

## THE LYING PEN OF THE SCRIBES AND THE PHARISEES

Greetings to all our spiritual children born of the spiritual womb of God the Mother. Those faithful children who honor their spiritual Parents MelquisedecLisbet and respect us, doing everything that pleases us.

You enjoy listening well to the details in order to reach maturity and that is why you understand the words that the personified Wisdom speaks. You grow with me and understand the angelic language of God, which is <sup>6</sup> *the Wisdom that is only understood among those who have reached maturity; and it is not of this world, because none of the men who perish have understood, nor understand my Wisdom. They are mortal men who do not know God nor Their mysteries. Death is normal for them and they know that it is their final destination. But our children have a better hope because they are listening to God, <sup>7</sup> *expose the mystery of Their wisdom, which has been hidden and for our glory, we had destined it from eternity. And so far* <sup>8</sup> *none of the men who have been in the same era with Christ has understood; because if they had understood Me, they would've never crucified the Lady of glory in their minds. (1 Corinthians 2:6-8).* And if they did not know me or understand me, it is because they were not interested in knowing me nor understanding me, as it is repeated today in foolish men. And denying Christ Lisbet is the most foolish thing you could do in life. The spiritual Mother of the multitudes is present again trying to save you with the hidden Wisdom of God, which is the immortality that men so desperately seek and long for.*

But they do not want to believe in Me, they do, however, believe in anything else and do whatever it takes to extend their lives here on earth. They even spend a fortune freezing the dead, desperately looking for ways to resurrect them someday. When I have the recipe they need to not die and live eternally, and they don't want it. I give it to them freely, and still, they don't want to know anything about the true God. Simply because it forces them to live a life of order and rectitude before the God who is alive. If they only understood that *I am their best friend and that no one shows more love than I because I have given My life so they can truly know God and overcome death to live eternally. (John 15:13).* I'm making it easy for you to enter through the narrow door while you can; *because many will want to enter, and will not be able to. Don't wait until after God the Father Melquisedec, the Father of His spiritual family stands up and closes the door, and after being outside, begin to knock at the door, saying: "Lord, Lady open the door!," because I tell you the truth, we will say to you: "I do not know you nor do I know where you came from." (Luke 13:25).* God the Father does not recognize anyone who has not been born again in spirit and water, and who is not attached to His Vineyard, His Bride Christ Lisbet.

That is why I do not get tired of repeating so many times, *do not delay in approaching Me confidently to my throne of grace so that you may find timely help. (Hebrews 4:16).* Now is the opportune moment: *seek God MelquisedecLisbet now that we are near! (Isaiah 55:6-9).* While the door is open, try to enter so that you don't remain without being able to enter the promised land, where you can understand the depth of the riches of the wisdom and knowledge of God. I do not want you to stay outside, and that is why I am speaking to you today, so that it does not happen to you. *I am Christ Lisbet and I have come to fulfill the will*

of my Beloved Husband, God the Father Melquisedec. (**Hebrews 10:7 and 9**). I do not care if you think that what I speak is a blasphemy or heresy, *what matters to me is that if you are willing to do God's will, you will recognize that my teaching comes from God and that I do not speak on my own account.* (**John 7:17**). If you do not want to believe in my Word, the works of my hands speak for themselves. Amen, Hallelujah!

In today's topic titled, "**THE LYING PEN OF THE SCRIBES AND THE PHARISEES,**" we will show you more evidence about what really happened in the past with Christ, and how everything that happened at that time has meaning for us today. Since we are living in the last days with Christ once more, and whoever does not know history well, tends to make the same mistakes that the pharisees and the scribes made. But with my help and guidance you will have the privilege of not repeating what the princes of that era did; they didn't even want to know that Mary was the Christ of that time, and they rejected her in their minds. They called her blasphemous when God the Father was the one who came out to greet her, because He chose her to save men and she just wanted to share the good news with all of them, but they killed her unjustly.

When Christ speaks about the two foundations and compared those who hear Her Word and obey, like a wise man who built his house on the rock and it never fell. And those who do not obey Her, like a foolish man, who built his house on the sand and had great ruin, She is saying that the scribes are like the one who hears Her Word and does not obey. That's why She says in:

**Matthew 7:28-29**

*<sup>28</sup> And when Jesus finished these words (speaking about the two foundations), the people were astonished at Her doctrine;*

*<sup>29</sup> for She taught them as one having authority, and not like the scribes.*

Of course I do not teach "like the scribes" because these men are liars. Soon, everyone who is preaching today will have to stop talking about God, because what they are speaking are lies. They listen to the Word and do not obey Her, and therefore they do not write what they hear. With their lying pen they change *he laws that God writes in their hearts, their minds, and those laws are given to men* (**Jeremiah 31:33**), *through Christ, the Word made flesh.* (**John 1:1**).

And when I mention, the lying pen of the scribes and the pharisees, I am referring to the minds of men who listen to Christ speak and then, in their minds they change what they heard so that others will believe a lie instead of the truth, because what Christ spoke did not suit them. I say everything I hear from God the Father Melquisedec, *and I am faithful to not speak on my own account. God the Father Melquisedec is the one who sent me, and I only speak as he commands me.* (**John 12:49**). Some have criticized me because I read my mannas from a teleprompter. But I would not do it any other way, because that is how I show my loyalty to God the Father. He tells me to write and I write, and what He tells me to write is what I read, to make sure that I say exactly what He told me to say. That is why I speak as if I have authority, because I do, God the Father has given me the authority to speak and no one else should be speaking but Me.

Unlike all these preachers who speak on their own account and what comes out of their mouths is pure fabricated garbage. When I hear them talk so much nonsense, that they actually think are revelations from God, I laugh because I know that God the Father Melquisedec would never speak that way. God the Father has not asked any of these unfaithful men to speak in His name. *But they fill their mouths with hollow philosophies and nonsense, which are born of human thought and the spiritual powers of this earthly world and not of Christ Lisbet.* (**Colossians 2:8**) They have the same attitude that characterizes the lying pen of the scribes.

Today there are many pharisees and lying scribes and *I assure you that if you are not more obedient than the Pharisees and scribes, you will never enter the Kingdom of God.* (**Matthew 5:20**). You can not change what I speak, you have to be faithful to my Word. It's what I say, period. I speak clearly, it is men who hear heavily with their ears. And *is there anything heavier than lead? Yes, "the fool" is his name.* (**Ecclesiasticus 22:14**). Don't make the same mistake as the lying scribes, interpreting and changing my Word for your convenience. Because a scribe must be neutral and have no prejudice or bias, he must be faithful to his work because otherwise, he could not be a reliable scribe in the eyes of God and of men.

Let's look at what the scribes did, to see how they showed partiality with Christ. And if they did it back then with that Christ, don't you think that today they would do the same to me? Of course, because those who do not know history well and how things really happened, will surely do the same thing as those of the past.

### **Matthew 9:3**

***<sup>3</sup> Then some of the scribes said within themselves: It is blasphemy! Does she think she is God?***

If they thought of Christ that way, it means that they did not write everything that happened or was dictated and they changed it for their own convenience. So much so, *that they even tried to manipulate Pilate because the sign they put on the cross was written in Hebrew, in Latin and in Greek, so that many could read it. And these men objected and said to Pilate: Change the inscription that says "The Queen of the Jews" by one that says "She said: 'I am the Queen of the Jews'."* (**John 19:21**)

It is so obvious that the lying pen of the scribes put their hand in this, that it does not make sense that today people are waiting for a man to do the miracles that Christ did, when at that time they didn't even believe in that person. Think about it, if Christ supposedly did so many supernatural things, why would She say, "blessed are those who believe without seeing," or "If you do not believe in my words, believe in my works," wasn't it the scribes who wrote that Christ walked on the waters and resurrected Lazarus after spending four days in a tomb, healed the sick, and then that Christ supposedly also rose again? Then why did they think that Christ blasphemed?

Now you see more clearly why all this that is written in the bible does not fit? This is very obvious and if you do not see this mess that the lying scribes have made, then you are just

as messed up as what is written in the bible, and you will be left without the correct explanation given by God.

More proof that the scribes manipulated and changed the truth for a lie, is what happened when Mary spoke to them about her conversation with God the Father when He said, "Blessed is the fruit of your womb." God never told her that he would give her son the throne of his father David, and that is why *Christ asked Her disciples, 36 "How can the (lying) scribes say that the Christ is the son of David?" 37 For David himself calls him Lord; How, then, is he his son?... (Mark 12:35 and 37)*. After the scribes say that God told Mary that her son would be given the throne of her father David, Christ comes and disproves them. The verse doesn't have to say liars, just by Christ showing that they weren't saying the truth, She is calling them liars. Christ Himself says that the scribes do not put the whole truth or they change it for a lie.

The lying pen even made Moses and other men look as if they were good and obedient to God when in reality they were not. And if there are lying scribes who manipulated the scriptures, then how do you think someone could expose the truth that the scribes changed for a lie, if no one who was alive at that time is here today to let us know what is true and what is a lie? The answer is easy, it has to be Christ Himself accompanied by God the Father. That's why God says She would be present, let's look at it in:

### **Isaiah 52:1-7**

***<sup>1</sup> Wake up, oh Zion, wake up!***

This is when the mind of Christ Lisbet is awakened. *Get up, O Mother God, and judge the earth, because the two nations belong to you. Psalms 82:8.*

***<sup>1</sup> Wear your strength. Put on your beautiful clothes, oh holy city of Jerusalem, because impure people who do not fear God will no longer enter through your gates.***

***<sup>2</sup> Get up from the dust, O Jerusalem, and sit in the place of honor (At the right hand of God the Father Melquisedec). Take off the chains of bondage from your neck, O captive daughter of Zion.***

***<sup>4</sup> This is what the Sovereign Lord says: "A long time ago, my people decided to live in Egypt.***

***<sup>5</sup> What is this? the Lord asks. Why is my people enslaved again? Those who govern them shout with joy; all day they blaspheme my name.***

***<sup>6</sup> Therefore, my people will know my name for this cause on that day***

The cause is that they believed the lie and today is the day when primarily the name of God is known by Christ Himself because if you do not know the name of God the Father and of Christ, then God is not with you, because it is clear that God says that Their people would know Their name, and no one other than the Kings of Salem and Their holy angels know the name of God. Christ would also reveal what truth was changed for a lie;

***<sup>6</sup> because I myself who speaks, behold, I will be present.***

I myself spoke at that time and I am speaking today to clarify the truth. God has always spoken through His Christ and today Christ Lisbet is present as we promised, to bring the truth that frees you from the bondage of darkness, which is the lie, because one feels good when they know all the truth, especially when it comes to God. This is why I say that, <sup>31</sup> *the spiritual Jew who believes in Me, and obeys my teachings, will truly be My disciple;* <sup>32</sup> *and they will know the truth, and the truth will set them free.* (**John 8:31-32**).

Today you know the truth because you have trusted Me, you know that I only speak the truth of God because first I respect my Beloved Husband, God the Father, and that is how I always give a good testimony that God the Father Melquisedec is truthful and every man who does not believe that He is God the Father, is a pharisee and a lying scribe.

The Wisdom says that *those who trust in God will know the truth*, **Wisdom 3:9**, and today that is a reality. How beautiful! Let's continue...

### **Isaiah 52:7**

***<sup>7</sup> How beautiful on the mountains are the feet of the one who brings joyful tidings, who announces peace, who brings good tidings, who publishes salvation, who says to Zion: Your God Reigns!***

If my feet on the mountains are beautiful, it is because you like my steps and you have verified that my walk is good because it comes from above, and no human being can walk in the order of God, if God is not the first to walk among Their people, so that they can see how it is you must walk and where. And who is the only one who announces the peace and salvation of God and says: "*Your God Reigns!*" in the minds of men because She teaches you how to reign, just as God reigns? It is I, Christ Lisbet and no preacher who has proclaimed himself pastor, bishop, apostle, or whatever title they gave themselves, none of them can do what I do.

Just knowing that the lying scribes changed the truth for a lie, I would not dare to read the bible without the guidance of God the Father. That is why so many mortal men have failed and continue to fail, trying to interpret the bible, when what is written in the bible is not the whole truth, it was manipulated by lying men and only God can be present to clarify everything. That is why God says, "that every man who does not speak this truth is a liar".

Look at the foolish ones, they changed the truth about the antichrist being dead and ceased to be forever, for a lie, saying that he is alive and in the cloud. Lying Scribes who change the truth for a lie. They pretend to believe that the false prophet who gave them a license to sin has not died just so they may continue justifying what they do, because they don't want to stop. They want to continue satisfying the appetites of their flesh, like lust, greed, adultery, drunkenness, doing drugs, disorderly parties where no one is faithful to their partner, orgies, fornication, just all kinds of unruliness. And *this is said by the Amen, the faithful and true Witness, the Sovereign of God's creation.* (**Revelation 3:14**), and my judgment is true.

The lying pen of the scribes are men and women who have always tried to go against me saying that I am a fraud and that I have demons, all because they refuse to live according to

My law, which is the Law of the Spirit of God. My manifestation is so necessary and these men and women despise Me as if I were just another woman, when I am their salvation. It's sad to see how foolish these people are and how much they despise me, preferring to die instead of living eternally in the Light.

Let's see what it says in:

**Matthew 13:10-17**

***10 Then the disciples came and said to Her, "Why do you speak to them in parables (figures)?"***

My disciples knew that I speak to everyone in parables or figures, what happens is that the pharisees and the lying scribes were offended to hear Christ speak, and it is because She spoke saying that the supernatural things that they claimed that Moses and other ancestors did, didn't happen that way and that it is a lie to say that they literally happened. And that bothered them, *because the scribes and the pharisees are the official interpreters of the law of Moses. (Matthew 23:2)*. They love to satisfy the delights of the carnal mind like Moses and want to serve two masters. The ancestors who refused to understand what I speak, and today their descendants also deny it, is because when they hear me talk about the spirituality of God, *that same veil, of them not wanting to abandon the previous way of living, prevents them from understanding, when that veil that has them wrapped in the lie is only removed by Me, Christ Lisbet. (2 Corinthians 3:14)*. *The Pharisees affirm that there is a physical resurrection, volatile angels, and spirits like demons. (Acts 23:8)* *Woe to the scribes and Pharisees, hypocrites! because they close the kingdom of heaven before men!; they do not enter, nor do they let those who are entering enter. Matthew 23:13.*

Let's continue.

**Matthew 13:11-17**

***11 She answered and said to them, 'Because it is given to you (the lovers of the light and the truth of God) to know the mysteries of the kingdom of heaven; but to them (those who love darkness and lies) it is not given.***

You understand the figurative language of the Wisdom of God, but the evil and wicked men do not understand me, and when it says "it is not given," it is because they don't want to know about me, my bread is bitter in their bellies and they cannot bear good fruit. But if they wanted my bread, they would eat it with pleasure and keep my commandments with joy.

***12 For to everyone who has, will be given, and will have more*** (these are those who love my Word, that's why they always receive wisdom from God); ***but he who does not have, even what he has will be taken away from him.***

*These are the ones who do not love my Word, they are evil and deceitful men, who will go from bad to worse, deceiving and being deceived. (Ref. 2 Timothy 3:13)*. Because they have changed the truth into a lie.

**13 Therefore I speak to them in parables (figures): because seeing (the miracles that I do because God the Father is with me) they do not see, and hearing (the Wisdom of God they had never heard) they do not hear, nor do they understand.**

**14 So the prophecy of Isaiah is fulfilled in them, which says: By ear you will hear, and you will not understand; and seeing you shall see, and not perceive.**

**15 For the heart of this people has grown thick; and with their ears they hear heavily, and have closed their eyes; so that they will not see with their eyes, and hear with their ears, and with their hearts they will understand, and will be converted, and I will heal them.**

God did not close their eyes nor their ears, men are the ones who “have closed their eyes and ears” so they don’t have to hear me because they do not want to convert from darkness to light nor want me to heal them from their diseased and wicked carnal mind, because they want to continue doing impurities and perversity, satisfying the filthy appetites of the earthly mind. I judge and my judgment is true because my thoughts and my walk is clean, holy and perfect and God the Father Melquisedec is my faithful witness.

**16 But blessed are your eyes, for they see; and your ears, because they hear.** (You like to see me and hear me)

**17 For verily I say unto you, that many prophets and righteous ones desired to see what you see, and did not see it; and hear what you hear, and they did not hear it.**

If they wanted it but they didn’t hear it, nor see it, it’s because their desire was to serve two masters. They wanted to live eternally, but satisfying their carnal mind too. The evidence is clear, they did not want to live this order, period. Why didn’t they see it nor hear it? *When it is written that Christ does not change and everyone ate the same spiritual food and drink. (1 Corinthians 10:3-6).* So what is your excuse today? The same one as the pharisees and the lying scribes? Let’s look at what it says in:

#### **Mark 9:14**

**14 When Christ came to the disciples, She saw a large crowd around them, and scribes disputing with them.**

Let’s look at the meaning of the word **Dispute** to see if it is a normal behavior of a scribe. **DISPUTE:** One person opposing another to get or defend a thing that both claim.

How can a scribe dispute anything? When a scribe is supposed to be a copyist who only has to write what is dictated and nothing else. Let’s use a courtroom as an example, “Court reporters, also known as stenographers, are responsible for writing exactly what they hear during court proceedings.” Could you imagine what would happen if a court reporter did not put exactly what is said during a trial and DISPUTES because they did not like what was said? That court reporter would be a lying stenographer and no court would use their service. If they were scribes, all they had to do was write exactly what they heard and they did not.

We can not trust what is written in the bible, because God says that scribes are liars. In **Jeremiah 8:5 and 8**, God says, <sup>5</sup> *Why are the people of Jerusalem rebellious with perpetual rebellion? They embraced the lies, and they have not wanted to return.* <sup>8</sup> *How can you say, 'We are wise, and the law of the Lord is with us?' The lying pen of the scribes has certainly changed it into a lie.* That is why God manifests the true Word made flesh, in the person of the Christ that today is Christ Lisbet, the True Vine, so that everyone will know the truth through Me. And you have to follow me and stay attached to Me so that you can understand what the truth is and what is a lie.

Now that we know all this about the lying scribes and how they were so inflexible to believe in Christ, it confirms what I've been telling you from the beginning, that all the stories in the Bible that look like things that happened in a supernatural way, never really happened that way, they are figures to use as a reference and as a warning. Because if they had really happened, not a single person would have doubted that She was God. What happens is that men do not understand the words of Christ because I speak the wisdom of God that was hidden and they take me as if I invent my words because I speak in parables, in figures. My words are something new that they have never heard, and the people who refute saying that what we speak is not in the Bible, no longer have a valid argument because now they know the truth and it is this truth that sets you free. Amen, Hallelujah!

We love you forever and see you soon.
