

# **THE BOOK OF LIFE**

Instructions of our God MelquisedecChristLisbet

Fresh Manna –Sunday- 09/24/2017

Beloved Parents, MelquisedecLisbet. With pure and genuine love I send you greetings of gratitude for making me worthy of this great salvation.

This script I am sending you comes from one of your Skies where today God MelquisedecLisbet dwells. I ask my beloved Father Melquisedec in the name of Our Mother Goddess Christ Lisbet that it is to your total satisfaction, knowing that if for you Two MelquisedecLisbet there is justice, and if it is pleasing to you and your perfect will, I say that it is done. Amen, Hallelujah!

Let's begin reading in:

## **Revelation 3:5**

**<sup>5</sup> Thus the conqueror will be clothed in white garments and I will not erase their name from THE BOOK OF LIFE, and I will RECOGNIZE their name before their Father (my HUSBAND) and our angels.**

I begin this topic with two important words and their meaning, because they are notable details in this Bible verse, and today thanks to the mind of Christ LISBET we are able to understand them.

The first important word is:

**BOOK:** Set of joined sheets forming a volume that is filled with different data to keep a record.

As we have learned, from the perspective of God everything has a meaning in a spiritual level. The book in which records are kept is the MIND OF OUR MOTHER GODDESS CHRIST LISBET.

So then, why would they call it The Book of Life? Because SHE is The BOOK OF LIFE (the Way, the Truth and the LIFE).

Notice that a book holds records of data or writings, in other words, it is KNOWLEDGE. The Book of life unlike other books that we can find in public or private libraries, is a BOOK WITH LIFE IN ITSELF, an OPEN book, the KNOWLEDGE that is written in HER flows from her mouth, therefore it is a BOOK that we all have access to, but **NOT** everyone wants to read or listen to it. This BOOK brings INSTRUCTIONS (COMMANDMENTS) that allow us to achieve and live the eternity, it is PURE SCIENCE, THE SCIENCE OF GOD MELQUISEDECLISBET.

But, what is SCIENCE?

**SCIENCE:** A branch of information consisting of a collection of factual KNOWLEDGE that is CONFIRMABLE or VERIFIED on a particular subject, and which is obtained by observation and EXPERIMENTATION.

Let's see:

The SCIENCE OF GOD which is without margin of error, complies with the characteristics that the human knowledge demands, since we have been able to VERIFY its POWER, it can be REPLICATED, and it causes the same result in those who PRACTICE IT (EXPERIENCE IT), and this is confirmed and verified through the powerful testimonies of those who have applied this SCIENCE to their lives, resulting in health, liberation and immortality.

**CHRIST LISBET IS THE BOOK OF LIFE, WHERE THE PRECEPTS, LAWS AND INSTRUCTIONS FOR LIVING ETERNALLY ARE WRITTEN.**

Now let's look at the second important word:

**Recognize:** To distinguish or IDENTIFY a PERSON or a thing AMONG MANY by a series of its own characteristics.

Let's see:

**John 10:27-28**

<sup>27</sup> **My sheep hear MY VOICE, and I KNOW THEM (which is the same as recognizing them), and they follow me,**

<sup>28</sup> **and I give them eternal life; and they shall never perish, nor shall anyone snatch them from my hand.**

Today, our Mother Goddess Christ Lisbet, with certainty and without margin of error can RECOGNIZE Her children in all the nations, even in the midst of an earthly world, although we are surrounded by wolves and visibly see ourselves as any other mortal, thanks to Her formation we possess certain DIFFERENT characteristics that allow us to be recognized by Her.

As we can see, The Book of Life is a LIVING BOOK that has a VOICE to speak, eyes to RECOGNIZE and a MIND to register and remember.

The Book of Life is another biblical figure that today we can understand thanks to Her manifestation and the power that She has imputed in our minds. Because there is no such physical book that is administered or susceptible to manipulation by a mortal or a mystical god who is constantly erasing and writing earthly names in it. (**Revelation 3:5**). If this is the case and there is a physical book as such, then salvation would not be meaningful at this time, because the names of those already saved would be written in the book.

So then, what would happen to our names, and the names of those who have believed and have been saved by the preaching of the Gospel of Christ Lisbet? If this was the case, then that book should've been written many centuries ago and we would have no place in it. Her manifestation would be in vain since that book would have names of old people who today are in tombs. And anyway, what happened to the salvation of those people?

Thank you, beloved Parents for allowing us to understand the true meaning of the powerful BOOK OF LIFE.

Our duty is to help all the Japhethites, all foreigners or religious people who believe there is a physical book that is managed by a mystical god who writes and erases names indiscriminately, understand **that such a book does not exist**.

Can you imagine if that book did exist and it was administered by religious men? It would be horrible! Well, just look what has happened to the Bible, the Torah and the Koran, they are writings that have been changed into lies by the lying pen of many scribes. (**Jeremiah 8:8**).

Now let's look at:

**Revelation 13:8**

**<sup>8</sup>...And all who dwell on the earth worshipped him, those whose names **have not been written since the foundation of the world in the book of life, of the Lamb who was sacrificed**.**

Notice how it clearly speaks of those who worshiped the beast and whose names had not yet been written in the BOOK OF LIFE. Of course they had not been written, because The BOOK OF LIFE had not yet manifested. These people are those who worshiped the beast without KNOWLEDGE because the true Christ had not manifested.

That is how today we can see the fulfillment of what it says in 2 Thessalonians 2:3, that Christ would not come unless the apostasy comes first, and the appearance of the man of sin, the son of perdition. This is evidence that the BOOK was manifested AFTER that and also that it is not an ancient book written mystically by God, nor administered by religious people, nor leaders. Lisbet had to be present as Christ Herself, The BOOK OF LIFE because it was from that moment on, when our names began to be WRITTEN, as we were growing, believing, and following Christ Lisbet, experiencing the salvation through Her.

This is evidence that shows how the phrase "**have not been**", left open the probability of being written in and in fact it did happen that way. We all had the same opportunity of believing and once we believed our names began to be written in this powerful BOOK. Amen, Hallelujah!

However, the following is now also fulfilled, that those who were not enrolled in this book, were cast into the lake of fire (**Revelation 20:15**). Of course, because not being enrolled today, is NOT BELIEVING, not being part of the kingdom, it is living according to the carnal

mind, not having entered into God's rest. Therefore, the **lake of fire** are the tribulations that come from living to please the flesh, as we learned from CHRIST LISBET, he who sows for the flesh, will reap destruction and death (**Galatians 6:8**), and it is not GOD that DESTROYS people, not at all, our Sovereign God MelquisedecLisbet love Their creation and Their sacrifice proves it, (**Philippians 2:7**) in manifesting physically to give us salvation (to save from the tomb) anyone who believes and wants to live eternally.

When we do not submit to the order of MelquisedecLisbet, we are like a boat travelling adrift, willing to sink by the movement of the turbulent waters (the earthly mind).

**Only with CHRIST LISBET CAN WE CALM THE STORM**, because She is our peace, and therefore, **without Christ LISBET WE ARE EXPOSED TO THE STORM.**

Let's see:

**Matthew 8:23-26**

<sup>23</sup> **Jesus got into the boat and Her disciples followed Her.**

<sup>24</sup> **At that moment a strong storm broke over the sea, the waves swept over the boat so much that it began to sink. But Jesus was asleep. (She was in peace, calm because She lives entrusted in Her beloved King Melquisedec)**

<sup>25</sup> **And Her disciples went to wake Her, saying: Lord, save us! We're sinking!**

<sup>26</sup> **She answered them: Why are you tormented and so afraid? You all have such little faith!**

After saying this, She stood up and ordered the wind and the sea to calm down, and suddenly the wind calmed down and everything was completely calm. (**Ref. Mark 4:35-41**)  
Hallelujah!

Once we understand that the **Book of Life** is our MOTHER GODDESS CHRIST LISBET, we seek to treasure the writings of this powerful book, meditating day and night in Her words (which are written in Her) and manna after manna continues to write in our minds, now we understand just how invaluable is the BOOK OF LIFE.

And we are blessed because it is a book that we can read and re-read and every time we go over it we find wonderful treasures, new teachings and this powerful KNOWLEDGE enlivens us. Generating in our brain the production of the well-known hormone of **HAPPINESS** (dopamine, serotonin, endorphin) which scientifically has been proven to regenerate our cells manifesting perfect health in our bodies.

Therefore, IMMORTALITY is made possible through the KNOWLEDGE and IMPLEMENTATION OF THE SCIENCE OF GOD and it takes away any mystical or religious concept of ETERNAL LIFE, it makes it understandable and reachable to anyone who wants to live eternally.

Thank you beloved Parents MelquisedecLisbet for your powerful teachings and for putting the BOOK OF LIFE within our reach, even without deserving it. Amen, Hallelujah!
