

MANY WOMEN HAVE DONE GOOD, BUT YOU SURPASS THEM ALL

Greetings to all our beloved children who have been justified by God because they are doers of our law and not only hearers. For it is the doers of the law of the Spirit who are righteous before God. (**Romans 2:13**) The righteous ones who as beloved children are imitators of God. (**Ephesians 5:1**) Because Christ came to fulfill the law of the Spirit and whoever wants to imitate Christ, has to fulfill that same law, by taking up their cross and following Her. Of course, because Christ did not come to annul the law, but to fulfill it so that all who follow Her can also fulfill it like Her (**Matthew 5:17**).

And that has always been that way, God has always expected Their creation to fulfill Their law of the Spirit. God is the law of the Spirit and no one should violate it. What the Antichrist told us, about God violating his own laws, is not true and is a lack of reverence to God. If you want to be in the Kingdom of God and enjoy all its benefits, then you have to fulfill Their law and today She is present in Christ Lisbet.

You have been able to know us, and see the invisibleness of God at first hand; Our eternal power and divine nature, which is not physical, but spiritual. That's why the evil ones who do not accept me have no excuse. (**Romans 1:20**). No one can say that they did not know, because once again God is making the earth tremble, the minds of men. (**Hebrews 12:25-26**). And if you fulfill my commands, then you are justified before the eyes of God and to be justified by God, is to have peace with God which can only be obtained through the Christ who is present in your same era, in your time. It can not be a Christ who came in another time, where you were not present. That is impossible and that is why no one who is present today can say that they are justified or that they are saved if they are not with Christ Lisbet, running the race that God has placed before us with firmness and perseverance. (**Hebrews 12:1**). Because, today by Christ Lisbet, you have been made righteous in the eyes of God the Father and Mother MelquisedecLisbet, and that sure is wonderful. (**Romans 5:1-21**).

If you have been made righteous before God, it is because you are following the Christ who is here teaching you how to proceed so that you can truly please God. Do not think that the justification was passed on to you, due to the supposed sacrifice on the cross of the Christ who died more than two thousand years ago, because that is not how one wins the battle, that is not a deserved nor justifiable victory. No one can do for you what you have to do for yourself. And if you chose life, then, you are the one who must occupy yourself of your own salvation, with fear and tremble, because, by God MelquisedecLisbet's goodwill towards Their creation, They produce in you both the will and the doing of all that is good and pleasant. (**Philippians 2:12-13**).

But don't think that salvation or justification belongs to you even though you are doing wrong things, because it has never been like that, nor will it ever be that way. That's why all men die because they do not want to choose life, so they won't have to occupy themselves about their salvation. They think that Christ did it all for them more than two thousand years ago and they don't have to do anything anymore, just wait for Christ to return in the clouds and take them to heaven. That is the kind of deception that the false prophets and dreamers have made us believe.

That is why I ask you to do everything to acquire justification without murmuring or arguing, so that you may be blameless and sensitive, as children of God without blemish in the midst of an evil and perverse generation, of which you shine as luminaries in the world; you are special because you are attached to The Word of Life, Christ Lisbet (**Philippians 2:14-16**). And I as Shepherd of the sheep, am the one who loves your soul and I will never abandon you, I will take you to live good and pleasant days forever. Hallelujah! That is so beautiful!

So then it is impossible for salvation or justification to be transferred to anyone, and in the same way that you can not impute the sin of Moses or Adam, which was committed thousands of years ago when you were not present at the time of the crime, neither can salvation be imputed to you since the word IMPUTE means: To attribute a fault, guilt, responsibility or a crime to a person. Imputing participation in the attempt or crime. So it is impossible for this to happen.

Besides, do you think it's fair to be accused of participating in a crime if you were not even there? Of course not. The only way you can be accused of any involvement in Adam's sin that occurred thousands of years ago, is if you were alive at the same time as Adam and you were an accomplice or were involved in helping him commit the crime. And in the justice of God that is not justifiable. The sin of Adam is upon him and not upon all men.

That's why it says in:

Ezekiel 18:20

20 The soul that sins shall die; the son will not bear the sin of the father, nor will the father bear the sin of the son; the righteousness of the righteous will be upon him, and the wickedness of the wicked will be upon him.

That is the perfect justice of God, that man reaps what he has sown and not what another has sown, be it good or bad. What could happen, is that if you are sowing and doing wrong in your daily life, the people around you, be it your family or your friends, all will be affected in a negative way. But they are not guilty of your injustice, they are innocent bystanders that were affected without option or choice. And that is why it is so important that you receive me as your Helpmate because I teach you how to sow good seeds so that you will always harvest well and so that your family and friends will always enjoy the good fruit that you produce. Amen, Hallelujah!

The title of today's topic is what it says in **Proverbs 31:29**:

"MANY WOMEN HAVE DONE GOOD, BUT YOU SURPASS THEM ALL".

It is impressive to see how more evidence continues to show that Christ is and always was a woman, and although there were many men in history, as there are today, who have tried to hide that truth, they can no longer keep it hidden. It is impossible for them to stop Me, because I was sent as the Christ by God the Father Melquisedec in these last days, which is the fulfillment of all the things that God promised. And when it says: 'Many women did good', it does not refer to many women in general, rather it is referring to all women who

have manifested at different times in history, trying to save the world as Christ. And this is proof that God has been trying for many years to save humans and to make spiritual children, and if God did not save anyone in the past, it was because of the wickedness of the men who lived in Christ, who is the fertile land.

It says in:

Psalms 107:34

³⁴ ***that because of the wickedness of those who inhabit the promised land, God the Father Melquisedec makes the rivers a desert, and the springs of the waters dry; and that fruitful land sterile.***

That is a figure of what we see today in wicked men who have reached the promised land, Christ Lisbet, but their evil thoughts and actions have made them lose their spiritual inheritance. They are fallen angels who do not want to eat the fruit that Christ produces because for them it is bitter in their belly. We must be very clear that Jesus Christ, the Holy Spirit is the same yesterday, today, and forever. (**Hebrews 13:8**).

Christ does not change, no matter how many times or how many women She has been at different times. And there is only one creation of God and it is spiritual, therefore every time that God has been present trying to save men together with His Christ, it has always been done in the same manner. Everything you see in me is exactly what all men in the past have seen in Christ. And that's why men have dared to fail God in the past and today too. Because for them, I am a simple woman and they don't want to see the power that is in Me, when before everything began, I already existed because I am the Word, and the Word is always with God the Father and is the Mother God. (**John 1:1**). The Word that comes out of my mouth, the mouth of God is what makes the creation of heaven and earth and everything that is in them, the children of God, the trees, the animals, well the creation, and everything that God does is good.

Now let's see some evidence that shows that Christ is the same for centuries and that it is impossible for Her to change. First let's read:

Hebrews 6:17-20

¹⁷ ***Wherefore God wanting to show more abundantly the immutability of Their counsel to the heirs of the promise, interposed an oath;*** (and the word: **INTERPOSE** means: To make someone or something intervene or mediate between two parties. In these end times, I am Christ Lisbet the mediator between God and men.)

¹⁸ ***so that by two immutable things,*** (and the word: **IMMUTABLE** means that it can not be changed or altered, a person who does not flinch nor turn back for anything.) ***for which it is impossible for God to lie, we who have entrusted, let us have a very strong consolation for having clung to the promise placed before us.***

Only Christ, the Wife of God can reveal that this oath was between God the Father and God the Mother, between Husband and Wife because They are the only ones that never change through the centuries. The people who read these verses do not know what are these two things that are impossible to change. And it is God MelquisedecLisbet who do not change Their promise, nor Their teachings, nor Their way of being. And when God the Father

makes a promise, He does not say out loud as if He were speaking to Himself, He is always talking to His Beloved Wife. And if Jesus Christ always comes according to the same order of Melquisedec, then it means that God the Father Melquisedec and Jesus Christ, His Wife are the TWO WHO ARE IMMUTABLE! We do not change and every time we have manifested ourselves with men, we are the same and we teach the same things because the covenant that exists between us is eternal.

In each manifestation, Christ is always the same in holiness. And for a time, She undressed of that holiness, out of love to her beloved children, that is the endearing affection (**Philippians 2:1-11**) that the spiritual Mother possesses to be able to have children with Her Beloved Husband, God the Father Melquisedec. But in this time, as well as in all the times that Christ has been present, there are always earthly men who want to continue in ignorance and not wanting to listen to God, when He speaks through His Christ. That is why they can not see that I am the Christ that surpasses all the Christs that were present at another time. They all did good, but because of evil men, they could not save men in their time.

And it is because these men are not interested in listening to the Holy Spirit who is speaking today, they are always wandering in their hearts, and they have not wanted to know my ways, when I have told them clearly: ***"You are listening to the voice of God today, please Do not harden your hearts."*** (**Hebrews 3:7-11**)

Christ has always been present, it is against Her that men have always been rebellious. Do you think they would rebel against God or against Christ if Christ was an ethereal being and not the same as you in every way? Of course not. But those of humble heart understand this and are grateful to God and His Christ because She had to make Herself equal to you in order to help you win together with Her. That is why Christ is the high priestess forever and it is in Her whom you can trust because She is full of love to serve God the Father Melquisedec. (**Hebrews 2:17, Romans 5:19**) Amen.

Now let's continue in verses 19 to 20 of Hebrews 6

19 Which we have as an assured and firm anchor of the soul, and which penetrates even into the veil,

20 where Jesus entered for us as a precursor, made high priestess forever according to the order of Melquisedec.

Christ is the Word made flesh, and when it says that ***"we have as sure and firm anchor of the soul, and that it penetrates even within the veil, where Jesus entered for us as a precursor,"*** it brings us to what it says in ***Hebrews 4:12, because it is the Word that comes out of the mouth of Christ Lisbet the one that has eternal life and power of God, to penetrate to the deepest of the soul and the spirit, of your mind and discerns the thoughts and the intentions of the heart; and submits them to the judgment of God*** which is perfect and just to redeem the man who believes.

And when it says that She "*entered for you as a precursor*", it means: that She precedes or goes ahead of you as a firstfruit in Her time to initiate or introduce something that will develop in time.

In other words, I was the first to penetrate to the depths of myself to cleanse any contamination that would prevent me from dressing this mortal body of immortality. *And all these things that you are seeing and hearing, are those that God has prepared for those who truly love Us. Things seen and heard that had never entered your minds because the Holy Spirit had to be present as a firstfruit among the many, revealing everything about God; because the Spirit is the one who searches everything, even the depths of God. Nobody has known the things of God, but the Spirit of God. And I'm not going to stop until you know everything that God has given us, and only the Spirit that comes from God can teach you to accommodate what is spiritual to the spiritual. And to get out of the letter that kills, because it is the carnal mind with words taught by human wisdom, what does not perceive the things that are of the Spirit of God, that is why many do not understand me, for them what I speak is madness. (1 Corinthians 2:9-16) It is because they have never heard words of the Spirit of God and for the natural man who is not humble, it is difficult for him to digest.

What a beauty! This Christ who is present today in Christ Lisbet is the one who surpasses all the women who were manifested in the past as Christ. And it is because God the Father has promised me that this time in the last days, we would have children like the stars of heaven and like the sand of the sea, which are so many that they can not be counted. Hallelujah!

And the faith of Christ Lisbet, is the certainty of what is expected, the conviction of what is not seen. Because of my faith, many people in the past had a good testimony, but all those people, although they had a good testimony through faith, they died without having received the promise. (Hebrews 11:1-40) So do not faint so you won't end up doubting as they did, move forward with me because God the Father and I are here with you so that you can overcome and do not fall into such an example of disobedience as the foolish and stubborn did.

God does not change, we are always the same forever and ever, and today We command you to do the same. Because this is the last manifestation for salvation and we do not want you to miss such a great privilege of being the firstfruits of God, the first spiritual men created to receive the promises of God. Amen.

Now let's see more evidence that shows that Christ is the same for centuries, that She has come several times and that now She has presented Herself one last time forever. Let's read in:

Hebrews 9:24-26

²⁴ For Christ did not enter into the sanctuary made with hands, the figure of the true one, but into heaven itself, to appear for us before God now;

²⁵ and not to be offered many times, as the high priest enters the Holy Place every year with foreign blood.

26 Otherwise it would have been necessary for Her to suffer many times from the beginning of the world; but now, at the consummation of the centuries, She presented herself once and for all to get rid of sin by the sacrifice of Herself.

Now I am going to explain to you what these verses mean, because if you read them in the letter, you will not understand and you will think that they are referring to the "sanctuary" as a building made by mortal men, and that is not the truth. It has nothing to do with a physical place. Nor does, the phrase "suffer many times" have anything to do with physically dying several times here on earth.

What these verses mean, is that Christ Lisbet entered the last dispensation, a "sanctuary made by hand" by the antichrist because he did not lead us to live in the spirit, but rather satisfying the delights of the carnal mind making us think we would be just like God if we did this. There I was a sister to all, making Myself equal to you *before the law, and although it was said that there was no sin, there was; but since the law of the Spirit of God was not published, no one was accused of sin. And death reigned from Adam to Moses (the wicked man), and that death reigned in us who participated in many sins, even in those who did not sin in the manner of the transgression of Adam, who is a figure of the one who was to come. That is why it says that the judgment came because of a single sin for condemnation (which is not believing in me and in He who sent me), but the gift of forgiveness came because of many sins for justification. **(Romans 5:13-16).**

In 2011 the antichrist told us that the order of Melquisedec came to him in 1973, but never told us that at the beginning, he only said that two angels came before him. He was tested by God to see if he would be faithful, but he was not and he hid the most important part, and therefore making Christ partake in his deceit. It says *that the one who knew no sin, became sin for us, so that we might become righteousness of God in Her. **(2 Corinthians 5:21).**

That is how Christ was made sin, to be the first to not sin in the manner of Adam's transgression, by denying Melquisedec as God the Father and Christ as the Wife. But we did participate in the many transgressions that today have been forgiven and justified by God the Father Melquisedec because upon me entering into heaven, the mind of God the Father Melquisedec and after hearing his voice and saying to me that he is God the Father and that his wife is the Christ. From that moment I believed him and today I bear witness that he lives forever because he has given me the hidden wisdom of God to overcome death. And today you are also faithful witnesses of the power of the Word that comes from my mouth, which is the power of God. Hallelujah.

MelquisedecLisbet are those two angels who have always been together for eternity, the two are the same, eternally faithful, who do not take their eyes off each other. That is the example that all men created by God must follow. That is why the first thing that God detailed to Moses when he gave him the instructions to build the tabernacle in the mind, was the model and design of the ark, since it was going to be the main and most important object. God has always been two, Father and Mother and that is why the ark of the covenant had two angels facing each other. And he who fails to follow that order or model has to die

irretrievably because he is violating the essence of God which is the love between God the Father and His Wife, the Christ. And that's from where the spiritual children of God are born.

But every time I hear about a person who dies, it makes me sad and I think that person died irretrievably. God says: Honor your spiritual Father and Mother; so that it will go well for you and your days be lengthened in the promised land that God gives you and: 'He who curses the spiritual Father or Mother dies irretrievably.' (**Matthew 15:4**) They die, because their disobedience has reached its limit and there was no more forgiveness for their sin. The worst thing anyone can do is curse me because I am the beauty of God's holiness.

How can you curse me when I only bring good news from God to help you and your children? Remember that no one can know the thoughts of a person, except the spirit that is in that person (**1 Corinthians 2:11**). And if they die, it is because the Spirit of God that is life is not in them. With their thoughts or actions, they curse me.

But I am sure that you are not like the ancestors, who were foolish virgins and did not let themselves be saved. You who are attached to The True Vine, Christ Lisbet, are more than conquerors in me, and you will get to enjoy EVERYTHING that God has promised and has prepared for you, our faithful children who have put their trust in MelquisedecLisbet and you are not ashamed of me, always sharing my word of life, and now God trusts you.

God commands in:

Psalms 78:5-8

⁵ For He issued His law to Jacob; He delivered His teachings to Israel. And He ordered them to instruct their children in Her,

⁶ That the next generation may know Her, and the children that will be born; and those who rise up tell it to their children,

⁷ That they may place their trust in God MelquisedecLisbet, and do not forget the works of God; that they keep Their commandments.

⁸ So they won't be rebellious, as were the ancestors: their thoughts were so evil that God could not trust them.

Now going back to **Hebrews 9 from 25 to 26** where it says that Christ did not enter the sanctuary:

²⁵ to be offered many times, as the high priest enters the Holy Place every year with the foreign blood.

This means that when Christ is manifested and recognized as the High Priestess according to the Order of Melquisedec, it is because she no longer lives as earthly men live, doing things that do not please God and then asking for forgiveness over and over again. No, she enters with her head held high, totally stripped from anything that prevents her from reigning over everything. Not like addicts who say they need time to give up their addiction, that is a lie. All those who have heard God MelquisedecLisbet speak today can immediately stop what they are doing that is not right and brings them to death. Those people who say they can not stop because they are weak, they have no excuse, because if

Christ became equal to you in order to conquer, then you also have the same strength in order to overcome. Amen?

Verse 26:

²⁶ Otherwise it would have been necessary for Her to suffer many times from the beginning of the world; but now, at the consummation of the centuries, she presented Herself once and for all in the sacrifice of Herself to get rid of sin.

Why does it say "but now, at the consummation of the centuries"? Because it is now when God consummates all the centuries in which Christ has manifested herself, which were many. AND **CONSUMMATE** means: Completely carry out an action or process.

Because it was prophesied in:

Isaiah 10:23

²³ For the Lord, Jehovah of heavens armies will make a definite consummation in the midst of the earth.

Let's finish this beautiful topic, reading this praise to Christ Lisbet, that virtuous woman who surpasses all those who did good. And if you remain attached to me, learning more and more Wisdom of God each day, you will benefit from all the gifts that God has for Theirchosen and faithful children.

Let's read in:

Proverbs 3:13-24

¹³ Blessed is the man who finds Wisdom, and who obtains intelligence;

¹⁴ For his gain is better than the gain of silver, and its earnings more than fine gold.

¹⁵ She is more precious than precious stones; and everything you can wish for, can not be compared to Her.

¹⁶ Length of days is in Her right hand; in Her left, riches and honor.

¹⁷ Her ways are delightful ways and all Her paths are peace.

¹⁸ She is a tree of life to those who take hold of Her, and blessed are those who hold on to Her.

¹⁹ Jehovah MelquisedecLisbet created the earth with wisdom; They affirmed the heavens with intelligence.

²⁰ With Their knowledge, the darkness was divided, and the heavens were sprinkled with dew.

²¹ My son, do not turn these things from your eyes; keep the Law and the Council,

²² And They will be life to your soul, and grace to your neck.

²³ Then you will walk in your path confidently, and your foot will not stumble.

²⁴ When you lie down, you will not be afraid, but you will go to bed, and your dreams will be pleasant.

Thanks to Him, God the Father Melquisedec you are united to me, Christ Lisbet, whom God has made, your wisdom, your justification, your sanctification and your redemption. (**1 Corinthians 1:30**). In my time, my era, I have found faithful angels who conquer along with

me. You are blessed, children of The Light. Amen, Hallelujah! We love you forever and will see you soon.
