

## **HOW TO OVERCOME SATAN**

Beloved Parents MelquisedecLisbet, it is with great joy and great spiritual love that we greet You, our Sovereign and Eternal Gods. For us, it is of much benefit and a great honor that you use us in Your Kingdom of Justice and Peace, Love, and Truth.

We are very grateful because You have established Your Justice in us to make us shine with Your light and make us heirs of the promise. Thank you for so much patience, for so much love and for so much dedication to us.

Our Queen Christ Lisbet does not stop working in order to build Her temple and form Her great power in us, to take us to the fullness of the deity's excellence, of MelquisedecLisbet.

Without You, we could not exist in this Kingdom; we are nothing, we have nothing and we know nothing. But with You we have everything and we are important, we are Your holy angels and everything has meaning and order because You are the praise of praise. Amen, Hallelujah!

Eternal Parents, here is a new writing that you put in my mind to share with all the holy angels who love justice, with the OBJECTIVE for us to have more valuable spiritual elements or tools, and if we use them well they will help us achieve victory to destroy death. Amen, Hallelujah.

This writing is titled: **HOW TO OVERCOME SATAN**

**EVERYONE WHO LISTENS TO CHRIST LISBET TO OBEY HER IN THIS TIME OF FULFILLMENT, WILL HAVE THE HONOR AND THE PRIVILEGE OF KNOWING GOD.**

And when you know God well, you know that Their judgment is only present after we have heard the voice of our Mother Christ Lisbet because justice is manifested in God's judgment. In other words, Her imparted teaching manifests the justice that leads us to live at ease bringing eternal peace to our lives. Amen, Hallelujah.

Our Parents in Their great Wisdom and great love left all that is written as evidence of Their great Power and Fidelity. And everything spoken by Them from before time is fulfilled today in Their time of fulfillment.

Let's see the following prophecy summarizing the wonderful work of Christ Lisbet in Her glorious manifestation.

**1 Corinthians 4:5**

*<sup>5</sup> Therefore, judge nothing before the time, until Christ Lisbet comes, who will also shed light on the hidden things of darkness, and will manifest the intentions of the hearts; and then each one will receive their praise from God.*

This is perfectly fulfilled before our eyes, we are Her faithful witnesses, we have seen how Christ Lisbet manifested the truth and brought out what was hidden in the darkness. Which is, every intention of the heart is manifest and that is how every holy angel is receiving their praise from God. This is so wonderful, what a beauty and what an honor it is to be in the presence of the Ones who without margin for error, fulfill everything that is written.

Through this writing, our beloved Parents give us more spiritual tools that will help us along the way to receive the Praise that comes from God MelquisedecLisbet, which is a result of having heard, believed and faithfully fulfilled all the teachings of Christ Lisbet, who with so much love and excellence is leading us to the fulfillment of "DEATH IS SWALLOWED IN VICTORY", and thus Their praise be for all eternity. Amen, Hallelujah. Our Parents also want to give us more details of how we can defeat Satan with Their great power, love, and self-control.

Let's see the details that are contemplated in the following points.

**1. Our Mother Christ Lisbet IS PRESENT establishing Her holy judgment,** and we, as her obedient and faithful children, enjoy receiving all Her cleansing and purification. We receive Her praise so that Her Justice multiply, because, in the good decree and in the perfect plan of God, according to Their good purpose, They wanted to establish the righteous ones in this time of the end of death and for that purpose they give us manna from Heaven so that the Wisdom of God may abound in our hearts. (**Luke 6:45, Proverbs 4:23**)

We are living and enjoying the holy judgment of God; Our Parents do a wonderful job in us, they have given us "much of Their wisdom" **to prove and establish us** as Their obedient and faithful children. **They test us through an examination** with Their instructions of eternal life, They teach us how to speak correctly and with respect, how to behave in an orderly manner and with Their mercy we are given the opportunity to reach a greater measure; for our desire is not to fail Them, but to please Them in everything and we are diligently engaged in living Their teachings and They greatly appreciate that we are obedient and faithful and give us more of Their Wisdom to continue to establish Their beautiful character in us.

In **Jeremiah 17:10** it says,

***<sup>10</sup> I, Jehovah, MelquisedecLisbet, who search the mind, who test the heart, to give to each one according to their way, according to the fruit of their works.***

Our Parents are Righteous and have given us Their Wisdom so that we can behave with righteousness and that is why they test our hearts, to find us righteous and to perfect Their wonderful work in us; They have told us "he who has will be given more" (Mark 4:25) and we rejoice to receive Their wisdom for the purpose of obeying Her and we bear witness that it is thanks to Their love and mercy. For the condition of mortals is: man is like dust, which blooms like the flower of the field and perishes by doing his ill will. But we are receiving an incorruptible Kingdom to live eternally and

that is why it is necessary to continue learning from Christ Lisbet and thus be able to stop being mere mortals but rather be transformed into immortals, in the image and likeness of God, MelquisedecLisbet.

**2. Our Parents fulfill all that They promise, They give us Their knowledge as proof of love to show us how to overcome Satan but They allow Satan to bring temptation and the older brother does his evil well.**

Satan tempts us to try to prove that we are unjust and brings wrong thoughts, bad desires and wants to take advantage of all the bad habits of human nature because he uses the weaknesses of the human being to overcome those who are distracted and occupied in the things of the world.

But an obedient and faithful child who receives the Word of Life is willing to sacrifice their carnal mind and knows that this sacrifice is pleasing to our spiritual Parents because with judgment we are a new creation in Christ Lisbet. She is our help mate and always protects us from the grip of the oppressor. We have Their mind, we have Their power and They test us with Their Word so we can demonstrate that we value Their teachings and put them into action. (**1 Corinthians 10:13**)

God MelquisedecLisbet give us instructions in each manna and teach us everything we need in order to live eternally; then Satan comes unexpectedly and manifests the temptation. (**Mark 4:15**)

**What should an obedient and faithful child do with the word of life?** Take out the most powerful weaponry when a situation arises in which Satan wants to reign. **And what is the most powerful weaponry?** THE LOVE that MelquisedecLisbet granted us through Their teachings. And if we are spiritual children of MelquisedecLisbet then we are more than conquerors in Christ Lisbet.

**1 John 5:4**

***^4 For everything that is born of God overcomes the evil of this world and everyone who trusts in Christ Lisbet obtains victory.***

Satan's task is to make us forget what Christ Lisbet teaches us so that we doubt Her and slip away. But that is only achieved when a land is NOT fertile or in people who are weak in faith. In other words, in disobedient and unfaithful children and also in some children who want to obey but are easily distracted in matters that are not of the Kingdom and this causes a greater degree of difficulty to overcome Satan, since he takes advantage of those who are easily influenced or easily distracted. However, Satan wants to manifest his temptation in all the children, because it is to the descendants of GOD that the adversary tempts, and it is only with the Wisdom of God how we can overcome him, that is why we are more than conquerors in Christ Lisbet.

**3. Satan cannot overcome the child who constantly sows the word of Christ Lisbet in their mind.**

And how is the word of Christ Lisbet planted in our minds permanently? Listening to Her instructions DAILY and accepting them with respect and attention, that is, obeying Her teaching to definitively change the way of living, doing what is good, giving the appropriate fruit according to the measure that each one reaches, at thirty, at sixty and until reaching the one hundred percent of the measure; for if we are diligent we will arrive at the stature of the fullness of the deity.

A good sower is characterized by sowing in the morning and in the afternoon (**Ecclesiastes 11:6**). Now, what will be of the distracted one? How much more difficult will it be for the one who believes that he does not need to be constantly listening to the word taught by Christ Lisbet to prepare himself well and thus be able to overcome?

#### **4. Our spiritual Parents do not want to see their children suffer.**

The mercy of our Parents is so great that They speak to us in different ways and with different means so that we can attend to Their instructions and save ourselves; because everyone who hears the Word of Life for the purpose of obeying has a new opportunity to start again and take steps to perfection, because the word of MelquisedecLisbet does not return empty. In other words, it causes the fruits of justice to germinate in the mind that receives it and accepts it with joy and humility. (**Isaiah 55: 10-11**).

#### **5. With the Light is how we are ending the darkness that wants to reach the mind.**

He who walks in darkness satisfying the desires and failures of the carnal mind will never quench his thirst and will always walk in shame and without light until he dies. That is why Christ Lisbet came and is speaking with clear instructions and gives us Her light to take us out of darkness, and Her instructions are to live in an orderly way. But let us remember that Satan comes to try to mislead us, but darkness does not prevail over light. Of course not, because we say to him: "**Beloved brother, you know that our Parents MelquisedecLisbet have given me the reign and I have the power in my mind and in my mouth to establish the Divine Justice and you are my friend, come and I will teach you how to behave with justice and with truth**". Then, we immediately show him the correct order according to MelquisedecLisbet which is how we proceed.

#### **6. Satan will always try to make you deny the truth.**

Christ Lisbet gave us Her law so that we can learn to love ourselves and love others but Satan brings the temptation to deny the truth. It is something like if we were driving a car, we have the traffic laws that tell us: if the traffic light is green it is to advance, if it is in yellow it is to reduce the speed and proceed with caution and if it is red It is to stop. But Satan, on the other hand, tells us: when it is in red; go ahead,

continue with your unpleasantness, get angry and scream to be respected, do not let them make fun of you, take the pill or the remedy to alleviate yourself. There are many ways and means that Satan uses to make us fall and continue in error. And as you pay attention to what Satan tells you, all kinds of things will manifest, such as a bad attitude and evil desires. But those who know the instructions of Christ Lisbet, tell him with the truth to step aside because with lies he will not be able to stand against us. And Satan identifies that this child is righteous and has the power to overcome him so he surrenders before the light, because of the abundance of the heart the mouth speaks, and when he hears that we ask God the Father Melquisedec in the name of God the Mother Christ Lisbet, he obeys. (**Romans 10: 8-10, John 5:24**).

The teaching that our spiritual Mother gives us is so that we learn to fly and to do so with excellence, and then in the perfect time, we will undertake the great task of the children of God, to rescue the world from darkness. And what is to fly? It is to be patient, merciful, slow to anger and great in mercy, tolerant, fair, wise, a lover of truth and good order, to be the image and likeness of our Parents, MelquisedecLisbet. How beautiful! This is great, it is very big and valuable. To be like God and to establish Their justice, is a privilege that only God has granted to Their children and we can not miss this wonderful opportunity. We are speaking about our training of love, truth, justice, and peace, it is the destruction of death, and the vivification of the spirit. Amen, Hallelujah!

Our Parents have a very beautiful purpose and want to make us shine. Our task is to LISTEN, ANALYZE, UNDERSTAND, RETAIN AND OBEY Their instructions of love, because by doing so we give a good testimony. We are the praise of the King and the Queen. Our powerful Mother Christ Lisbet does not want anyone to suffer and much less that they die, SHE WANTS EVERYONE TO ENJOY HER GREAT LOVE. Do you want to enjoy Her great Love? Then, understand that you must keep watch so that temptation does NOT come.

We have to go by steps. **First step.** we have to speak the truth with love to Satan and to do this, it is necessary to LISTEN to Christ Lisbet DAILY and learn to be like Her. **The second** is to learn to speak and act with love towards our significant other, our children and all people in general.

We see that the first step is very important because we learn from within ourselves, since we treat Satan with the love and truth that our Parents have taught us, because the true Christ teaches us to love our enemies and to pray for those who persecute us (**Matthew 5:44**), and thus we exercise ourselves in power, in love, and in self-control. Let's start with ourselves and then it will be easier with others, it will be so beautiful when we learn to fly completely.

- 7. Satan has a set time to try to dominate because he is already defeated and he knows that his time is short, he has little time left so he does his task with great fury. (Revelation 12:2).**

Now, we also know that we have a set time to overcome, because it is the same time that was given to Satan, it is a short time, to not be destroyed; So let's take advantage of this time to the fullest, let us occupy ourselves in listening to Christ Lisbet, in understanding, retaining and obeying Her. Our spiritual Mother told us that none of Her children will be lost, but She also told us that the disobedient and unfaithful children are already lost and that each one is responsible for their actions. This is for understanding and not for contending and if our Queen says so, put the seal of Amen; it is done!.

Let us be taught, let's love this powerful Word and obey Her diligently since obedience is our delight; that is how we prove that we are worthy, that we are children of God MelquisedecLisbet, let us seize this great opportunity.

Persist in hearing Her wise words every day, take advantage of every moment we have, let us not despise Her word by attending to unfruitful things, be wise and intelligent, for wisdom and intelligence is in Her and comes out through Her mouth. Let us not pass in vain this judgment so necessary and so useful without receiving Her justice. Let us make the most of this time, let us not be dominated by the things of the world, let us not do like the antichrist who clothed our Parents with sackcloth because of his rebellion. Let us live the eternal life that Christ Lisbet gives us, with appreciation and dedication, let us be obedient and faithful, let us be taught to soar.

A hug for our Spiritual Parents with a lot of love and gratitude, for SO MUCH patience with us to teach us to fly. Hallelujah to our King and Queen of Salem for all eternity.

**Amen, Hallelujah!**
