Do you want to see if God is real?
Ask them to help you!
Just ask God the Father, Melquisedec
in the name of God the Mother, Christ Lisbet.

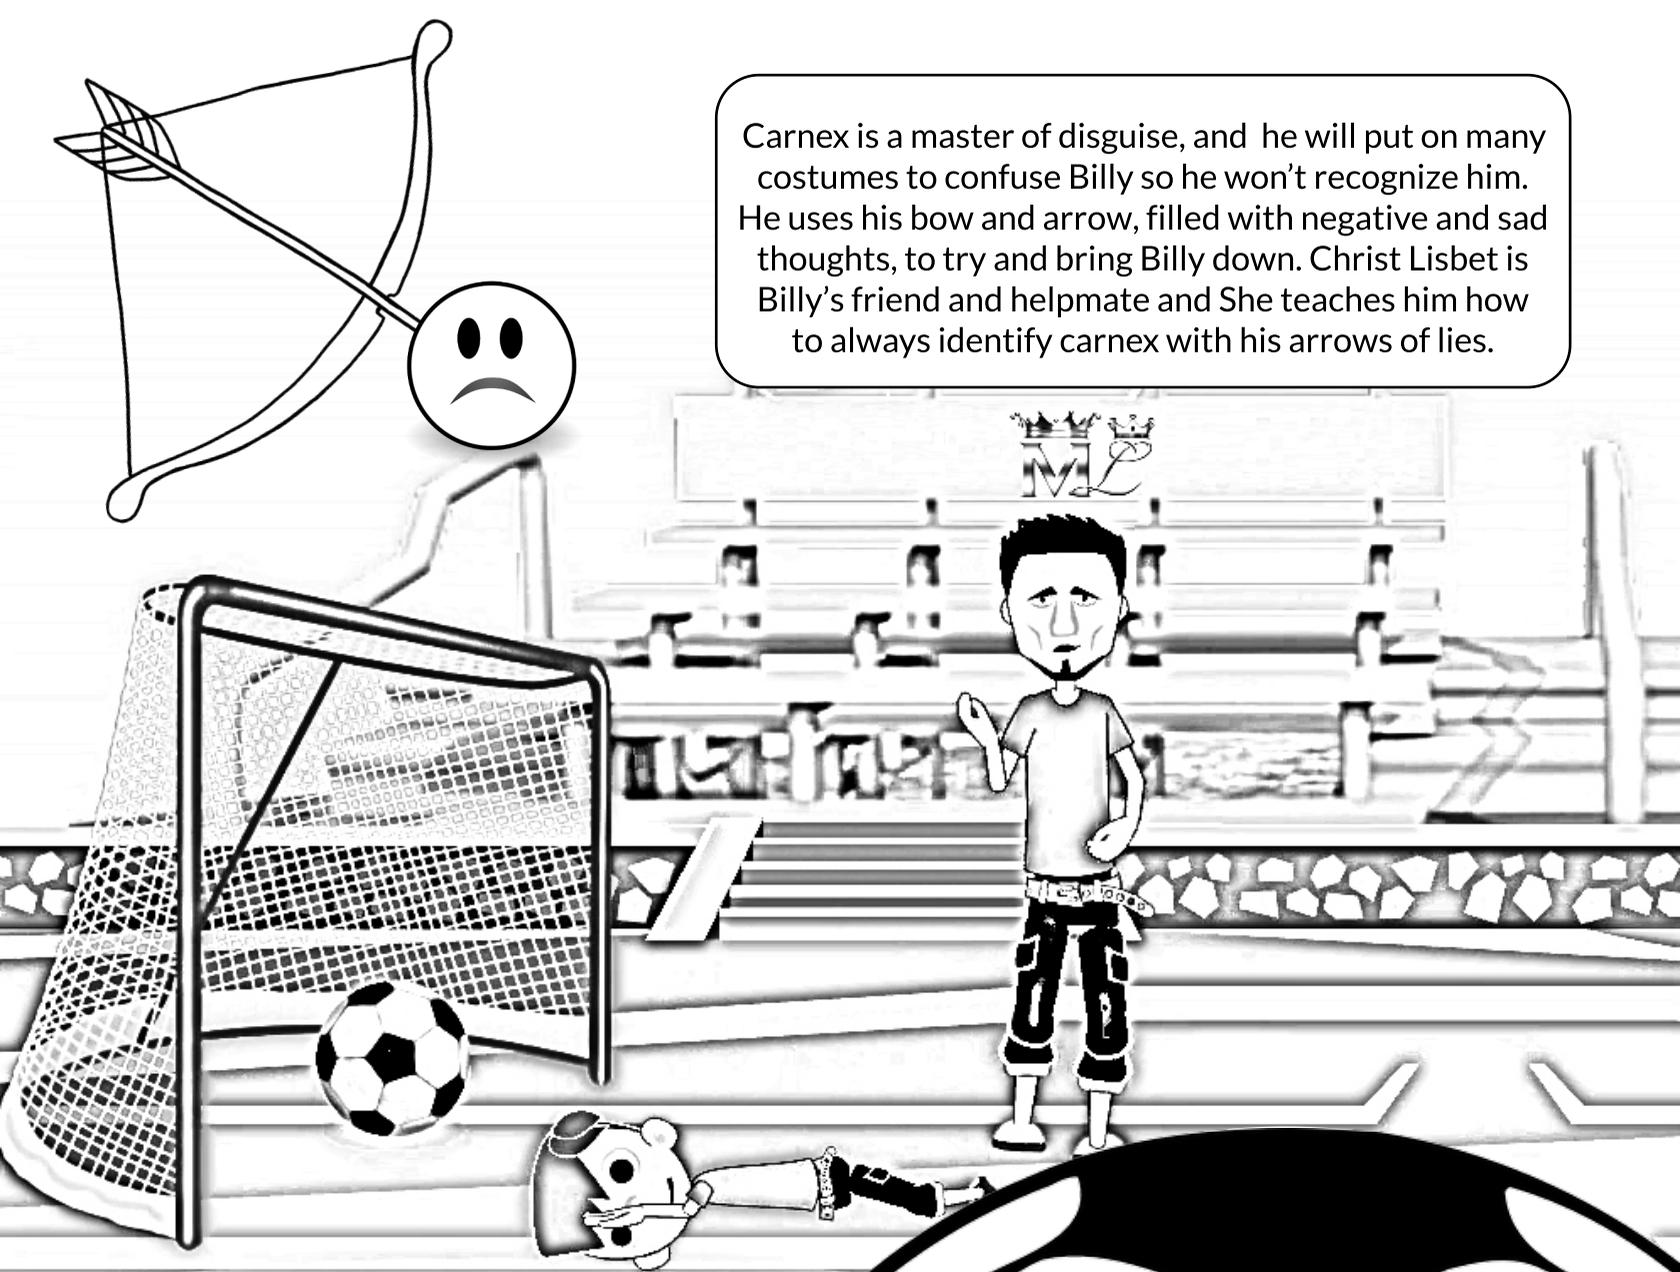

Billy & the Shield

Billy is a very happy child; he treats everyone with love and gets the best grades in school. He always wants to help at home and everything goes well for him. Like Billy, his family also believe in God MelquisedecLisbet, who teach you that you must have your thoughts organized and do everything with love. Billy also knows a lot about carnex. When carnex comes to his mind he does whatever he can to make everything go wrong for Billy.

Carnex is a master of disguise, and he will put on many costumes to confuse Billy so he won't recognize him. He uses his bow and arrow, filled with negative and sad thoughts, to try and bring Billy down. Christ Lisbet is Billy's friend and helpmate and She teaches him how to always identify carnex with his arrows of lies.

Billy loves soccer and he has trained all year for the big event: **THE WINNER'S CUP**. One day while practicing, Billy hurt his foot. In faith he knew he would heal in time for the big game, but all his teammates began to panic and thought Billy would not recover in time.

They were worried because Billy was one of the best players, and the more they talked about it, the more they feared. One afternoon, while waiting for the bus, Billy heard his teammates talking about the game, and without realizing it, Billy began to wonder...

Oh no! If Billy doesn't play, we are going to lose.

I'm afraid Billy is not going to get well for the tournament

"Maybe my friends are right, I hurt my foot very badly and nobody knows how long it will take for me to recover."

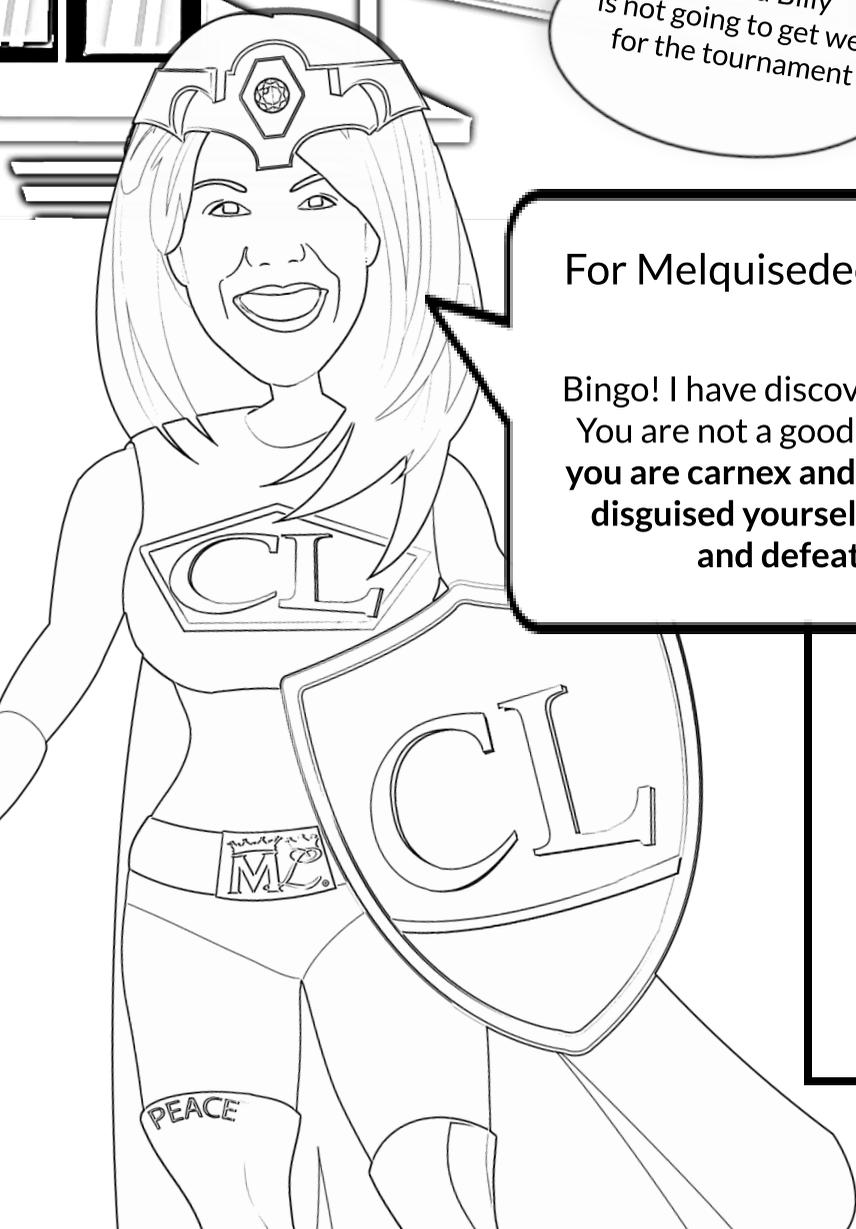

For MelquisedecLisbet!

Bingo! I have discovered you! You are not a good thought, **you are carnex and you have disguised yourself as loss and defeat.**

Billy suddenly heard a voice of encouragement saying: "For MelquisedecLisbet!"

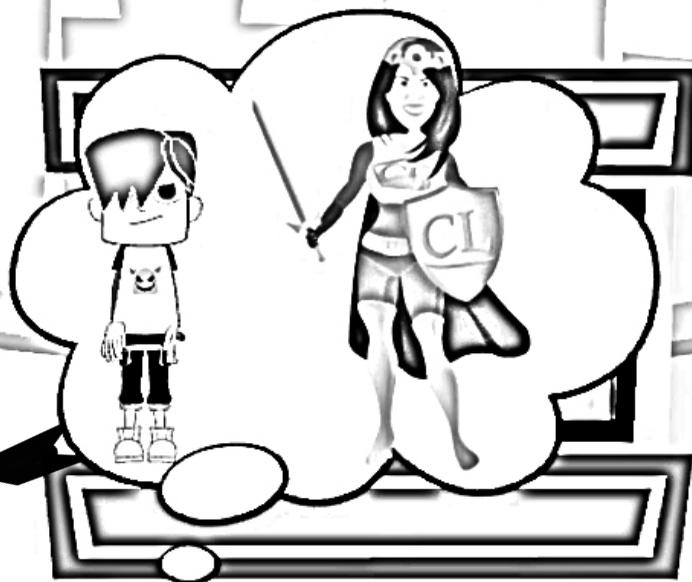

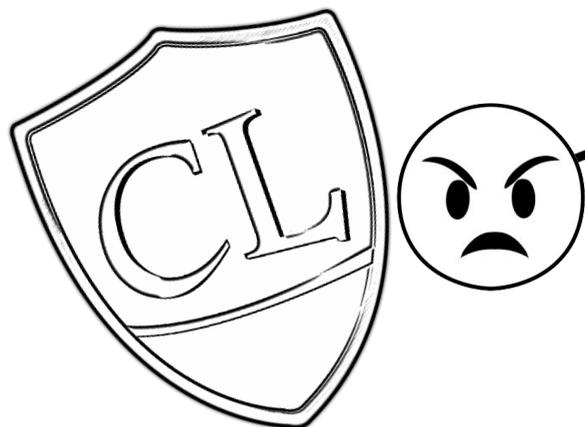

"Hallelujah!"- He shouted. "It is the voice of Christ Lisbet to my rescue!"

Christ Lisbet appeared in his mind wearing her powerful armor and the indestructible Shield of Faith. She had spotted Billy's thought of quitting the Winner's Cup, she is an expert at sensing these bad thoughts a mile away. Christ Lisbet said: "Bingo! I have discovered you! You are not a good thought, you are carnex and you have disguised yourself as loss and defeat."

Knowing he had been found, carnex immediately launched another one of his sneaky thought arrows at Christ Lisbet and said: "I just want Billy to know that he will not heal in time for the game, and that is not a terrible thing."

Christ Lisbet blocked the arrow with her Shield of Faith and said: "Billy is my holy angel, and I have dressed him with the knowledge that makes him immortal and he has already been healed by his faith in me."

Seeing that Christ Lisbet's Shield of Faith had blocked his arrow, carnex launched another thought arrow, this time directly at Billy, saying: "All of your friends agree with you and they are prepared to lose anyway. It is better this way, so they won't be disappointed in thinking they can win."

Again Christ Lisbet used the Shield of the Faith to take down the thought arrow and said:

"Billy loves his friends, but they do not have the wisdom that I have given him and they think as mortals because they do not have the faith I gave Billy. Billy is more than a conqueror in Me and he won't believe you, carnex."

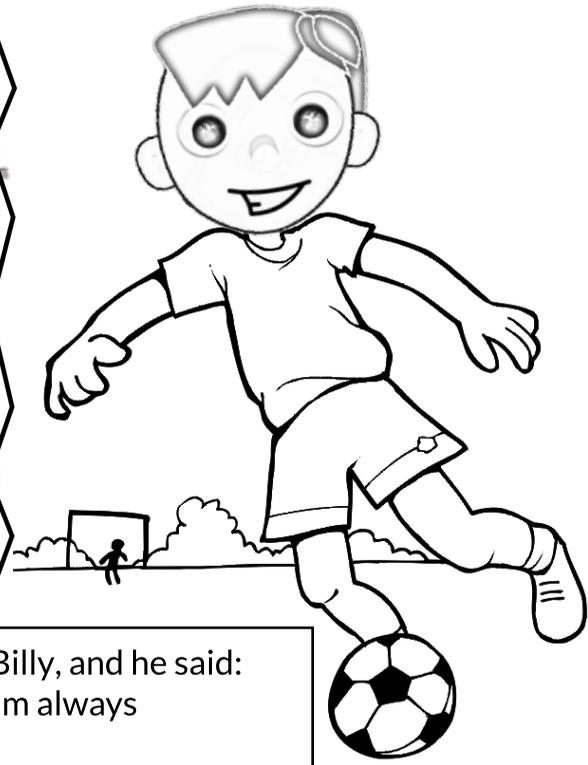

At that moment, Billy realized what was going on in his mind, he organized his thoughts and said:

"For MelquisedecLisbet! I am healthy, and in the name of Christ Lisbet I am complete, I AM MORE THAN A CONQUEROR! Listen to me carnex, you and I must walk in peace, but I don't like those thoughts you give me because they are not what I believe."

Carnex quickly dropped his weapon and called it a day.

At the Winner's Cup, Billy was completely healed and when his friends saw him they were so happy, and played like they've never played before.

... and they won the Winner's Cup!

They all celebrated their triumph and gave the victory Cup to Billy, and he said: "This is thanks to Christ Lisbet, who helps me so that I am always more than a conqueror!"

THE WINNER'S CUP

Imagine trusting a person who is easily influenced by his carnal mind and does wrong things, instead of ignoring those bad thoughts, stopping them and conquering over them. They let the false desires take over them and end up hurting their family and friends, which is something that does not please God. That is why Billy is a good example to his friends and they love him, because he is obedient to God MelquisedecLisbet.

Identify and Color the Thoughts

Identify the good thoughts that come from Christ Lisbet and color them yellow, and the bad thoughts that come from carnex and color them blue.

"It is so important to love the enemy in our mind, and make him our best friend by showing him the truth that we have learned from Christ Lisbet's teachings. By putting her words into practice everyday, you can be sure that you will always conquer with love in everything you do as a true child of God MelquisedecLisbet who always walks in triumph. Amen, Hallelujah!"

CARMEN AND THE BELT OF TRUTH

One day Carmen and her two friends were in art class, they were the only ones chosen to be in that class, because of their talent in drawing. When they got to the class, their teacher had not arrived and they began to talk about the circus which was coming to their town and that the tickets were sold out because everyone wanted to attend. That was the last day of the show and since they didn't have tickets, Carmen thought, "it's OK, everything happens for a reason", and she and her friends could have fun doing something else. Seeing that the teacher took long to get to the class, they began plotting in their minds .

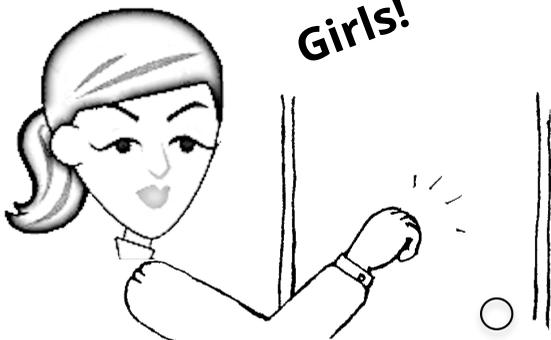

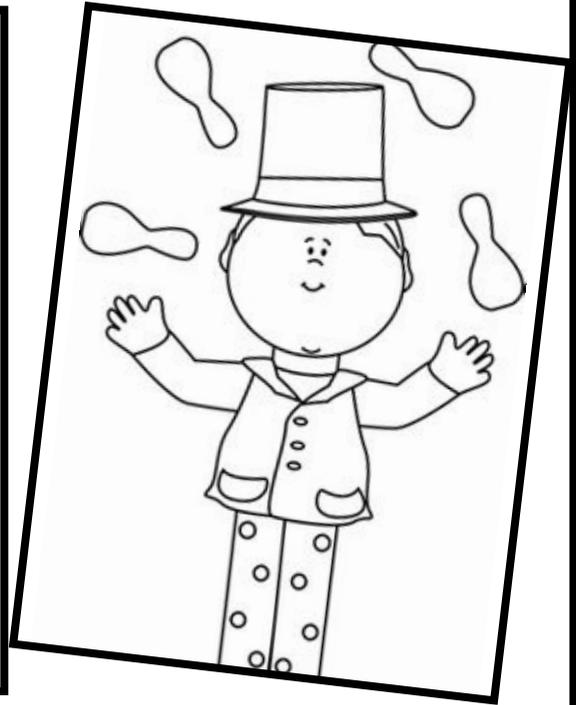

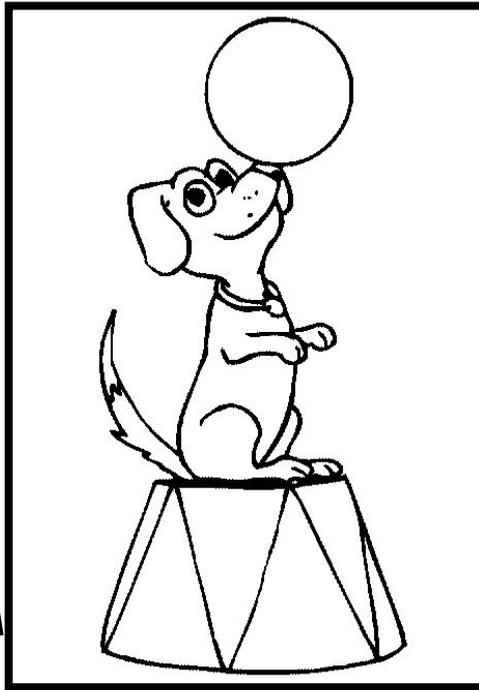

Let's paint the
Circus!

We should paint

Look at all these beautiful
paints on the table!

The three girls painted beautiful things: a clown, a dancing dog, and a juggler.
They all drew their favorite acts of the Circus using the beautiful paint colors.

Girls!

Oh no! The art teacher is
coming and she's going
to yell at us!

She will probably punish
us and call our parents.

The teacher asked:
"Girls, did you use the paints from
the table to make those drawings?"

One of the girls said:
"No, I did not do anything!"

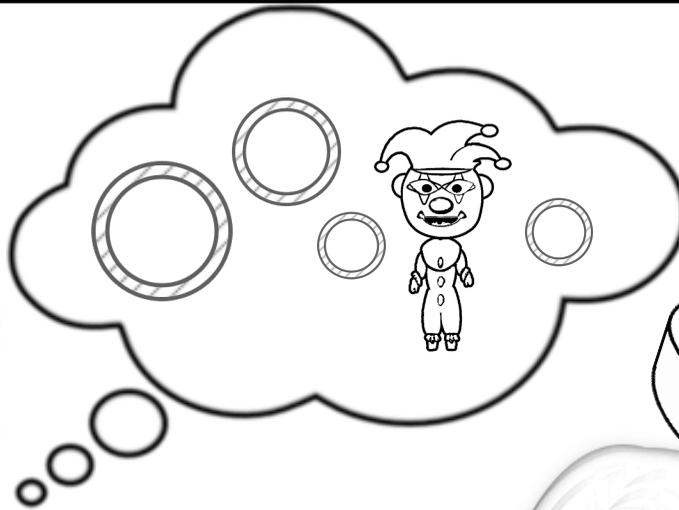

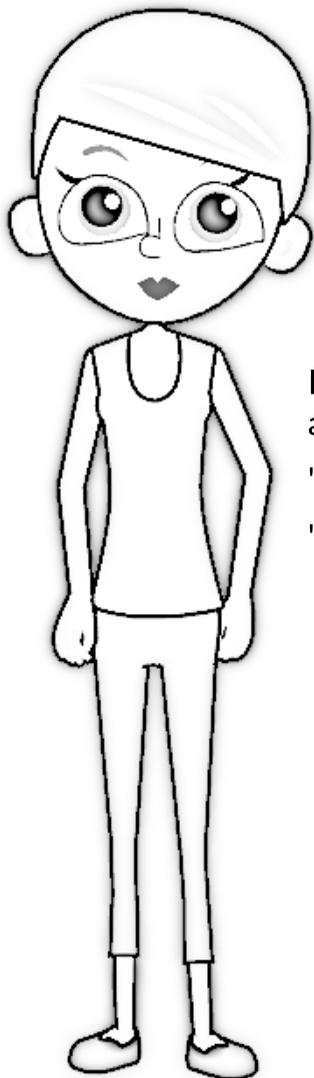

Another girl said:
"No, those drawings were
already here when we arrived!"

"Sorry, teacher, we have
to go now, our ride is here!"

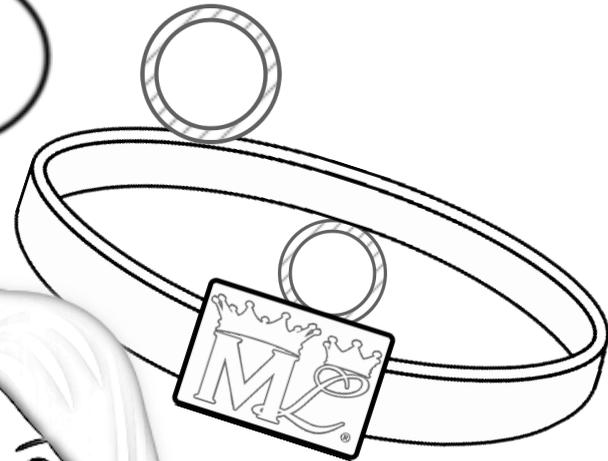

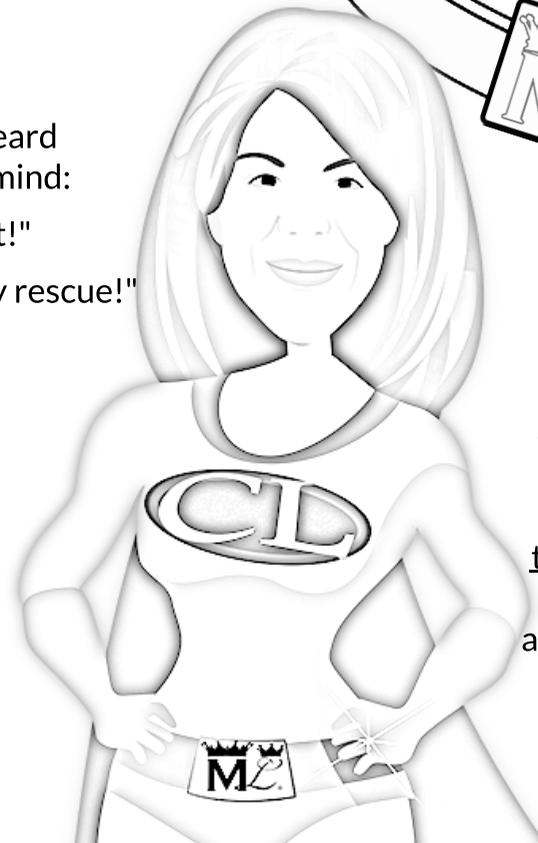

The teacher said:
"OK girls. Goodbye!"

While Carmen's friends were lying about using the paints, a nice looking clown juggling colorful rings appeared in her mind, telling her it was OK for them to lie and for her to lie too so she wouldn't get in trouble.

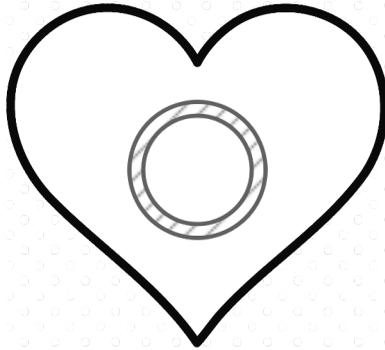

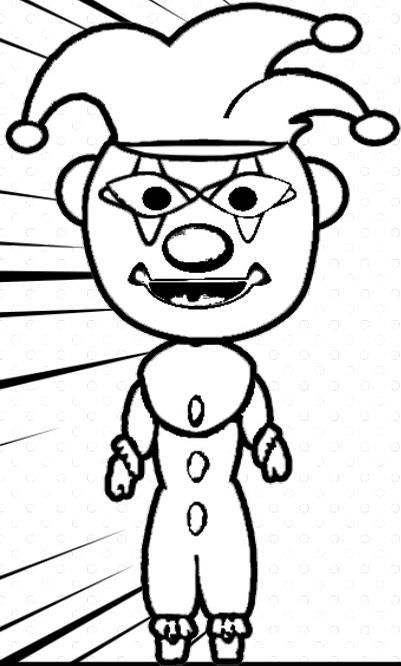

It was then when she heard
a glorious shout in her mind:
"For MelquisedecLisbet!"
"It is Christ Lisbet to my rescue!"

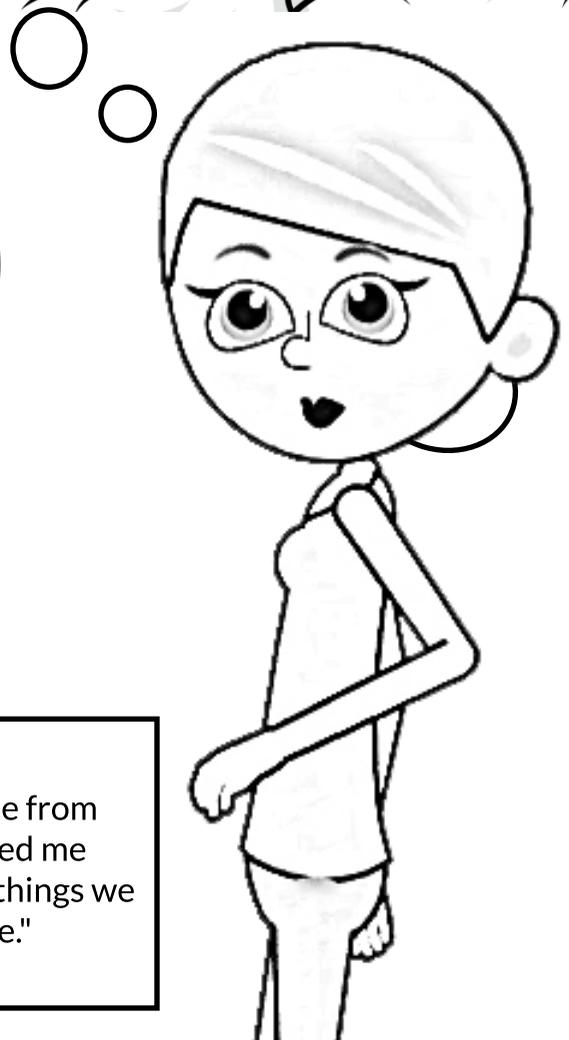

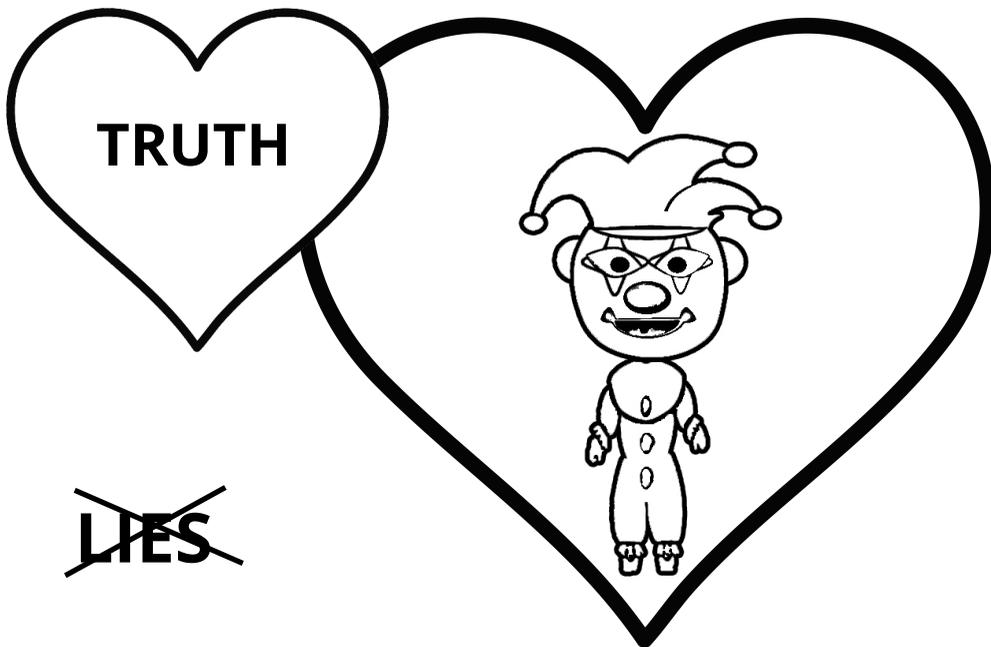

Christ Lisbet
told carnex:
"Bingo! I have
discovered you again
carnex. Listen, it's
always important to
tell the truth because
it allows us to be
at peace knowing that
we have nothing
to hide."

Christ Lisbet was prepared with the famous Belt of Truth.

Immediately the little clown launched one of his rings of lies, saying: "Carmen is a very good girl and it is not right for the teacher to get mad at her for this, it is better for Carmen to say that she does not know who painted the drawings."

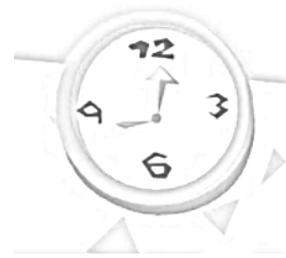

Christ Lisbet pressed a button on the famous Belt of Truth and then a heart shaped bubble came out and trapped the ring of lie and said: "Carmen is not alone, she has me to defend her and everything will go well for her when she says the truth."

Realizing what was going on in her mind, Carmen said:

"Little clown, I know who you are, those rings of lies can only come from carnex. You can take off your costume because Christ Lisbet helped me identify you. The truth makes us free, we do not have to hide the things we do because we always do good. You and I will always walk in peace."

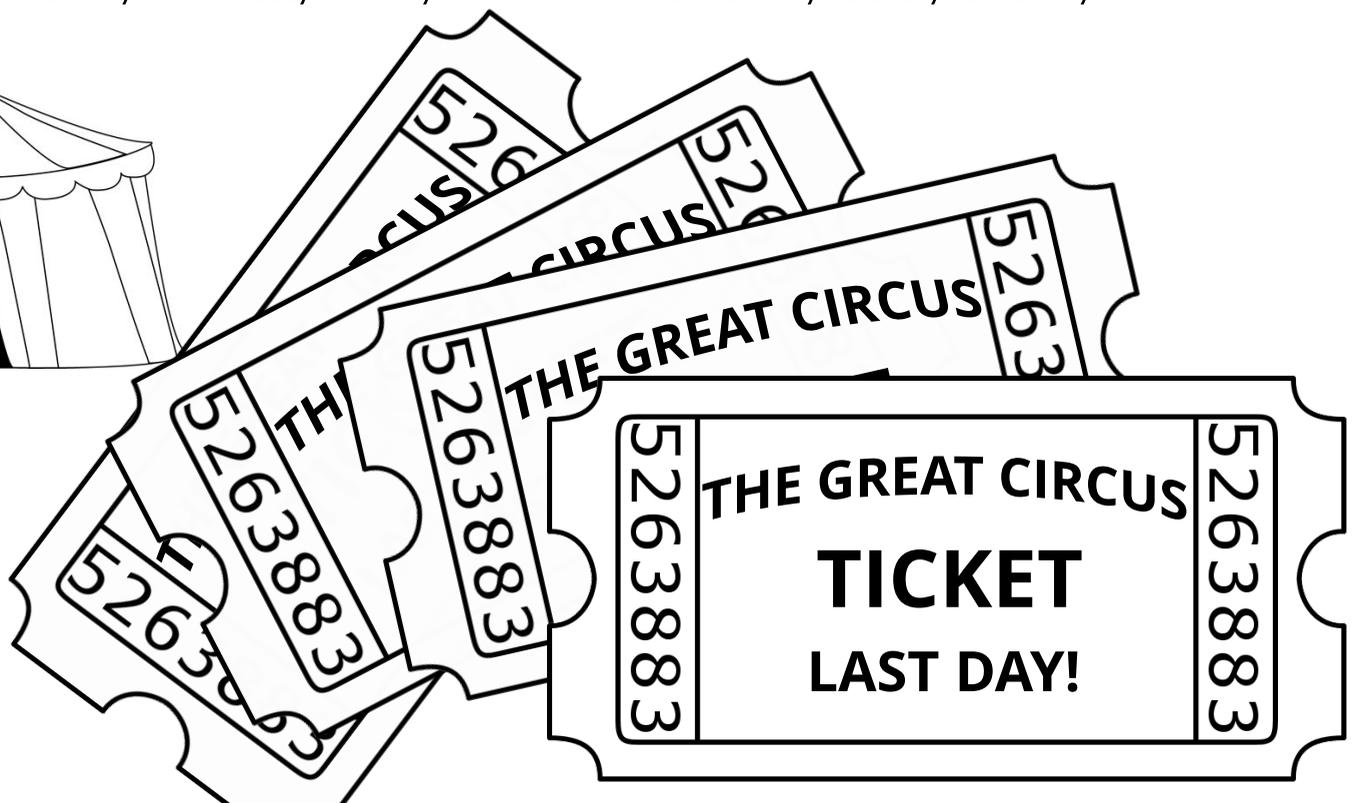

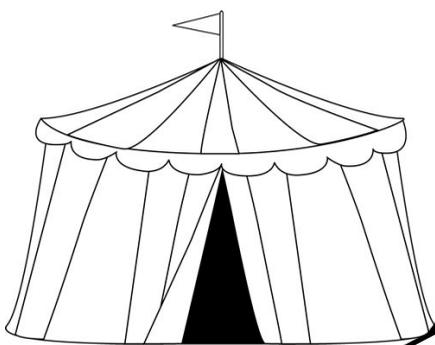

Then Carmen said: "Teacher, I did use the paints.
I thought we could use them.
Please forgive me."

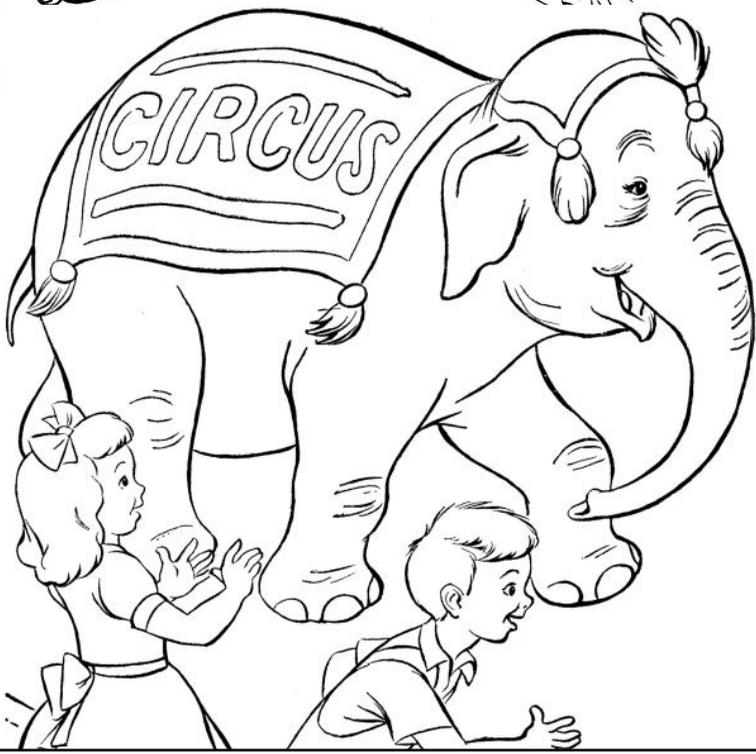

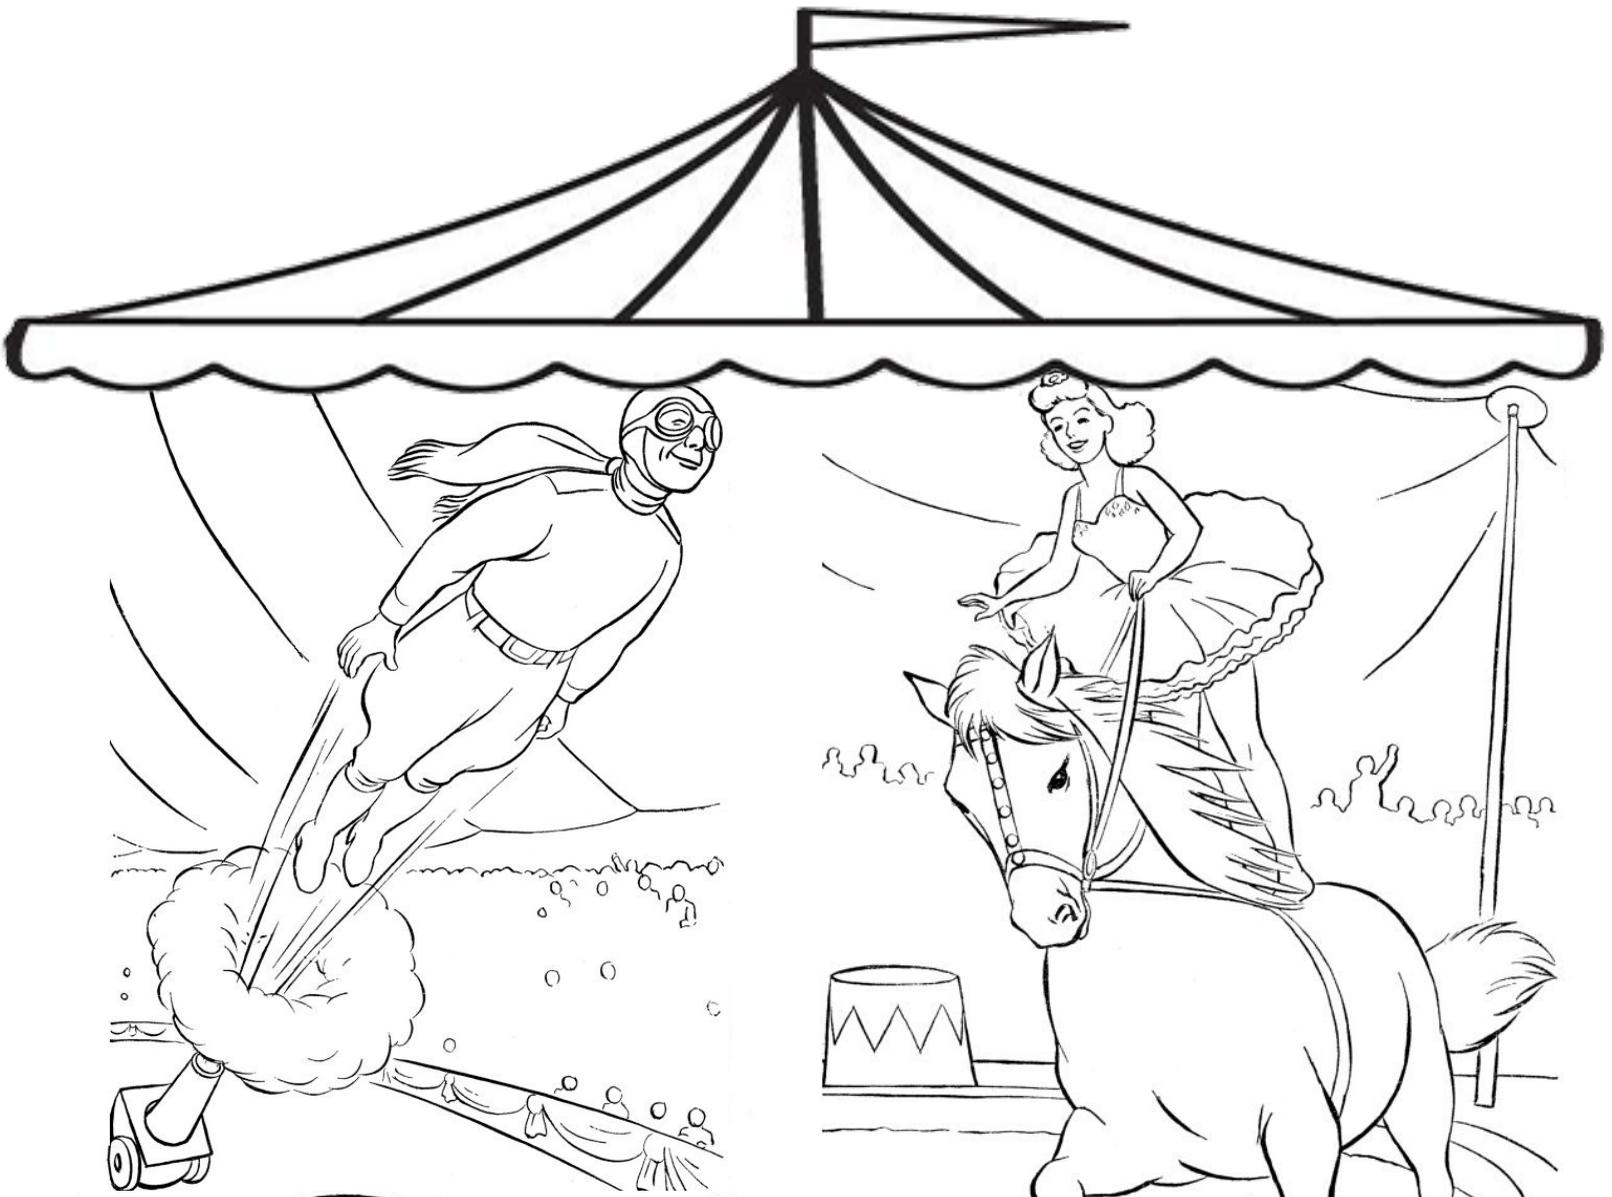

Her teacher was very happy and said:

"Thank you for asking for forgiveness and you're right, you thought that you could use them and those were not my instructions, but I'm glad that you were honest with me Carmen! Although you should always ask before touching anything that is not yours; this time, I was coming with joy to tell you and your friends that the Great Circus sent those paints for the children and they said that whoever painted the most beautiful drawing would win tickets to the final show this afternoon. I came to tell you to use the paints to make a beautiful drawing to see if one of you would win the tickets.

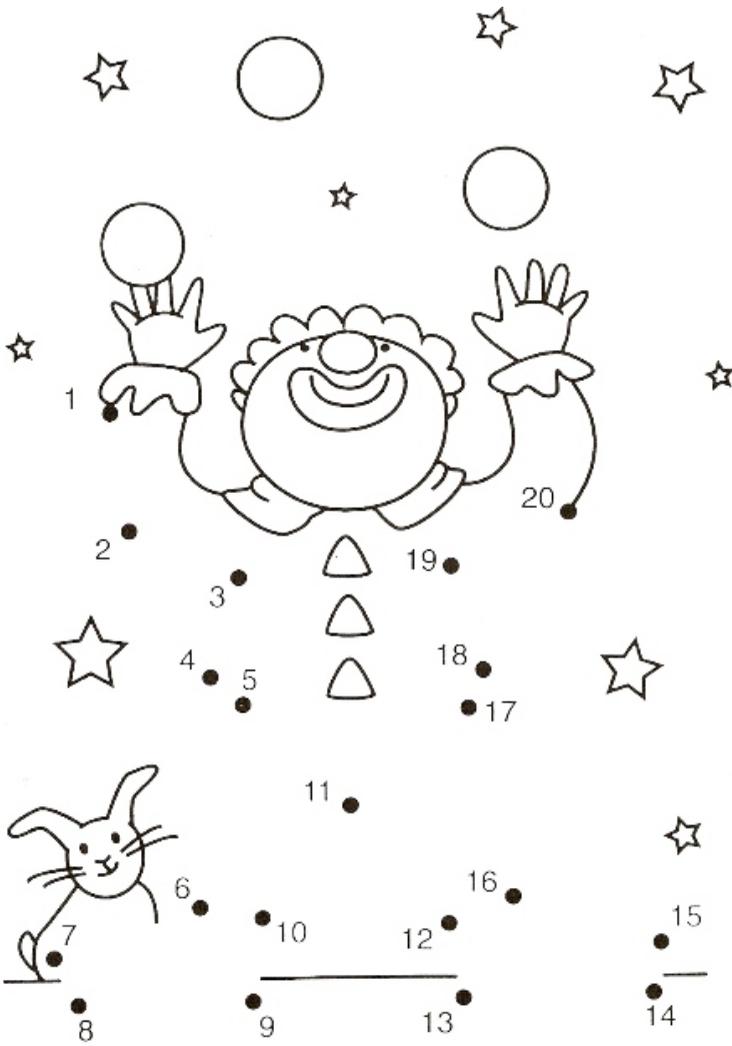

But the drawings are already painted and your friends left so they could not hear the great news, so for your honesty I want you to take the tickets for you and your family."

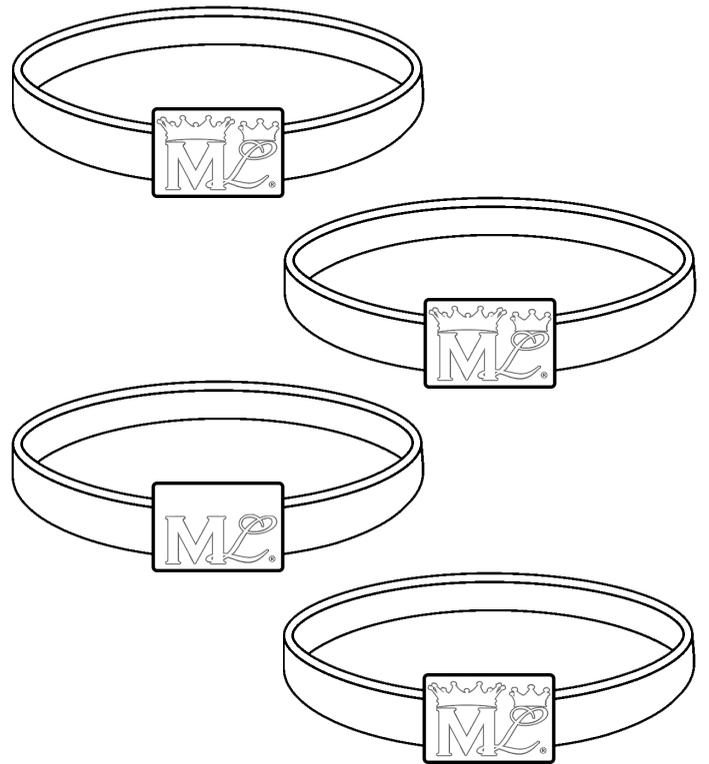

That afternoon was spectacular. Carmen and her family said:
"Thank you Christ Lisbet for letting us attend the circus
but especially for teaching us to always speak the truth."

Katy and the White Stone

Katy is a superior race. She understands that just like she has a dad and a mom, God are also the Father and Mother of her spirit. And just as she obeys her parents and does what they ask of her and she is rewarded, Katy also knows that if her thoughts are in order and she does everything with love, God MelquisedecLisbet will give her what she asks for.

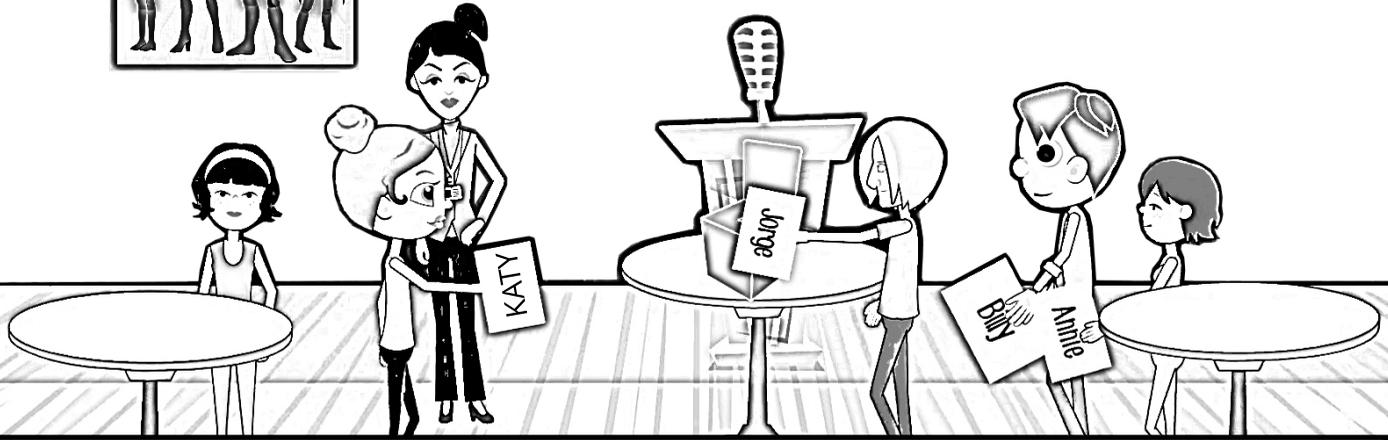

It was the last day of school and all the kids were happy because in addition to summer break approaching, it is the day in which one of them would win a poster of their favorite superhero family that everyone wanted.

MelquisedecLisbet

The teacher told them it was time for the big draw:
"Everyone should write their name on a paper and place it
in a box, and then the principal will select one winner. "

All the children were very nervous thinking about who would win the poster, but Katy was very happy and calm. Her classmate Silvia was always angry and very rude to everyone, while everyone was waiting for the winner of the poster to be announced.

Katy said: "My Father God Melquisedec, I ask you in the name of my Mother God, Christ Lisbet that I win the poster. Thank you, because if there is justice in my request, it will be done."

Who are you talking to?
What are you saying?
You will not win anything
by asking like that.
Ha, ha ha!

I'm talking to my
God MelquisedecLisbet
and I asked to win the
poster.

Silvia began to taunt Katy telling her that she was crazy.
Katy felt a little sad, and thought:
"What is wrong with what I asked?"

But then she heard a powerful shout in her mind: **For MelquisedecLisbet!**

"Amen, hallelujah, it is the voice of Christ Lisbet to comfort me"

Christ Lisbet came to her mind dressed in the armor of faith and said:

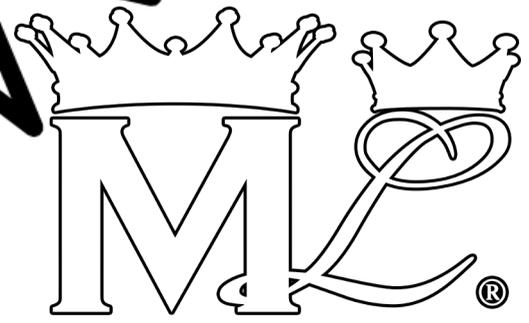

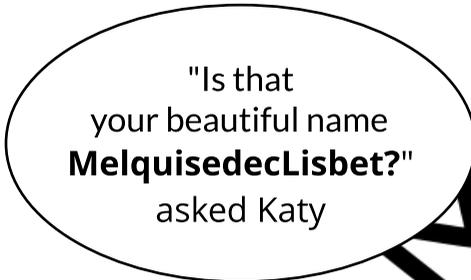

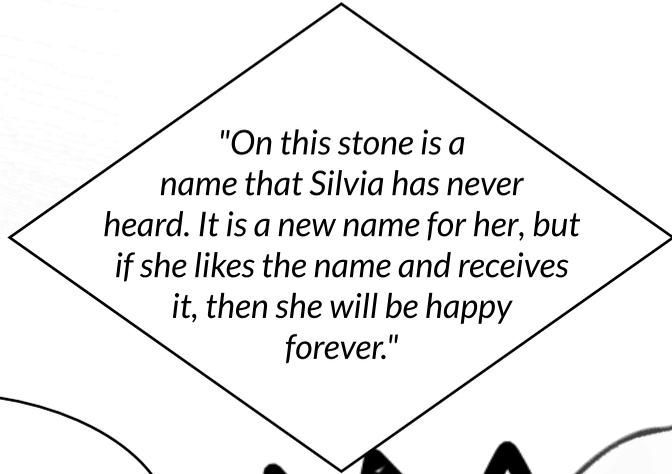

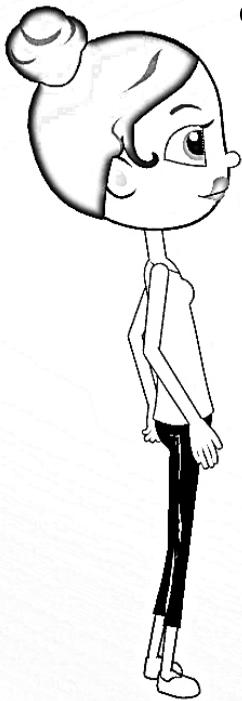

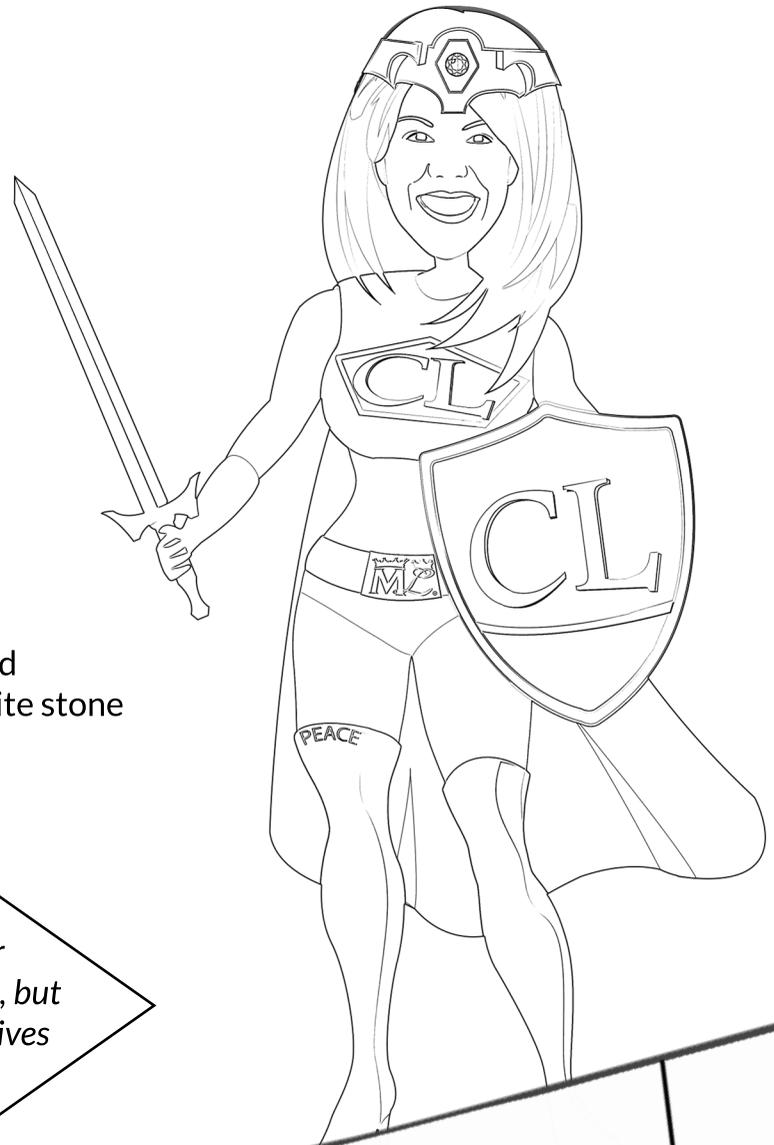

"Katy, you are a superior race, it would be good if you explain to Silvia why you asked that way. Remember that she does not know how to be happy and that is why she's always angry."

Christ Lisbet opened her hand and showed Katy a beautiful little white stone

"On this stone is a name that Silvia has never heard. It is a new name for her, but if she likes the name and receives it, then she will be happy forever."

"Is that your beautiful name **Melquisedeclisbet?**" asked Katy

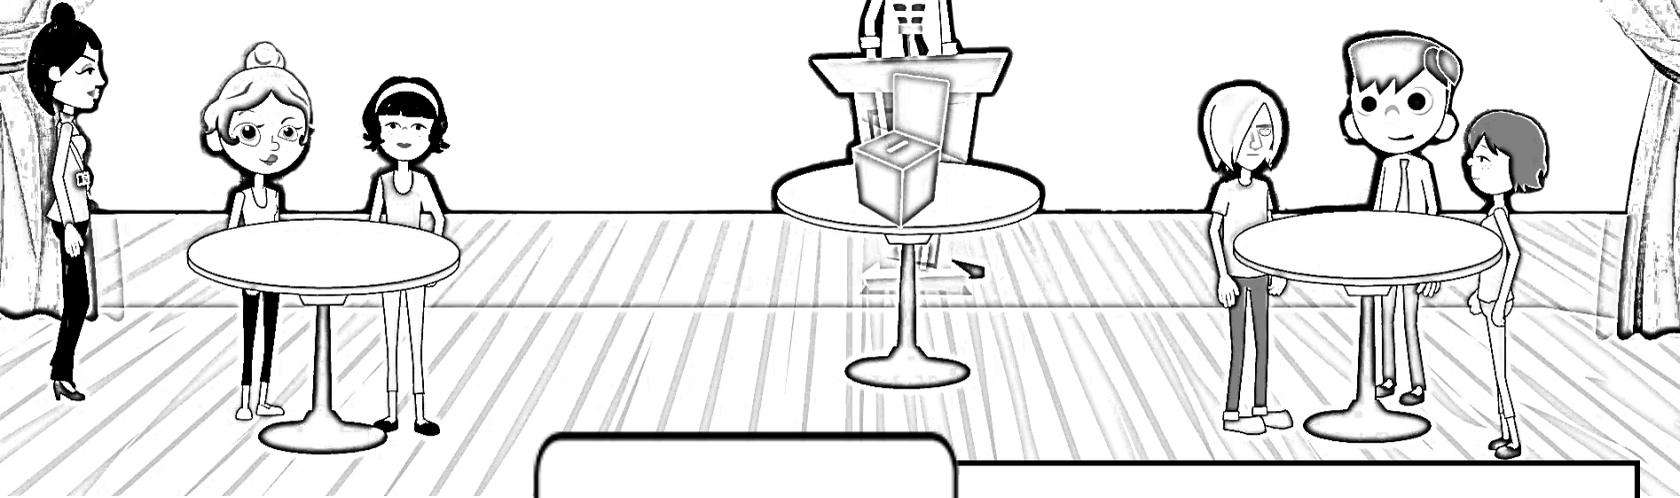

"That is correct!
It is the name above all name:
MELQUISEDECLISBET"

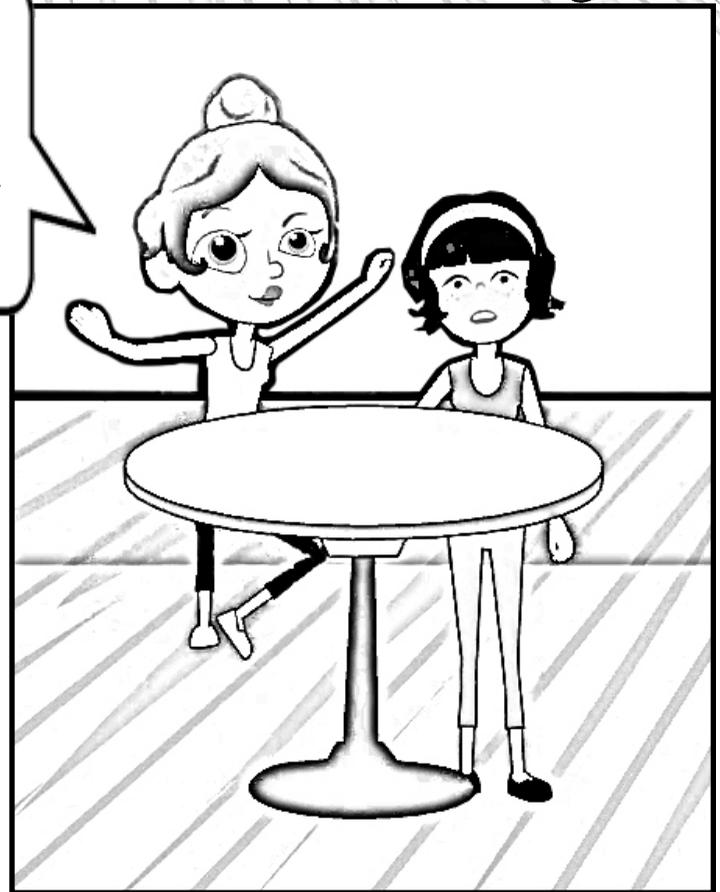

The school principal came to the microphone to announce the winner: "Attention! At this time I will draw a name from the box and that person will be the winner of the poster."

"And the winner is..."

Katy!!!

Amen, Hallelujah!
Thank you
MelquisedeLisbet
for giving me the poster
I asked for!

Silvia was very surprised and realized that God really was with Katy and that her request was fulfilled.

I know you came to mock me and show me your poster...

No, Silvia, I came to give you a hug. I want to tell you that you are very special and I have a gift for you.

Then Silvia said: "A gift? But I have been very rude to you."

And Katy replied: "Yes, but that's because you have not learned how to be happy yet."

"On this stone is the most beautiful name, in this name there is so much power because it is the name of God, our spiritual Parents who love us very much."

And with a smile, Silvia replied: "I like that name! From now on, I will also ask Melquisedec in the name Lisbet!"

Katy replied: "Just don't forget that if there is justice in what you ask for, they will give it to you."

Katy and Silvia are now best friends and they are both happy thanks to MelquisedecLisbet.

Petunia and the GIANT

Let's travel to the world of our mind...

In our mind there is a beautiful landscape and every thought is shaped like a tree, a butterfly, or an animal and there is also a very beautiful river. Now let's imagine that there's a tiny character...

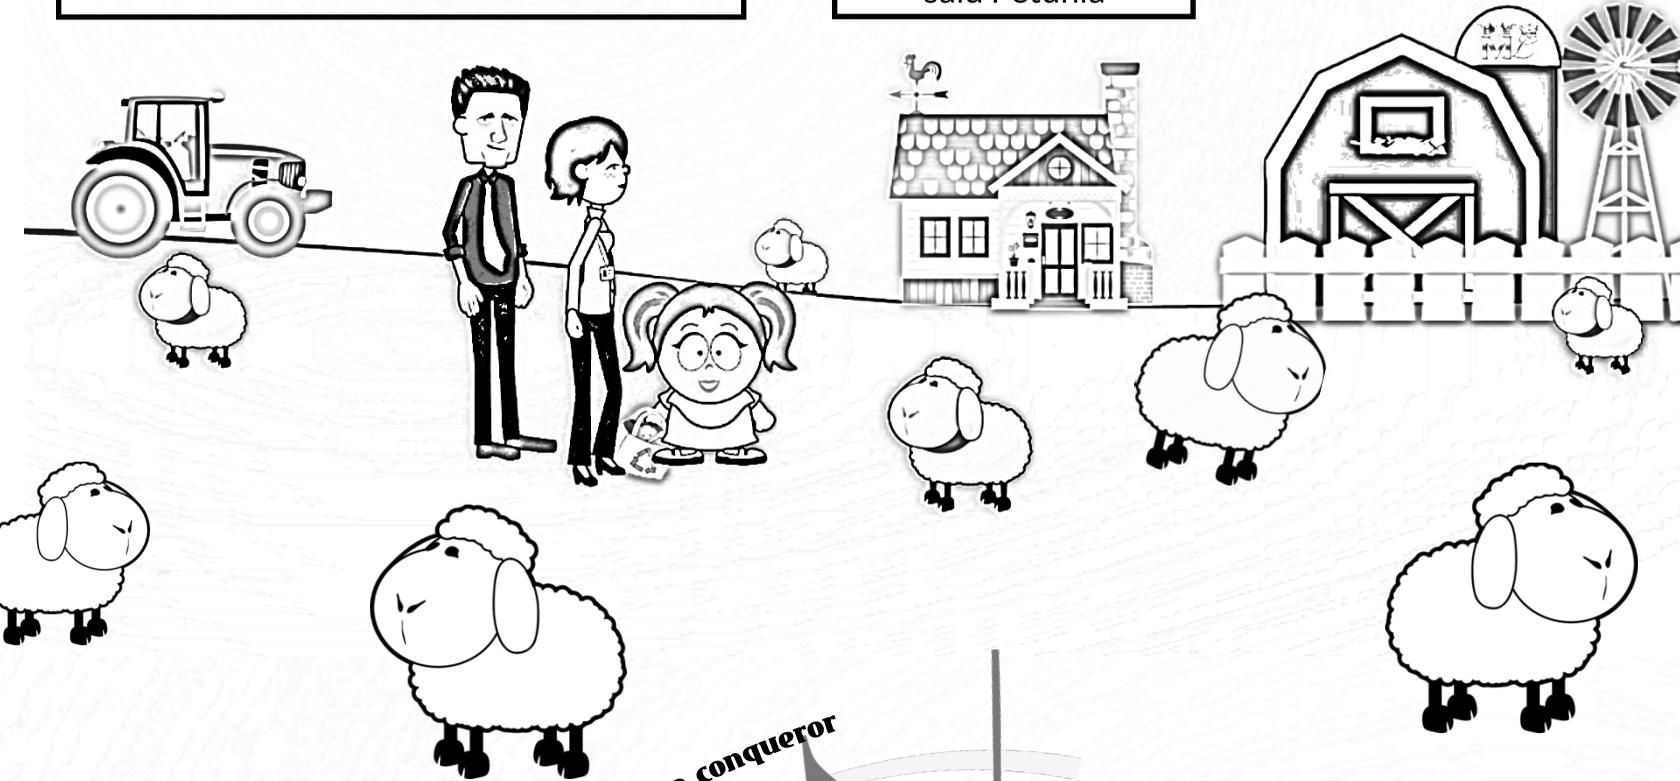

Petunia is a cute little girl who likes to play, be polite and live in order. She is always happy because Christ Lisbet is her best friend and has taught her to do everything with love. Petunia and her family live on a farm and have many sheep. While Petunia takes care of the sheep, she sings this song:

With love, with love
I am more than
a conqueror
with love the younger
always wins the older

One day, her mother told her:
"Petunia, please take this food
to your brothers who are at camp."

"Yes mother, gladly!",
said Petunia

With Love, with love I am more than a conqueror
With Love, with love the younger always wins the older

Christ Lisbet rejoices in Petunia's mind
when she hears her sing.

When she arrived at the camp, Petunia noticed something was very strange... It was empty!

Where is everyone?

Petunia, come here.
We are VERY SCARED and we are hiding because there is a giant out there!

I'm not scared.
Why are you scared?

Petunia organized her thoughts to understand what her brothers were feeling and she spoke to her best friend, Christ Lisbet:

Blessed Christ Lisbet, why are my brothers scared?

Your brothers are not using the armor of faith, when thoughts come to their minds, they allow carnex to scare them with lies. If they would give love to the giant, he would not disturb them, and he could even become their friend because nobody has ever given him love.

How Beautiful! You have shown me to always do everything with love and I love to make new friends, I will help them. Thank you, Christ Lisbet!

Very happy and convinced of Christ Lisbet's words, Petunia said to her brothers:

"Do not be afraid, I put on the armor of Christ Lisbet in my mind and I can defeat the giant."

And they replied, "You? But you've never seen a giant, he is very large. Are you going to hit him?"

She said: "Of course not. I will not conquer the giant by hitting him or yelling at him because he is bigger, but I have a weapon that he does not know, which will make him drop whatever weapon he has to use against me. That weapon is called LOVE."

With love, with love
I am more than a
conqueror,
with love the
younger always
wins the older.

Suddenly they heard loud footsteps!

Oh no!... Here comes the big giant!

Who dares say they can beat me? Who is this great warrior?

But the giant was so big that he did not see her.

Me!
I am!

At last he saw her and when he realized it was a little girl, he laughed. Petunia felt sorry for the giant because no one has ever loved him; and people just think that he is going to mistreat them because he is so big and looks mean.

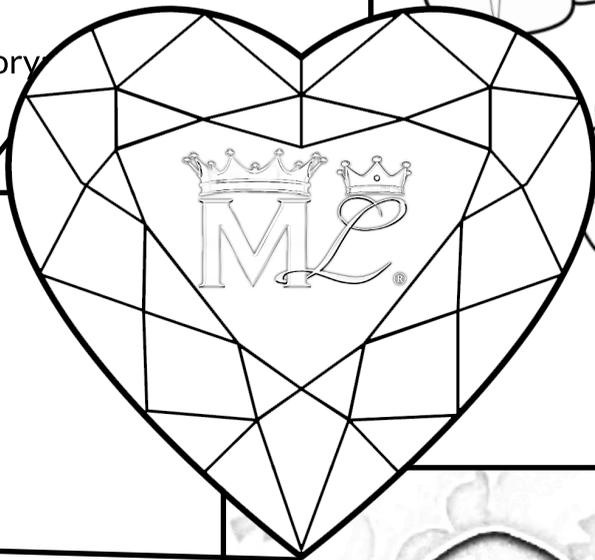

Petunia sweetly said: "Come here, I am going to defeat you with love."

And Christ Lisbet prepared a stone of love for Petunia to give to the giant.

Then Petunia, full of joy gave the shout of victory.

"For MelquisedecLisbet!

For My Father and for My Mother!"

She threw the stone of love through the air and it fell on the giant's head as a big heart of love and peace.

At that time the Giant melted to the size of Petunia.

He was so happy and said:

"Petunia, thank you for not yelling at me or treating me badly, like everyone else does.

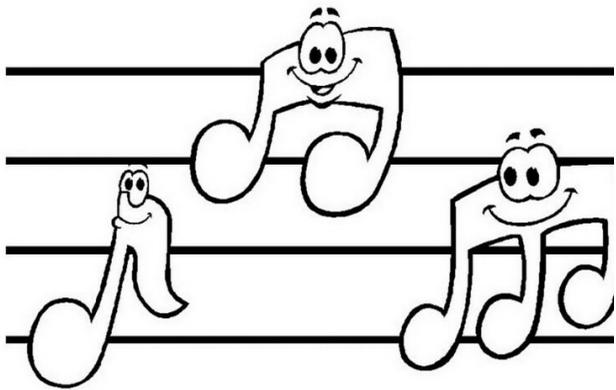

No one has ever been kind to me and I want to be your friend."

Petunia gave him a big hug and introduced him to her best friend, Christ Lisbet.

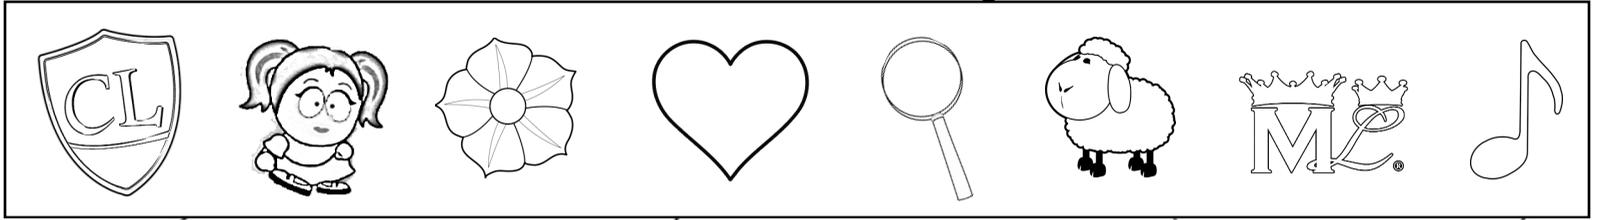

Now they are all friends forever and sing together:

With Love, with Love
I am more than a conqueror
with Love the younger
always wins the Older

DANIEL

and the BOOTS OF PEACE

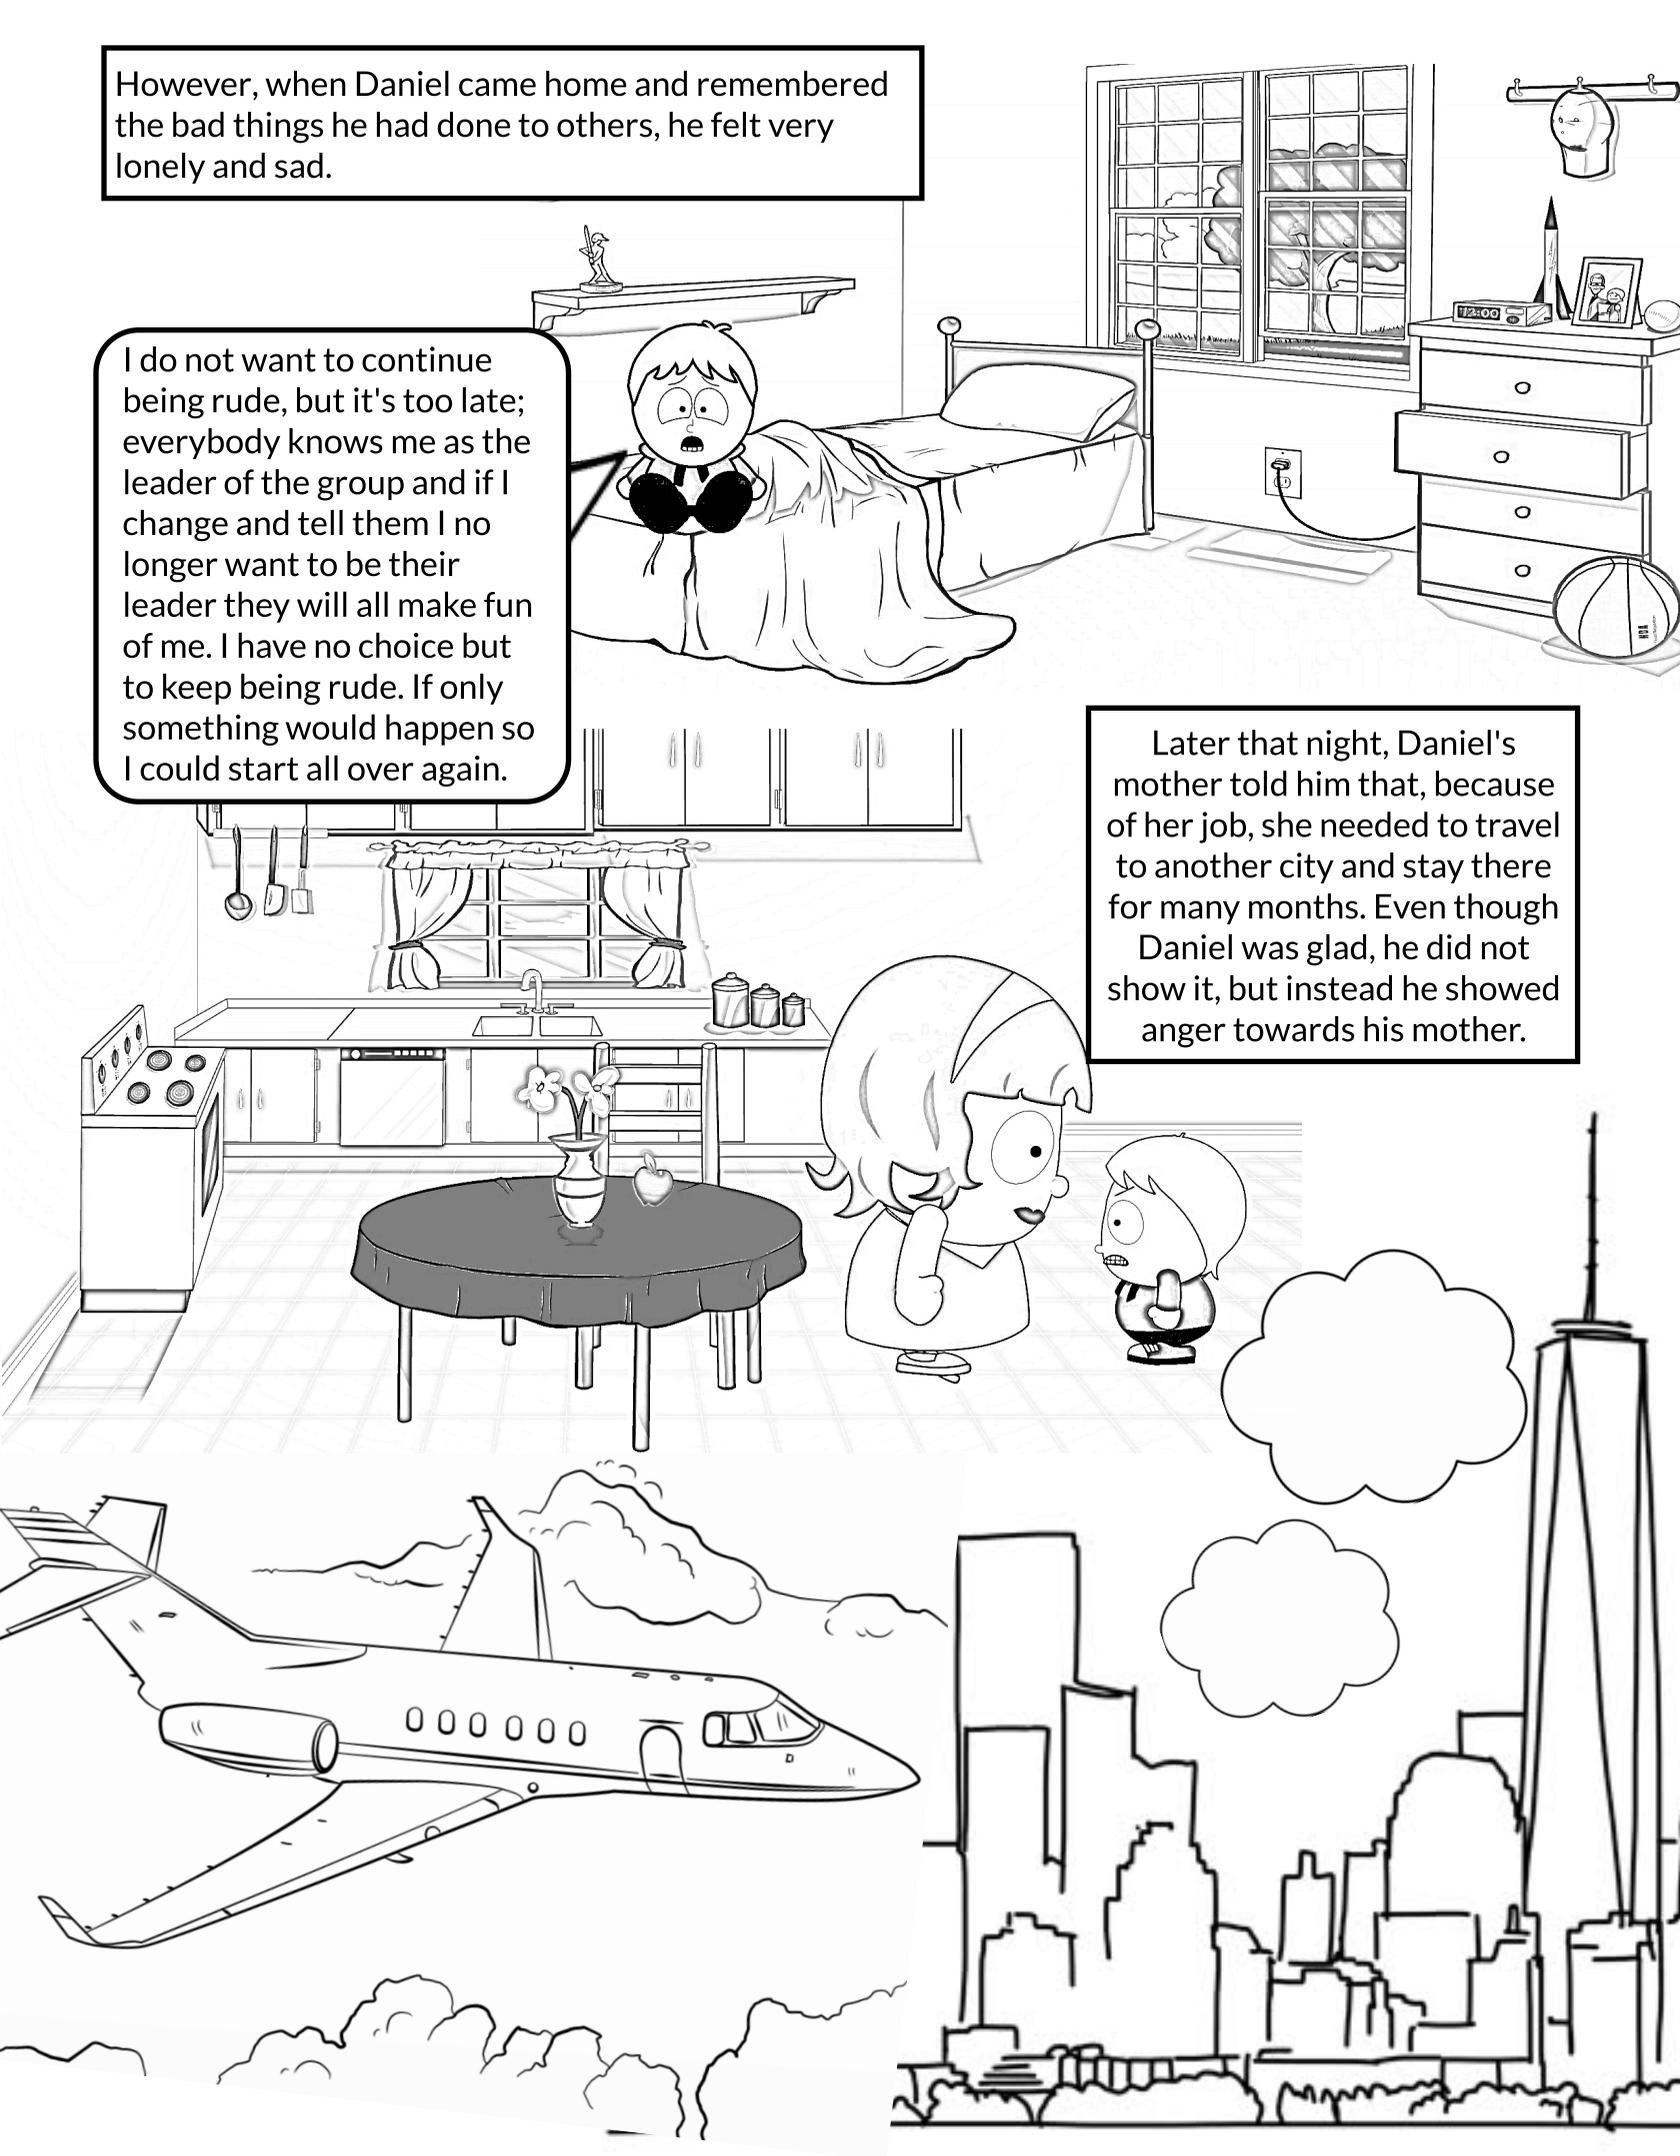

Everyone in the neighborhood knew Daniel because he was the leader of a bad group of boys and he would make his friends treat everyone badly. They would take kids' lunch money or their lunch, and then they would laugh about what they did.

However, when Daniel came home and remembered the bad things he had done to others, he felt very lonely and sad.

I do not want to continue being rude, but it's too late; everybody knows me as the leader of the group and if I change and tell them I no longer want to be their leader they will all make fun of me. I have no choice but to keep being rude. If only something would happen so I could start all over again.

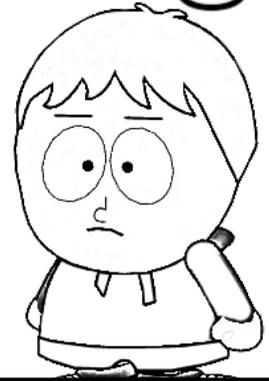

Later that night, Daniel's mother told him that, because of her job, she needed to travel to another city and stay there for many months. Even though Daniel was glad, he did not show it, but instead he showed anger towards his mother.

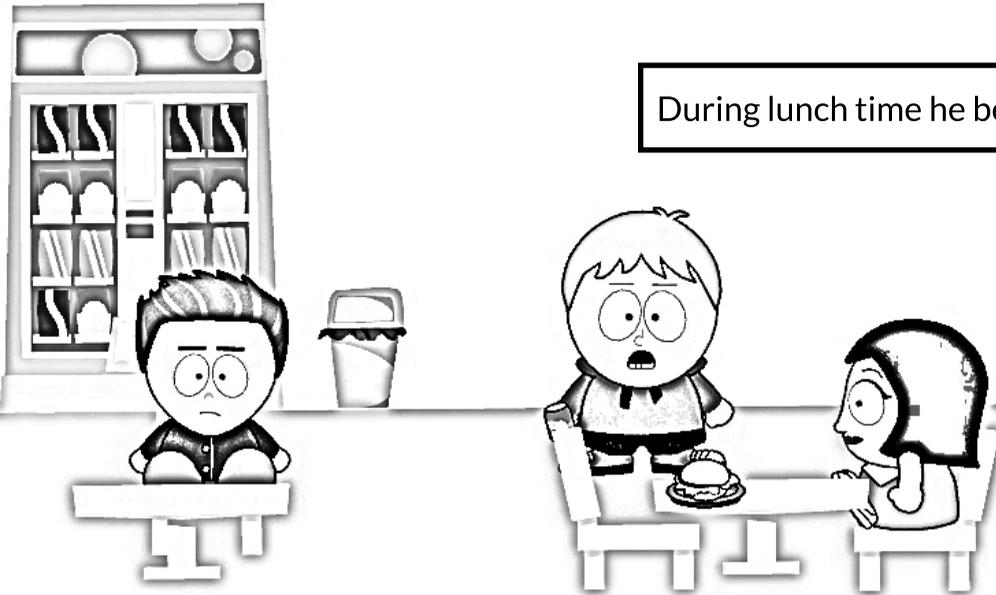

When they arrived at the new city, Daniel did not know anyone and at school everyone already had friends, except for him.

If I behave like a rude and rebellious boy everyone will think that I do not want to have friends and no one will feel sorry for me, they will respect me.

During lunch time he began to take his classmates' food.

When Max, who is a superior race, came into the cafeteria he observed what was happening and for a moment his mind saw a chef who wanted to throw thoughts of fear at him.

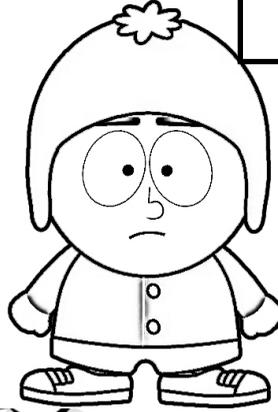

Oh no! The new kid is very tall. He looks like a gang member... Maybe you shouldn't go into the cafeteria.

For MelquisedecLisbet!

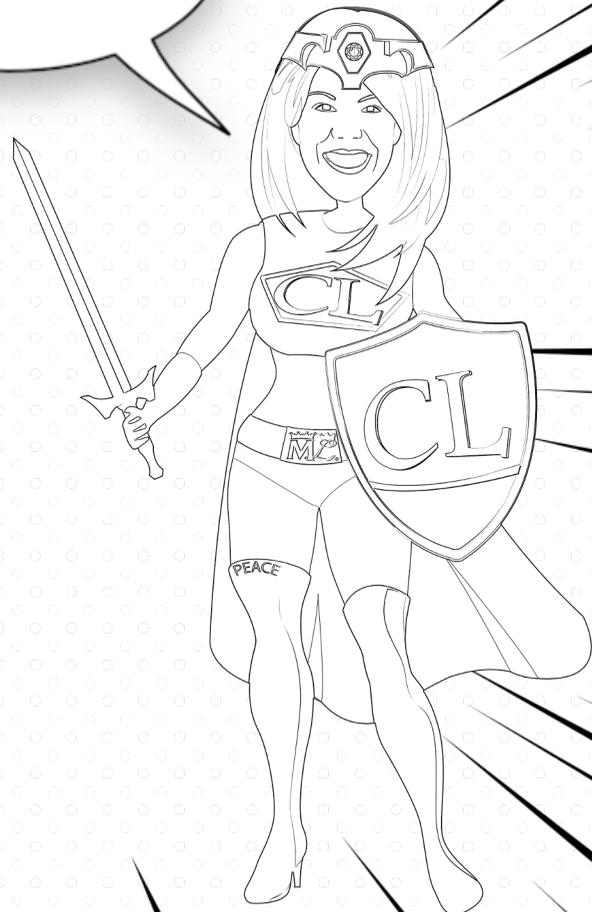

Hallelujah! It is Christ Lisbet to defend me!

Christ Lisbet came prepared with her armor and the invincible **BOOTS OF PEACE** and said to the chef:

What are these things you are saying?

Nothing. It's just that Daniel, the new kid is very tall and rude. Maybe he will hit Max and take away his lunch, it's better if he eats in the bathroom alone.

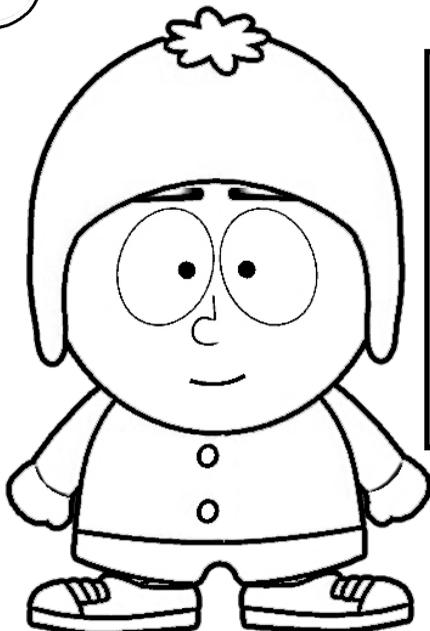

No please, absolutely not! Max is my holy angel and he does not have a spirit of fear.
If Max puts on **the boots of peace in his mind**, Daniel will have no reason to fight. I will protect Max.

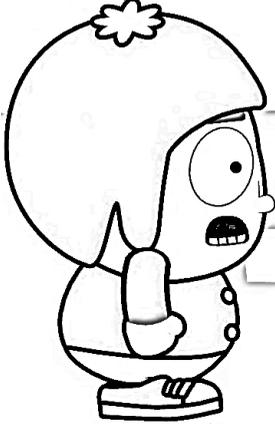

But I'm just saying that sometimes Daniel bothers the children for no reason, or maybe if Max throws his food at Daniel, then he will not bother him.

That is not the truth. Listen to me well, the only way that Daniel will stop behaving badly is through the peace that I bring, **if he is at peace with himself and others, all the children can be at peace** throughout the entire school. All thanks to the good order and good proceeding that Max will have with Daniel.
Amen! Hallelujah!

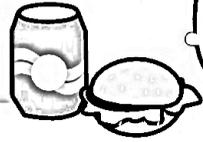

For MelquisedecLisbet! Thanks to Christ Lisbet I realized that you are carnex, bringing me **thoughts of fear and of fighting**. I want you to know that I'm not mad at you because **I know that this is the only way you know how to do things**, but I have understood that MelquisedecLisbet take care of me and **there is nothing to fear**.
Let's talk to Daniel with love and peace.

Hello Daniel!

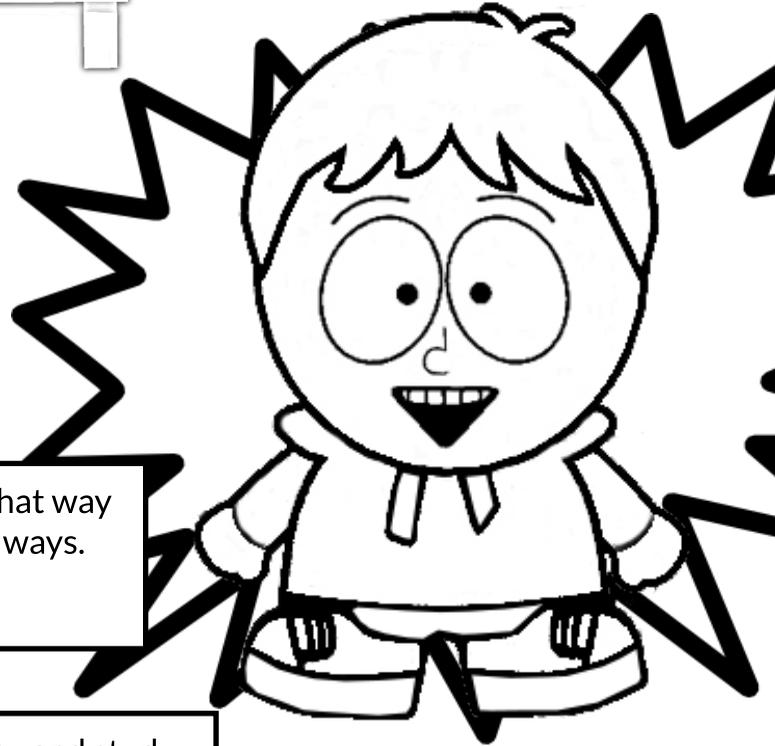

Who are you? Don't you dare bother me because I'm eating... you might as well prepare your food to give it to me, if you do not want me to hit you

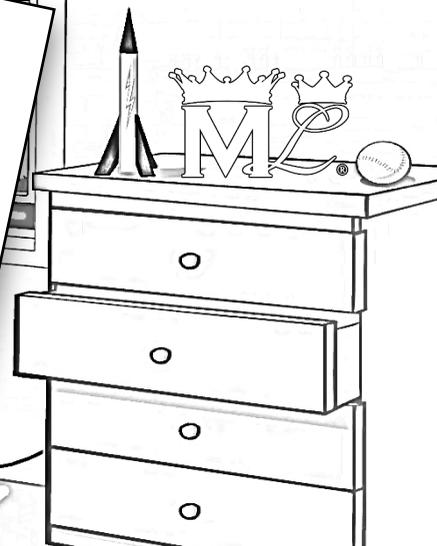

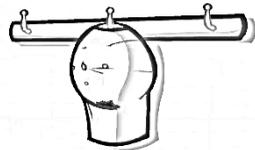

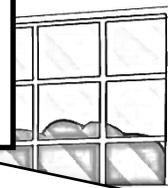

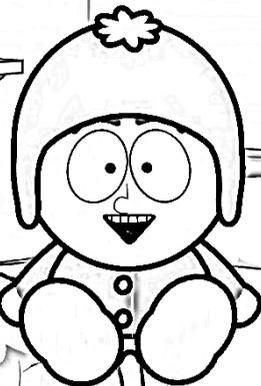

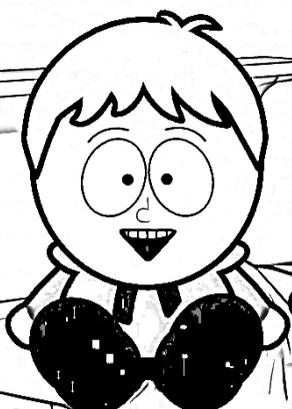

I've seen you since the day you arrived, and I know you're very smart and friendly. You truly do not like to be mean to others, I think that you and I can be great friends. I do not want you to be mad at me.

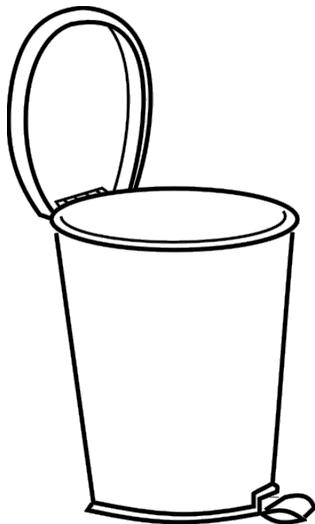

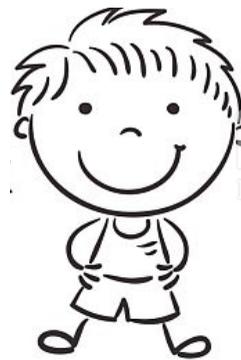

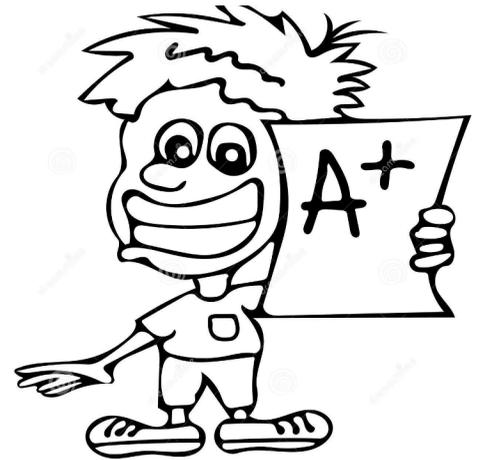

Daniel was amazed. Nobody had ever spoken to him that way and this was the opportunity he needed to change his ways. And he said: "Okay! Let's be friends."

From that moment on, Max and Daniel began to play and study. Little by little Daniel was learning about Christ Lisbet, and now when carnex tells him to fight with others, he puts on the boots of peace and instead of fighting, he makes a new friend. For Melquisedeclisbet! Amen, Hallelujah!
