

## **THE LAND SHALL GIVE ITS FRUIT**

We greet the King and the Queen of Justice and Peace our eternal loves MelquisedecLisbet with honor and excellence, on this beautiful day of perfection that YOU established to fill us with Your Holiness to live eternity. Amen, Hallelujah.

Our Parents have taught us that now at this time, these three; faith, hope, and love remain. But the greatest of these is love. **(1 Corinthians 13:13) Hope, faith and love** remain in the exclusive time where the children of God are made in the Image and Likeness of the Most High God.

Today we have **THE HOPE** as a total guarantee of being made children of the promise, created by God MelquisedecLisbet because we see how we are being grounded in **HER FAITH** and strengthened with **HER GREAT LOVE**, Christ Lisbet acting in us, leading us on the path of immortality.

Our **HOPE** is true because we are growing and maturing each day attached to our Mother the True Vine. They form us with their mold of love, they teach us and they train us so that we reach their beautiful character and we enjoy the days more because we see how they exercise us so that we learn to know how to do good day and night. We are seeing the positive effect of listening and obeying THEIR word of life; whoever does not see it is because they are belittling the message of salvation and what they see is a negative effect, and that is a sign of disobedience and stubbornness; but the mercy of our Parents is so wonderful that they want you to correct yourself and stop sinning so that you can live eternally enjoying all the benefits of being a son of Jehovah MelquisedecLisbet. The mercy of our spiritual Parents is so beautiful!

**YOUR FAITH** grows in us; each manna fills us with new knowledge, nourishes us and gives us more strength. **And all the knowledge that we are receiving from our Mother in this time, in each holy feast is with the exclusive purpose of being made in the Image and Likeness of our Parents.**

The teachings take us from Lisbet in Lisbet and each time takes us to a more excellent glory, **WE CANNOT THINK WE ARE FULL OF KNOWLEDGE** when they have not even given us all Their wisdom. We must be humble and let ourselves be formed and grow in the Beauty of Their Holiness, and we should be grateful for such a great privilege. GRATITUDE is expressed with actions of love. Because God the Father and Mother desire honesty from the womb and even there, They teach us wisdom. **(Psalm 51:6)**. That's right, MelquisedecLisbet are with us from our birth; They have taken care of us from the womb of our spiritual Mother. It's no wonder our praise will always be for MelquisedecLisbet **(Psalm 71:6)**.

It is so beautiful to see how MelquisedecLisbet edify us with total excellence; what a privilege and what a great honor it is to know with certainty that we are the ideal terrain that YOU chose to make your eternal abode in. You chose us from the dust and gave us eternal life, You teach us to choose Life all the time and to die eternally to the

lame, to the cursed, to what is no good, to what does not profit; because You gave us Your good Spirit and feed us with Your Strength and Power.

**YOUR Love** is expressed with sweetness and You fill us with so many details day by day. When you speak, beloved Mother, you do not seek vain or incipient glory, but you speak because you have the power to guide us, comfort us, perfect us and make us shine and when you act we marvel at YOUR great care and YOUR great mercy. You give and give and You do not stop giving us so much love and that is why **we do not change a minute of YOUR wisdom for an instant of the maximum pleasure that the world offers**, we do not trade with the things of the world, we are not interested. We are Yours and we are for Your praise and that is our greatest pleasure.

Today we have the honor of enjoying YOUR love and we want more and more of YOUR love because we want to understand the height, the width, the depth and the magnitude of all YOUR Beauty. With Your love You allow us to grow in good behavior.

A clear characteristic of a child of God is that he is born full of reverent fear; **our spirit is being formed with GOD'S knowledge in reverent fear**. This foundation is so beautiful, because we are the fulfillers of the law itself and we do not invalidate the principle or the essence of honoring God the Father and Mother MelquisedecLisbet.

Thank You, Beloved Parents, for teaching us to give You thanks, not only in words but in actions of purity, that show YOUR wonderful Praise.

Beloved Parents, MelquisedecLisbet, it is a privilege for us to hear Your wonderful voice, because we learn what we love to learn, to listen to You is the maximum, it is our greatest happiness. You fill us with Your great love and our life today has a purpose.

Beloved Parents, in this precious eternity that You have given us, we see that in the book of Enoch there are 108 chapters and in it, there is a compilation of all the figures YOU teach us, and from this study, You gave us this writing that is titled:

### **THE LAND SHALL GIVE ITS FRUIT.**

And the purpose of this writing is so that we can all **understand that in order for the land to bear good fruit, it must first be fertile.**

Beloved Parents, You planted Your seed in us and give us Sun and Water for it to germinate and whoever does not take from Your Sun and Water, is despising Life and that land will not bear good fruit, it will be the greatest disgrace because they chose to live in the ignorance which is the cause of eternal death.

It is so interesting to understand that God is wise and to sow Their Spirit in us, first They chose the ground, then They knocked down the scrub, They gave us the tool to knock down the tree of good and evil (the wrong teaching about God and Christ) and then Their work was to plow the land, fluff it, oxygenate it, smooth it and leave it soft to then plant the seed and then give us permanent sun and spiritual water. And You

know how to wait for the seed to die in us and germinate and leave first a leaf and then the spike is formed and then bear its fruit.

What great mercy, to wait for each one of us to correct our past way of living forever by using YOUR Holy Word. This is for a limited time and whoever passes this time dies irretrievably, (has no forgiveness) for not appreciating the mercy and great love we receive from our spiritual Parents.

God MelquisedecLisbet are patient and above all very wise and know how to be merciful and do not forget that man is like dust and that his days are like grass, that he blooms like the flower of the field and that the wind passes through it and perishes and its place is no longer known; but THEIR mercy is to cleanse and leave everything ready to sow and then Their mercy is to wait for the seed to germinate, they take their time to form the spirit in us in Their Image and Likeness, because **FOR YOU EXCELLENCE IS WHAT COUNTS**. That's why They take their time and demand patience in order to perfect the wonderful work They started in us. Amen, Hallelujah.

This writing has **FIVE POINTS** with the special purpose that all the holy angels of the Indestructible Kingdom can assimilate the:

**OBJECTIVE:** which is **to understand that in order for the land to bear good fruit, it must first be fertile.**

We as their children are spiritual and a spiritual being **LOVES HARMONY** and knows that he only finds it doing the divine will, that's why it is imperative to understand the first point. Let's see:

1. **To become children of God, we must first learn to please God MelquisedecLisbet.**

Let's see the evidence in:

**Hebrews 11: 5**

***<sup>5</sup>By faith, Enoch was transported to not see death, and was not found, because God transported him; AND BEFORE HE WAS TRANSFERRED, HE GAVE TESTIMONY OF HAVING PLEASSED GOD.***

We see clearly that God MelquisedecLisbet saves Their children from physical death only with Their knowledge. Enoch is just a figure so that today we can understand how to be saved. Well, you have to know how to do God's will. **We must obey promptly what our Parents teach us, AND THAT WAY GIVE TESTIMONY OF HAVING PLEASSED THEM AND THEN BE TRANSFERRED**, which means being passed from death to life (**John 5:24**).

Today we walk with God Themselves and that is what makes us Righteous because we obey Their instructions and we appreciate Their word **BECAUSE WE STRIVE TO OBEY THEM**. We do not relax in giving place to the desires of the carnal mind, but we make sure to watch out for bad thoughts and we take them captive in the name of

Christ Lisbet and look out for the way we act to please the God who lives forever and gives us eternal life (**Genesis 6:9**).

Thank You, dear Parents, because **from YOUR seed** will spring a source of just and innumerable saints forever. The seed will germinate so that the land is not left empty, YOUR promise is fulfilled in us, our genetics are changing, our lament is being changed into dance, our shame in glory, but there are some, sitting here who do not even realize that they are belittling the life, because their thoughts are not the thoughts of the Spirit and their words are of the world and their actions are unpleasant.

How beautiful it is to appreciate eternal life because we make sure to listen well and do not get tired of hearing the word of life, but have the great desire to learn to live in praise. We, Their holy angels seek the mysteries of justice, the patrimony of faith because Their knowledge shines like the sun on earth and the darkness is disappearing; there will be infinite light, but the children of God MelquisedecLisbet will not shine fully until the darkness is destroyed and the light is affirmed before MelquisedecLisbet.

MelquisedecLisbet calls Their stars by name and they respond from eternity to eternity, for our righteous actions please the Kings of immortality.

This time is very valuable and by the will of our Parents all the prophecy is being fulfilled in us, because They consider us worthy to give us THEIR spirit of fidelity, THEIR spirit of wisdom, THEIR spirit of patience, THEIR spirit of mercy, THEIR spirit of Justice, THEIR spirit of peace, THEIR spirit of truth, so that we **reach the promise** of being created for the praise of THEIR grace, or in other words, so that we achieve excellence in the process.

Since we understood this first point, now we go with the second:

## **2. Giving thanks to MelquisedecLisbet is to rest from the works of the carnal mind.**

Let's make the most of this time where God MelquisedecLisbet is transforming the heavens, our minds, with eternal light and our earth is being transformed to be inhabited.

In this time MelquisedecLisbet **SATISFY** the righteous with Peace, the doers of Their teachings, those of us who rejoice in blessing THEIR holy name. Christ Lisbet possesses the hidden treasures, She changes the face of the strong, filling us with reverent fear.

Christ Lisbet is the cane that the just use to support themselves with, those who seek to do Her will. She is light for the nations, for those of us who seek Her wisdom, She is hope for those of us who suffer the mortal agonies of the carnal mind.

Now let's move on to the third point:

**3. Jehovah MelquisedecLisbet PRESERVED the righteous because they hated the works and the ways of the world.**

In this Kingdom, no one can utter vain words (their simple opinions) in front of Christ Lisbet, because in doing so, they are declaring themselves in defeat, we have Her wisdom and we speak with a solid foundation.

The work of the righteous will cause others to testify that they can repent and renounce the evil deeds of their hands. Holy deeds are what have value to God MelquisedecLisbet because we are Their admirable work, that is, we behave with humility and gratitude and we do not allow the fantasies and disasters of the world to deceive us.

We have reached the fourth point, please listen and understand.

**4. The land will return what has been planted in it and the Sheol will return what it has received.**

In this day of snow, the destruction will be upon all the evil thoughts that despise the word of Christ Lisbet; and the angels of punishment cannot escape, the islands and the continents of the sea will be destroyed by their evil deeds.

**The angels of punishment are the foolish ones who are listening without wanting to obey and they make their land scream,** their seed is dried up because of their idolatry; they are like the king Nebuchadnezzar who destroyed the temple in Jerusalem. The angels of punishment do what they crave and have destroyed their life. They are the foolish ones who do not congregate and do their ill will because they love the darkness, that is the teachings of the antichrist, they despise the Mother Earth. With a heart of stone, they have renounced to the light from the beginning and chose the bitter instead of the sweet and do not want to leave their foolishness, because they think that they know more than God and they despise the living God MelquisedecChristLisbet. The wicked are perverted since the womb; the liars strayed from before they were born. (**Psalm 58:3**).

They will be ashamed and will be destroyed in body and soul; the foolish will be aware of their foolishness, that will be their cry and their regret.

**But we who learn obedience know that with the Law of Life, iniquity, is destroyed.** The survivors and immortals love Justice and we walk with Her because Wisdom has manifested and was granted to us as our Mother, our Mediator, our Savior. SHE sat in our mind to instruct us and to govern our land giving us rest and eternal peace.

And now let's move on to the fifth point:

**5. The Powers of the Heavens are the Celestial Beings.**

We have the privilege of knowing God, for They manifested themselves with Their names MelquisedecLisbet and THEY shine like never before, for They revealed to us Their great love with all Their mysteries and never again will there be sin and death in the land of the righteous. **We are the children of God**, They moved us to where the stars are born.

This is only fulfilled in those of us who live in Heaven, those who were moved from darkness to Light, those who breathe uncontaminated air, we receive all the knowledge and power to be born and see all the stars born with great beauty.

The children of God walk on the flames of fire and we are dressed in white clothes and our face will soon shine like crystal, and the light of this fire shines like the hyacinth flower, How beautiful!

Christ Lisbet was engendered by Justice and Justice resides in Her forever, and Her Head will never abandon Her and today She is proclaiming peace with a clear sound and we appreciate and enjoy this moment, because our reason for existing, is YOU our spiritual Parents and without YOU we don't exist, because without MelquisedecLisbet there is no peace and without peace there is no eternal life. We are in the heaven of God and we believe in YOU because we obey You and this confirms to us that we are the children of God.

From the moment a person listens to the message of Christ Lisbet, they are taken to be saved and they are obligated to live in holiness, they have no choice, they no longer belong to themselves, because our Mother shows us life and death and ORDERS us to choose life, so that you and your offspring may live, but whoever does not want to attend to this beautiful commandment is destroying their body, is accelerating their death and the warning is clear **no one will mock God**.

Their wisdom comforts all the land from destruction because we are made new creatures in Christ Lisbet. (**Enoch 107:3**) And as spiritual ones, we only delight in the things of the SPIRIT, but for the ungodly, they do not understand what is Spiritual and they are burned by fire.

**The Law of God is the delight of the righteous, but for the wicked it is his hell (Enoch 108:4-8, Psalm 1:2).** The law of God is our Mother Christ Lisbet because She is the one who saved us from sin and death. She teaches us how to behave wisely and HER Light shines in us, when we speak and when we act because we do everything in praise.

And our spiritual Parents say in:

**Enoch 108:12-13**

***<sup>12</sup> I will exhibit in a shining light those who have loved my holy name and will make them sit on a throne.***

***<sup>13</sup> They will shine for an innumerable time, for the judgment of God is righteous and They will restore the fidelity of the faithful in the dwelling place of the ways of truth. (Book of Enoch, Chapter 108:13).***

Thank You, Beloved Parents, for giving us Your beautiful light and giving us the privilege of loving Your holy name MelquisedecLisbet with obedience and also for teaching us to educate our body and make it a sacred throne; it is a very great privilege to be fertile ground to live eternally. Thank You for making us your grateful, obedient and faithful children. Thank you for taking us on the path of life, the ways of truth to make us Your eternal praise.

**Amen, Hallelujah.**
