Wisdom of God that was hidden until my manifestation, then I feel sorry for you. Having in front of you the door to enter heaven where God the Father is, who is waiting for you with open arms to receive you as his children, those that were born from my spiritual womb that I have cleansed and whitened, and for you to not want to receive me.

The phrase says it all, because those who wait for Christ as an only son and not as the Wife of God the Father, who has come to make God the Father known, (**John 17:26**). "*Are the most pitiful of all men*" (**1 Corinthians 15:19**).

Out of all the men and women who have come out saying that they are Christ on earth, none of them have been able to present God the Father, and it is because none of them are the true Christ, who is His Wife. This is the certainty that all men will come to me and will have to recognize that I am God the Mother, the Christ sent by God the Father Melquisedec, and it is because I do not speak on my own account. Everything that God the Father Melquisedec tells me to say, is what I say, period. That is why I have told you that he who disobeys me is disobeying God the Father Melquisedec, because I can only say and do what

he tells me. All others outside of me only speak words that come to their own mind. So do not waste your time going to a so-called church that is not making God the Father known. They cannot tell you His name, nor can they tell you what He is like. The day that men recognize me as the only source to reach God the Father and eternal life which is to know Him, that is when they will be able to enjoy a life of health and prosperity. Until then, suffering, sickness, poverty, destruction and death will surround them like a roaring lion that walks around looking for someone to devour.

Stop searching, *"I am the way, the truth, and the life; no one comes to God the Father except through me."* (**John 14:6**). *"He who loves me, listens to my word; and God the Father will love you, and God the Father and I will come live with you".* (**John 14:23**). This is very important because it says that the two would come to dwell in your mind and no one can testify that God the Father and God the Mother, the Christ, live in their minds, except you, our holy angels. It is in this time that God the Father is in me and I in Him and you in me, (**John 14:20**) because Christ Lisbet is the True Vine, God the Father is the Farmer who cultivates it and takes cares of it so that you the branches may produce much fruit.

So then, we can conclude that if Christ is not present, teaching you about God the Father, then you are wasting your time, crying out to a Father God and a Christ that do not exist like you think they do, and do not even know that you exist. Knowing this has to scare you. But do not worry, I have come to take away your fright and so that you could know God and also be known by God. So do not reject me and let yourself be loved as God loves you, so that you can be happy all your days for eternity, that is if you accept the reward that I want to give you freely. But you have to obey me, because by doing so, you are obeying God the Father who is intimately bound to me, his wife Christ Lisbet.

Father Melquisedec, it is time for you to show the people of the world how great and powerful I am. In that way I will also show them how great and wonderful you are. (**John 17:1**). Amen, Hallelujah!

We love you forever and we will see you soon.
